The Honorable Richard Proehl, Chairperson

Statehouse, Room 582-N
Topeka, Kansas 66612

Dear Representative Proehl:

SUBJECT: Fiscal Note for HB 2483 by House Committee on Transportation

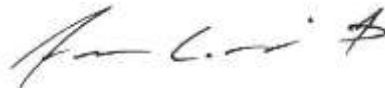

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2483 is respectfully submitted to your committee.

HB 2483 would create the Daughters of the American Revolution distinctive license plate. The bill would allow any Kansas resident who is the owner of a passenger vehicle or truck of a gross weight of 20,000 pounds to be issued one Daughters of the American Revolution license plate for each vehicle on and after January 1, 2023. The distinctive plate would be issued upon proper registration and payment of the regular license fee as provided in KSA 8-143, and either payment to the county treasurer of the logo use royalty payment established by the Daughters of the American Revolution, or presentation of the annual logo use authorization statement. The Daughters of the American Revolution would be authorized to allow their logo to be affixed on license plates upon payment of a logo use royalty payment of at least \$25, but no more than \$100 for each license plate. The payment would be issued to Daughters of the American Revolution or the county treasurer. Annual royalty payments collected by county treasurers would be remitted to the State Treasurer and credited to the Segregated Royalty Fund.

The Department of Revenue estimates enactment of HB 2483 would increase its expenditures by \$3,180 in FY 2023 for administrative costs related to designing and manufacturing the new plate. The Department estimates the bill would increase revenues to the State Highway Fund by \$9,813 from a \$40 personalized plate fee, which assumes an initial issuance of 250 license plates, with \$39.25 to the State Highway Fund and \$0.75 to the county treasurer of registration. In addition, the Department estimates the bill would increase revenues to the Distinctive License Plate Fund from a \$5,000 nonrefundable fee required from the sponsor of a new distinctive license plate, which is used to defray the cost to develop the new plate. Any fiscal effect associated with HB 2483 is not reflected in *The FY 2023 Governor's Budget Report*.
