2-1222. Issuance of stop sale or stop use orders. (a) The secretary or a duly authorized representative of the secretary, acting as the enforcing officer, may issue and enforce a written or printed stop sale or stop use order to the owner or custodian of any facility or equipment used for the storage, handling or transportation of anhydrous ammonia which the secretary or duly authorized representative determines is not in compliance with the provisions of K.S.A. 2-1212 through 2-1220, and amendments thereto, or any rules and regulations adopted thereunder. The stop sale or stop use order shall prohibit the sale of anhydrous ammonia or prohibit further use of such facility or equipment for the handling, storage or transportation of anhydrous ammonia, except on approval of the enforcing officer, until the enforcing officer has evidence that the law and rules and regulations have been complied with and issues a release from the stop sale or stop use order. Any stop sale or stop use order issued pursuant to this subsection is subject to review in accordance with the Kansas judicial review act. The provisions of this subsection shall not be construed as limiting the right of the enforcement officer to proceed as authorized by other provisions of the statutes contained in article 12 of chapter 2 of the Kansas Statutes Annotated, and amendments thereto.

(b) This section shall be part of and supplemental to the provisions of K.S.A. 2-1212 through 2-1220, and amendments thereto.
