The garnishee, without prior agreement, may withhold and retain to defray the garnishee's costs, an administrative fee of \$15 for each order of garnishment that attaches funds, credits or indebtedness. Such administrative fee shall be in addition to the amount required to be withheld under the order for garnishment, except that if the amount required to be withheld under the order for garnishment is greater than the amount of the funds, credits or indebtedness held by a bank, savings and loan association, credit union or finance company, the fee shall be deducted from the amount withheld.
- (b) All orders of garnishment issued in this state for the purpose of attaching funds, credits or indebtedness held by a bank, savings and loan association, credit union or finance company shall include the judgment debtor's address and tax identification number, if known, and shall specify the amount of funds, credits or indebtedness to be withheld by the garnishee, which shall be 110% of the amount of the judgment creditor's claim or 110% of the amount of the current balance due under the judgment, as stated in the written direction of the party seeking the order.
- (c) The forms provided by law for an order of garnishment attaching funds, credits or indebtedness held by a bank, savings and loan association, credit union or finance company shall include the following statement:
"If you hold any funds, credits or indebtedness belonging to or owing the judgment debtor, the amount to be withheld by you pursuant to this order of garnishment is not to exceed
\$."
(amount stated in direction)
- (d) (1) The forms provided by law for the answer to an order of garnishment attaching funds, credits or indebtedness held by a bank, savings and loan association, credit union or finance company shall include the following statement:
"The amount of the funds, credits or indebtedness belonging to or owing the judgment debtor which I shall hold shall not exceed
\$."
(amount stated in order)
- (2) The answer shall further include information that such account is owned in joint tenancy with one or more individuals who are not subject to the garnishment, if applicable.
- (e) If an order of garnishment attaches funds, credits or indebtedness held by a bank, savings and loan association, credit union or finance company and the garnishee holds funds or credits or is indebted to the judgment debtor in two or more accounts, the garnishee may withhold payment of the amount attached from any one or more of such accounts.
- (f) If an order of garnishment attaches funds, credits or indebtedness held by a bank, savings and loan association, credit union or finance company and the garnishee holds funds or credits or is indebted to the judgment debtor in an account which judgment debtor owns in joint tenancy with one or more individuals who are not subject to the garnishment, the garnishee shall withhold the entire amount sought by the garnishment. Neither the garnisher nor the garnishee shall be liable to the joint owners if the ownership of the funds is later proven not to be the judgment debtor's.
- (g) No party shall seek an order of garnishment attaching funds, credits or indebtedness held by a bank, savings and loan association, savings bank, credit union or finance company except on good faith belief of the party seeking garnishment that the party to be served with the garnishment order has, or will have, assets of the judgment debtor. Except as provided further, not more than two garnishments shall be issued by a party seeking an order of garnishment applicable to the same claim or

claims and against the same judgment debtor in any 30-day period. A judge may order an exception to this subsection in any case in which the party seeking the garnishment shall in person or by attorney: (1) Certify that the garnishment is not for the purpose of harassment of the debtor, and (2) state facts demonstrating to the satisfaction of the judge that there is reason to believe that the garnishee has property or credits of the debtor which are not exempt from execution.
