

SESSION OF 2020

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2428**

As Recommended by House Committee on  
Transportation and Public Safety Budget

**Brief\***

HB 2428 would require the Board of Technical Professions (Board) to promulgate rules and regulations to set amounts of license fees. (Current law requires the Board to annually set and adjust fees.)

**Background**

The bill was introduced by Representative Dietrich.

At the House Committee on Transportation and Public Safety Budget hearing, Representative Dietrich gave proponent testimony, stating the bill would require the Board to place its fees into rules and regulations and would remove the requirement the amounts of the fees be set each year.

The Executive Director of the Kansas State Board of Technical Professions testified as neutral; he stated the Board has adopted rules and regulations, effective January 17, 2020, that set its fees.

No opponent testimony was provided.

According to the fiscal note prepared by the Division of the Budget, enactment of the bill would have no fiscal effect.
