From: Office of Revisor of Statutes
Date: March 15, 2021
Subject: Bill Brief for HB 2071

House Bill 2071 increases the criminal penalties for stalking a minor. K.S.A. 21-5427, the crime of stalking, is amended to add a new provision for intentionally engaging in a course of conduct targeted at a specific child under the age of 14 that would cause a reasonable person in the circumstances of the targeted child, or a reasonable person in the circumstances of an immediate family member of such child, to fear for the child's safety. Violation of the new stalking provision would be a severity level 7, person felony on a first conviction, and a severity level 4, person felony on a second or subsequent conviction.
