

2020 Kansas Statutes

74-5312. Same; waiver of examination. Until July 1, 1969, the board may waive the examination requirements and may grant a certificate upon payment of a fee prescribed by the board not in excess of one hundred dollars (\$100) to any person who is a legal resident of or has been principally employed in the state of Kansas for at least two (2) years immediately prior to the time of application and who meets the requirements of subsections (a) and (b) of K.S.A. 74-5310 and who either: (a) Has a doctor's degree or equivalent thereof from an institution with educational standards consistent with those of the state universities of Kansas, and which degree or equivalent was based primarily on a course of study in the field of psychology, or the substantial equivalent thereof in both subject matter and extent of training, and in addition has had five (5) years of professional experience satisfactory to the board; or (b) has a master's degree or the equivalent thereof from an institution with educational standards consistent with those of the state universities of Kansas, and which degree or equivalent was based primarily on a course of study in the field of psychology, or the substantial equivalent thereof in both subject matter and extent of training, and in addition has had six (6) years of professional experience satisfactory to the board; or, (c) was, on the effective date of this act, designated a certified psychologist by the board of examiners of the Kansas psychological association, inc., under the procedures and standards for the certification of psychologists.
History: L. 1967, ch. 432, § 12; L. 1972, ch. 309, § 3; Mar. 23.
