Opposition to Senate Bill 501 – Committee on Public Health and Welfare

Chairman Hilderbrand and members of the Committee:

St. Paul's Episcopal Church in Clay Center is NOT in favor of Senate Bill 501.

We have sponsored a mobile food pantry for several years now and our numbers continue to grow. With gas prices and food prices what they are now--I imagine the need will get worse. This bill just adds more confusion and frustration for those applying for assistance.

Please, do not vote for this bill.
