

2020 Kansas Statutes

75-621. Receipts for money paid into treasury. When any money is paid into the treasury the treasurer is required to give to the person paying the same receipts in duplicate, stating the fund to which the money belongs, one of which must be delivered to the director of accounts and reports in order to obtain the proper credit; and the amount so paid shall be charged by the director of accounts and reports to the treasurer. When any money is paid into the state treasury by any county treasurer, a triplicate receipt for such amount shall be forthwith forwarded to the county clerk of such county by the state treasurer, and such county clerk shall file such receipt and credit the county treasurer with the amount thereof.
