Representative Rich Proehl  
Chairman, House Committee on Transportation  
Kansas State Capitol  
Topeka, KS 66612

Dear Mr. Chairman:

It's my honor to once again offer strong support for HB 2169, designating the "Proud Educator" distinctive licence plate. As you and some members of the committee know, we've attempted to cross the finish line with this project the two previous years, and were thwarted by unforeseen circumstances.

This bill, as introduced, differs somewhat in that it allows for a lower threshold for plate quantities. As you know, Kansas licence plates are now produced digitally, and on demand, so an artificially high production threshold becomes unnecessary.

I urge the committee to recommend HB 2169 favorably for passage, and I thank you for your consideration of this bill.

Sincerely,

Les Mason
