

SESSION OF 2021

SUPPLEMENTAL NOTE ON SENATE BILL NO. 55

As Recommended by Senate Committee on
Education

Brief*

SB 55 would clarify the authority of healing arts school clinics to provide healing arts services. The bill would allow schools statutorily exempted from State Board of Regents (Board) approval requirements to be exempted from the prohibition on the corporate practice of medicine. Current law requires that for a school clinic to be exempted from the prohibition on the corporate practice of medicine, the school must be approved by the Board.

The bill would also allow off-site clinics owned or operated by a school in partnership with other providers to engage in the practice of healing arts.

The bill would make technical amendments.
