- **SB 445 prohibiting the use of additional ballot boxes for the return of advance voting ballots**

I am asking you to vote no on SB 445. Given the above stated shortcomings of our Postal service, ballot boxes provide an alternative method for the delivery of votes. Additional ballot boxes are needed in areas that are currently underserved by adequate Postal services. Providing these helps eliminate the suppression of the votes of our older, disabled, caretakers, workers in multiple jobs, and others who have the right to vote but may not have the luxury of doing so in person. SB 445 is an attack on democracy. **Please vote no on SB 445.**
