

2020 Kansas Statutes

19-2858. Deputy sheriffs for enforcement of park regulations. The manager of the county board of park commissioners shall recommend to the county sheriff such number of employees as the manager deems necessary to become deputy sheriffs of the county to enforce the laws of the state and county and the rules and regulations of the county board of park commissioners. The sheriff of the county, in accordance with the recommendations of the manager, shall deputize such employees as deputy sheriffs with full law enforcement authority throughout the county. The deputy sheriffs herein created shall receive no compensation as such deputy sheriffs.
