The Honorable Adam Smith, Chairperson
House Committee on Taxation
Statehouse, Room 346-S
Topeka, Kansas 66612

Dear Representative Smith:

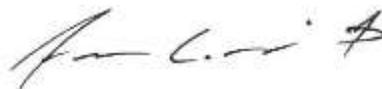

SUBJECT: Fiscal Note for HB 2682 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2682 is respectfully submitted to your committee.

HB 2682 would validate the election held in the city of Latham on November 2, 2021, that increased the countywide sales tax by 0.5 percent. The revenues from the tax would be used by the city of Latham to finance the adequate level of public services for the city. The notice of the elections was first published 20 days prior to the election, instead of the required 21 days prior to the election. The bill becomes effective upon its publication in the *Kansas Register*.

The Department of Revenue indicates HB 2682 would affect only local sales tax collections in the city of Latham and would have no fiscal effect on state revenues. The Department indicates that the administrative costs associated with implementing the provisions of the bill would be negligible and could be absorbed within existing resources.

Sincerely,

Adam Proffitt
Director of the Budget
