Background

A sunset provision for all exceptions to KORA was added in 2000, requiring a review of existing exceptions within five years and of any new exception or substantial amendment to an exception by July 1 of the fifth year after enactment. Absent such review, the exceptions would expire. The law also required any exceptions continued after legislative review to be reviewed again five years later; however, 2013 HB 2012 modified the requirement so that exceptions would no longer be subject to review and expiration if the Legislature reviews and continues the exception during the 2013 Session or thereafter.

The bill was introduced by the House Committee on Judiciary at the request of Representative Patton.

House Committee on Judiciary

In the House Committee hearing, a representative of the League of Kansas Municipalities provided **proponent** testimony, stating support for the continuation of provisions regarding affidavits or sworn testimony supporting probable cause requirements for warrants or summons and audio or video recordings made and retained by law enforcement using a body or vehicle camera. A representative of the Kansas Board of Emergency Medical Services (Board) also provided proponent testimony, stating support for provisions regarding patient records the Board receives through an investigative subpoena and limited release of information from a closed session by the Advisory Committee on Trauma and its regional councils.

No neutral or **opponent** testimony was provided.

On February 23, the House Committee recommended the bill be placed on the Consent Calendar.

Fiscal Information

According to the fiscal note prepared by the Division of the Budget on the bill, enactment of the bill would have no fiscal effect.
