

2020 Kansas Statutes

32-843. Same; legislative approval. (a) On or before the 30th calendar day of each regular legislative session, the secretary shall transmit to the state house of representatives, the state senate and the secretary of state copies of each license entered into with the United States army corps of engineers pursuant to the fish and wildlife coordination act since the 30th day of the immediately preceding regular legislative session. The copies transmitted to the secretary of state shall be available for public inspection during regular business hours. At any time after the 30th calendar day of the regular legislative session when a license is transmitted as provided in this section, the legislature may disapprove and revoke such license by adoption of a concurrent resolution so providing. No such license shall be subject to revocation by the legislature after the 90th calendar day of such regular legislative session.

(b) The provisions of this section shall not apply to licenses entered into with respect to Hillsdale reservoir project lands.
