

SESSION OF 2022

**SUPPLEMENTAL NOTE ON HOUSE CONCURRENT
RESOLUTION NO. 5032**

As Adopted by the House of Representatives

Brief*

HCR 5032 condemns the 2022 Russian invasion of Ukraine.

The resolution contains whereas clauses setting out legislative findings concerning the 2022 Russian invasion of Ukraine, including the need for Kansans to support the people of Ukraine in their national defense and right to sovereignty.

The resolution states that the Kansas Legislature stands in solidarity with the Ukrainian people and honors their commitment and resilience in fighting against Russia, and it urges the U.S. federal government, member states of the North Atlantic Treaty Organization, and all freedom-loving countries of the world to provide aid and support to the Ukrainian people in their struggle against Russian aggression.

The resolution requires the Secretary of State to send an enrolled copy of the resolution to the Ukrainian and Russian ambassadors to the United States, an enrolled copy to each member of the Kansas congressional delegation, and three enrolled copies to Representative Ryckman.

*Supplemental notes are prepared by the Legislative Research Department and do not express legislative intent. The supplemental note and fiscal note for this bill may be accessed on the Internet at <http://www.kslegislature.org>
