

2020 Kansas Statutes

49-618. Same; inspections by director of sites; notice of violations; corrective measures. The director or the director's designee, when accompanied by the operator or operator's designee during regular business hours, may inspect any lands on which any operator is authorized to operate a mine for the purpose of determining whether the operator is or has been complying with the provisions of this act. The director shall give written notice to any operator who violates any of the provisions of this act or any rules and regulations adopted by the director pursuant to this act. If corrective measures approved by the director are not commenced within 90 days, the violation shall be referred to the commission. The operator shall be notified in writing of the referral.
