GOVERNOR LAURA KELLY

MESSAGE FROM THE GOVERNOR REGARDING VETO OF SENATE BILL 22

Just two short years ago, the State of Kansas found itself on the brink of financial disaster. Even after depleting state savings and enduring multiple rounds of devastating budget cuts, unsustainable tax policy continued to perpetuate fiscal crisis. We saw schools close and class sizes grow. We saw an overwhelmed child welfare system let children fall through the cracks. And despite promises of immediate prosperity, Kansas routinely ranked among the nation's worst in multiple economic indicators.

As the budget hole continued to grow, the legislature passed two sales tax increases, swept more than \$2 billion from the state highway fund, delayed numerous payments to the state pension system, accumulated historic levels of debt, and raided every critical investment from early childhood education to public safety. But in the end, none of these short-term band-aids could stem the bleeding caused by reckless tax policy. In November of 2016, Kansans called for change.

The very next year, the state hit "reset" in a historic act of bipartisanship with the passage of comprehensive tax reform. Our credit score improved within a week. The number of Kansans participating in the labor force increased for the first time since 2014. And we've finally begun to heal from the unprecedented devastation found in state agencies and state programs.

However, we have only just started the rebuilding process. Our recovery is tenuous; our budget is fragile. The State of Kansas cannot afford to make a U-turn.

Unfortunately, Senate Bill 22 would absolutely dismantle all the progress we've made. It would throw our state once again into a self-inflicted budget crisis, diminishing all the investments we've worked so hard to rebuild and restore. It would put our future at risk once again in order to give significant tax breaks to entities who need them the least, while continuing to leave working families behind.

Additionally, as noted by the Senate President during the floor debate, Senate Bill 22 will put Kansas out of compliance with the Streamlined Sales and Use Tax Agreement. This would potentially cost Kansas up to \$18 million in lost revenue – on top of the bill's already unaffordable \$200 million price tag in the next fiscal year.

I look forward to working with the Kansas Legislature in the future to achieve our common goal of a reduced food sales tax. However, as I explained repeatedly – both as a candidate for governor and after I took office – we cannot responsibly enact a food sales tax cut until our state's fiscal health stabilizes. This is not the time.

I share Kansas lawmakers' desire to keep the state tax burden as low as possible and that will continue to be my priority. In January, I presented a structurally balanced budget to the legislature that funded our schools and roads, reduced state debt, left Kansas with the largest ending balance in 20 years, and did so all without a tax increase.

The people of Kansas elected me to rebuild our state. They elected me to bring fiscally conservative and responsible principles back to our government. We must be patient, thoughtful, and prudent as we evaluate tax policy. And, when we move forward with commonsense tax relief, we must ensure that it benefits the Kansans who need it the most.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 22.

THE GOVERNOR'S OFFICE

BY THE GOVERNOR

DATED

3.25.19

SENATE BILL No. 22

AN ACT concerning taxation; relating to income tax, addition and subtraction modifications, treatment of deferred foreign income, global intangible low-taxed income, business interest, capital contributions and FDIC premiums, Kansas itemized deduction, election; sales and compensating use tax, imposition of tax, nexus, remote sellers, marketplace facilitators, food and food ingredients, rates; amending K.S.A. 2018 Supp. 79-32,117, 79-32,120, 79-32,138, 79-3602, 79-3603, 79-3620, 79-3702, 79-3703 and 79-3710 and repealing the existing sections; also repealing K.S.A. 2018 Supp. 79-3221o.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2018 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

79-32,196, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2018 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to K.S.A. 79-32,117(c)(xv), and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

A "marketplace facilitator" does not include a platform or forum that exclusively provides internet advertising services, including listing products for sale, so long as the internet advertising service platform or forum does not also engage directly or indirectly through one or more affiliated persons in the activities described in subsection (e).

A person is not a "marketplace facilitator" with respect to the sale or charges for rooms, lodgings or accommodations provided by a hotel, motel, inn or other place that provides the rooms, lodgings or accommodations for occupancy.

(f) "Marketplace seller" means a seller that makes retail sales through any physical or electronic marketplaces operated by a marketplace facilitator regardless of whether the seller is required to be registered with the department.

 - (3) a contract party, including a marketplace facilitator.
- (n) The meaning ascribed to words and phrases in K.S.A. 79-3602, and amendments thereto, insofar as practicable, shall be applicable herein unless otherwise provided.

New Sec. 6. (a) On and after October 1, 2019, any marketplace facilitator that meets the criteria in subsection (b) or that has a physical presence in this state, must collect and remit retail sales or use tax on all taxable retail sales made or facilitated by the marketplace facilitator into this state pursuant to this act. Marketplace facilitators must begin collecting state and local retail sales or use taxes on taxable retail sales made or facilitated by the marketplace facilitator sourced to this state beginning on the first day of the next calendar month that is at least 30 days from the date that the marketplace facilitator met the threshold described in subsection (b).

(b) A marketplace facilitator is subject to subsection (a) if:

(1) (A) For calendar year 2018, the marketplace facilitator had in excess of \$100,000 of cumulative gross receipts from retail sales sourced to this state;

(B) for the period beginning on January 1, 2019, through September 30, 2019, the marketplace facilitator had in excess of \$100,000 of cumulative gross receipts from retail sales sourced to this state; or

(C) during the current or immediately preceding calendar year, the marketplace facilitator had in excess of \$100,000 of cumulative gross receipts from retail sales sourced to this state.

(2) (A) For any marketplace facilitator who satisfies the provisions of subsection (b)(1), such retailer shall not be required to collect and remit any taxes from sales occurring prior to October 1, 2019.

(B) For any marketplace facilitator who satisfies the provisions of subsection (b)(1)(C) for sales in the current calendar year for the first time, such marketplace facilitator shall be required to collect and remit the tax on any sales in excess of the \$100,000 of cumulative gross receipts from sales in the current calendar year by the marketplace facilitator to customers in this state.

New Sec. 7. (a) In addition to other applicable recordkeeping requirements, the department may require a marketplace facilitator or referrer to provide or make available to the department any information the department determines is reasonably necessary to enforce the provisions of this act, the Kansas retailers' sales tax act and the Kansas compensating tax act. Such information may include documentation of sales made by marketplace sellers through the marketplace facilitator's physical or electronic marketplace. The department may prescribe by rules and regulations the form and manner for providing this information.

(b) A marketplace facilitator is relieved of liability under this act for failure to collect the correct amount of tax to the extent that the marketplace facilitator can show to the department's satisfaction that the error was due to incorrect information given to the marketplace facilitator by the marketplace seller, unless the marketplace facilitator and marketplace seller are affiliated persons. When the marketplace facilitator is relieved of liability under this subsection, the marketplace seller is solely liable for the amount of uncollected tax due.

(c) Except as otherwise provided in this section, a marketplace seller obligated to collect the taxes imposed under this act is not required to collect such taxes on all taxable retail sales through a marketplace operated by a marketplace facilitator if the marketplace seller entered into an agreement with the marketplace facilitator indicating that the

marketplace facilitator is registered with the department and will collect all applicable taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act on all taxable retail sales made on behalf of the marketplace seller through the marketplace operated by the marketplace facilitator. This subsection does not relieve a marketplace seller from liability for uncollected taxes due under this act, the Kansas retailers' sales tax act or the Kansas compensating tax act resulting from a marketplace facilitator's failure to collect the proper amount of tax due when the error was due to incorrect information given to the marketplace facilitator by the marketplace seller.

(d) No class action may be brought against a marketplace facilitator in any court of this state on behalf of purchasers arising from or in any way related to an overpayment of sales or use tax collected by the marketplace facilitator or referrer, regardless of whether that claim is characterized as a tax refund claim. Nothing in this subsection affects a purchaser's right to seek a refund from the department as provided by the Kansas retailers' sales tax act.

New Sec. 8. (a) Except as otherwise provided in this act, taxes imposed under the Kansas retailers' sales tax act or the Kansas compensating tax act and payable by a consumer directly to the department are due, on returns prescribed by the department, as prescribed by those acts.

(b) Nothing in this act affects the obligation of any purchaser from this state to remit retail sales or use tax as to any applicable taxable transaction in which the seller does not collect and remit retail sales or use tax.

New Sec. 9. (a) A marketplace facilitator that is subject to section 6, and amendments thereto, and is complying with the requirements of the Kansas retailers' sales tax act or the Kansas compensating tax act may only seek a recovery of retail sales and use taxes, penalties or interest from the department by following the recovery procedures established under the Kansas retailers' sales tax act. However, no claim may be granted on the basis that the taxpayer lacked a physical presence in this state and complied with the tax collection provisions of the Kansas retailers' sales tax act or the Kansas compensating tax act voluntarily.

(b) Neither the state nor any marketplace facilitator who collects and remits retail sales or use tax under section 6, and amendments thereto, is liable to a purchaser that claims that the retail sales or use tax has been over-collected because a provision of this act is later deemed unlawful.

New Sec. 10. Except as otherwise provided in this act, the provisions of K.S.A. 79-3601 through 79-3696, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of the Kansas main street parity act.

New Sec. 11. The secretary of revenue shall adopt such rules and regulations as deemed necessary for the administration of this act.

New Sec. 12. If any provision of the Kansas main street parity act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act that can be given effect without the invalid provision or application, and to this end the provisions of this act are severable.

New Sec. 13. (a) There is hereby levied and there shall be collected and paid a tax upon the gross receipts from the sale of food and food ingredients. Commencing on October 1, 2019, the rate of tax shall be 5.5%.

The provisions of K.S.A. 79-3601 ~~to~~ *through* 79-3625, ~~inclusive,~~ 79-3650, *and amendments thereto, and* K.S.A. 2018 Supp. 79-3693 and 79-3694, and amendments thereto, relating to enforcement, collection and administration, insofar as practicable, shall have full force and effect with respect to taxes imposed under the provisions of this act.

(e) "Storage" and "use" do not include the keeping, retaining or exercising of any right or power over tangible personal property shipped or brought into this state for the purpose of subsequently transporting it outside the state for use thereafter solely outside the state, or for the purpose of being processed, fabricated, or manufactured into, attached to or incorporated into, other tangible personal property to be transported outside the state and thereafter used solely outside the state.

(g) "Retailer" means every person engaged in the business of selling tangible personal property for use within the meaning of this act, except that, when in the opinion of the director it is necessary for the efficient administration of this act to regard any salesperson, representatives, truckers, peddlers or canvassers as the agents of the dealers, distributors, supervisors, employers or persons under whom they operate or from whom they obtain the tangible personal property sold by them, irrespective of whether they are making sales on their own behalf or on behalf of such dealers, distributors, supervisors, employers, or persons, the director may so regard them and may regard the dealers, distributors, supervisors, employers, or persons as retailers for the purposes of this act.

(D) any retailer deriving rental receipts from a lease of tangible personal property situated in this state;

(E) any person regularly maintaining a stock of tangible personal property in this state for sale in the normal course of business; ~~and~~

(F) any retailer who has any other contact with this state that would allow this state to require the retailer to collect and remit tax under the provisions of the constitution and laws of the United States; *and*

(G) *(i) for any retailer that does not satisfy any of the requirements contained in subparagraphs (A) through (F), such retailer shall be a retailer doing business in this state, if:*

state;

(b) *for the period beginning on January 1, 2019, through September 30, 2019, the retailer had in excess of \$100,000 of cumulative gross receipts from sales by the retailer to customers in this state; or*

(c) *during the current or immediately preceding calendar year, the retailer had in excess of \$100,000 of cumulative gross receipts from sales by the retailer to customers in this state.*

(ii) (a) *For any retailer who satisfies the provisions of subparagraph (G)(i), such retailer shall not be required to collect and remit any taxes from sales occurring prior to October 1, 2019.*

(b) *For any retailer who satisfies the provisions of subparagraph (G)(i)(c) for sales in the current calendar year for the first time, such retailer shall be required to collect and remit the tax on any sales in excess of the \$100,000 of cumulative gross receipts from sales in the current calendar year by the retailer to customers in this state.*

(2) A retailer shall be presumed to be doing business in this state if any of the following occur:

(A) ~~Any person, other than a common carrier acting in its capacity as such, that has nexus with the state sufficient to require such person to collect and remit taxes under the provisions of the constitution and laws of the United States if such person were making taxable retail sales of tangible personal property or services in this state:~~

~~(i) Sells the same or a substantially similar line of products as the retailer and does so under the same or a substantially similar business name;~~

~~(ii) maintains a distribution house, sales house, warehouse or similar place of business in Kansas that delivers or facilitates the sale or delivery of property sold by the retailer to consumers;~~

~~(iii) uses trademarks, service marks, or trade names in the state that are the same or substantially similar to those used by the retailer;~~

~~(iv) delivers, installs, assembles or performs maintenance services for the retailer's customers within the state;~~

This presumption may be rebutted by submitting proof that the residents with whom the retailer has an agreement did not engage in any activity within the state that was significantly associated with the retailer's ability to establish or maintain the retailer's market in the state during the preceding 12 months. Such proof may consist of sworn written statements from all of the~~

~~residents with whom the retailer has an agreement stating that they did not engage in any solicitation in the state on behalf of the retailer during the preceding year, provided that such statements were provided and obtained in good faith. The term "preceding 12 months" as used in this subparagraph includes the 12 months commencing prior to the effective date of this subparagraph.~~

~~(D) The presumptions in subparagraphs (A) and (B) may be rebutted by demonstrating that the activities of the person or affiliated person in the state are not significantly associated with the retailer's ability to establish or maintain a market in this state for the retailer's sales. *the retailer is subject to the provisions set forth in subsection (h)(1)(G) for a retailer doing business in this state and has in excess of \$100,000 of cumulative gross receipts from sales by the retailer to customers in this state.
