# Children's Initiatives Fund

## Statutory Authority

The Children's Initiatives Fund (CIF) is authorized by KSA 38-2102. This statute was passed by the 1999 Legislature as part of the response to the 1998 Master Settlement Agreement with four major tobacco companies. Payments from the settlement are deposited into the Kansas Endowment for Youth (KEY) Fund. Moneys are then transferred from the KEY Fund to the Children's Initiatives Fund. Further details on the Children's Initiatives Fund is provided below.

### **KSA 38-2102(b)**

–Requires all moneys deposited into the CIF be used for "the purposes of providing additional funding for programs, projects, improvements, services and other purposes directly or indirectly beneficial to the physical and mental health, welfare, safety and overall well-being of children in Kansas."

–Statute requires the Legislature to emphasize programs and services that are data-driven and outcomes-based. Additionally, the statute says the Legislature may emphasize programs and services "that are generally directed toward improving the lives of children and youth by combating community-identified risk factors associated with children and youth becoming involved in tobacco, alcohol, drugs or juvenile delinquency."

–In order to receive funding, programs must meet the following requirements: have a clearly identified objective; show the program design is supported by credible research; who the program will constitute best practices in the field; include an evaluation and assessment component is part of the program design; identify needed program modifications to enhance performance; show how the program can be modified for use in other areas; and identify when performance no longer justifies funding.

–Community-based programs must show the availability of sufficient community leadership and the ability to appropriately implement the program. Programs that require community mobilization to be successful must show a specific strategy to obtain the required community mobilization.

–Prohibits CIF moneys from replacing or substituting for moneys appropriated from the State General Fund in the immediately preceding fiscal year.

### **KSA 38-2102(d)**

–Requires the transfer from the KEY Fund to the CIF be 102.5 percent of the amount transferred the prior year.

–Allows the Legislature to adjust the required transfers from the KEY Fund to the CIF.

### **KSA 38-2102(f)**

–Requires the Director of Accounts and Reports to make a monthly transfer from the State General Fund to the KEY Fund based on: 1) the average daily balance of moneys in the CIF for the preceding month and 2) the net earnings rate of the Pooled Money Investment Portfolio for the preceding month.
