The Honorable John Barker, Chairperson  
House Committee on Federal and State Affairs  
Statehouse, Room 346-S  
Topeka, Kansas 66612

Dear Representative Barker:

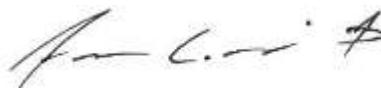

SUBJECT: Fiscal Note for HB 2611 by House Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2611 is respectfully submitted to your committee.

HB 2611 would authorize the delivery of alcoholic liquor by retail liquor stores, cereal malt beverage and beer containing not more than 6.0 percent alcohol by volume by cereal malt beverage retailers, by third party delivery services or independent contractors. The bill would provide guidelines for the issuance of delivery permits to retail liquor stores and permits would cost \$25 and would be valid for two years. The bill specifies that each delivery permit holder would be liable for any violation involving the sale and consumption of alcoholic liquor or cereal malt beverage that is committed by any individual conducting deliveries on behalf of the permit holder. The bill would authorize the Alcohol and Beverage Control Director to impose civil fines of not more than \$500 for violations involving deliveries. The bill would define "third party delivery service."

The Department of Revenue indicates HB 2611 would have a negligible fiscal effect on the Department. Any fiscal effect associated with HB 2611 is not reflected in *The FY 2023 Governor's Budget Report*.

Sincerely,

Adam Proffitt  
Director of the Budget
