

Journal of the House

FIFTY-SIXTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Tuesday, April 4, 2023, 10:00 a.m.

The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 122 members present.

Reps. Poetter Parshall, L. Ruiz and Seiwert were excused on excused absence by the Speaker.

Prayer by guest chaplain, Rev. Quantae Robinson, Christian Liberty Baptist Fellowship, Topeka.

Our Heavenly Father,

We thank you for this day and this time

We thank you for all that you've done and all that you're
doing for our Families, our communities, and our Nation
Father, today I ask that we never take for granted the land in
which you've made just for us Father,
let us never forget the beauty of this land,
the diversity of this land,
and the freedom of this land.

Today, our leaders come together for another day of session
and as this session continues there will be many essential
topics being introduced into their discussions.

Many of these topics may seek to pull us apart but with
your grace, the very opposite action is possible.

Today, is a great day for us to not only speak but listen
Today, is a joyous day not only for pushing forth our own
agendas but be willing to see how
we can help others push forth their own.

Today, is a prodigious day not only for respectful
acknowledgment of differences but for looking out the
window of similarity and seeing
recognizable opportunities for hope.

The word says "Now we ask you, brothers and sisters, to
acknowledge those who work hard among you, who care
for you in the Lord and who admonish you.

Hold them in the highest regard in love because of their
work. Live in peace with each other. And we urge you,
brothers and sisters, warn those who are idle and disruptive,

encourage the disheartened, help the weak,
be patient with everyone.

Make sure that nobody pays back wrong for wrong, but
always strive to do what is good for each other and for
everyone else. Rejoice always, pray continually, give thanks
in all circumstances; for this is God's will
for you in Christ Jesus.

Do not quench the Spirit. Do not treat prophecies with
contempt but test them all; hold on to what is good,
reject every kind of evil.

May God himself, the God of peace, sanctify you through
and through. May your whole spirit, soul and body be kept
blameless at the coming of our Lord Jesus Christ. The one
who calls you is faithful, and he will do it. Brothers and
sisters, pray for us. Greet all God's people with a holy kiss.
I charge you before the Lord to have this letter read to all
the brothers and sisters.

The grace of our Lord Jesus Christ be with you."

Today, we need your grace dear Lord.

In Jesus's Name I pray, Amen.

(1 Thessalonians 5:12-28 NIV)

The Pledge of Allegiance was led by Rep. Turner.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Fairchild are spread upon the Journal:

Today, I would like to recognize the Macksville Mustangs boys' basketball team for winning the Division 1 1A state basketball championship. The Macksville boys' basketball team had a great year from the very beginning of the season, winning the Larned Keady Classic in December. They were runner-up to Wichita Independent in the St. John Midwinter Tournament in January. They were the #1 seed in the Little River substate, which they won by beating Central Plains in the semifinals and Little River in the championship. They were the #2 seed in the state tournament, which they won by defeating LaCrosse in the first round, South Gray in the semifinals, and Wichita Classical in the finals. They finished the year with a 24-2 record.

With me today are the following state champions:

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Osman are spread upon the Journal:

Basketball has been the pride and joy of Kansas for well over a century now. From its humble creation origins by James Naismith 132 years ago in a YMCA, it has grown and blossomed into what you see behind me.

No, these gentlemen aren't from the University of Kansas. We won't discuss up here what happened in the NCAA bracket. They aren't even from Kansas State. No, we're talking the true Kansas champions. Blue Valley Northwest.

This year, they went 21-4 for the regular season. They were 5-0 in their district. Coming into the state tournament, they were ranked #3. They beat the #2 and the #1 seeded teams and on March 11 they were crowned the 2023 6A Kansas Basketball Champions. This is their sixth state title since 2013 and the first (so far) under head coach Aaron Ihm.

So we want to honor these coaches and players for their hard work, dedication, and perseverance. They are up here on the podium with me and in the gallery above.

Rep. Osman introduced the following coaches and players:

- Aaron Ihm, head coach
- Ryan Freivogel, coach
- Grant Stubblefield
- Landon Braun
- Aidan Behymer
- Will Rauter
- Dominic Matteoni
- Andryko Bondar
- Joey Matteoni
- Gavin Hoffman
- DJ Jones, coach
- Jake Fritz
- Jaxon Klein
- Trey Ridley
- Colin Matile
- Chase Martin
- Trevor Garlington
- Andrew Babalola

Rep. Osman presented the team with a framed House certificate honoring their achievements and congratulate you all for being the 2023 Kansas high school 6A state champions.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Roth are spread upon the Journal:

We are here today to congratulate and celebrate the Kansas Department of Wildlife and Parks, Kansas Hunter's Education program for 50 years of serving the need for Kansans to receive high quality education regarding hunting in Kansas. I am joined by Rep. W. Carpenter, Rep. Corbet, and Rep Blex.

With us today from the Kansas Department of Wildlife and Parks, Kansas Hunters Education program are Mr. Brad Loveless, Secretary Kansas Dept of Wildlife & Parks; Mr. Kent Barrett, Director; Lyndzee Rhine, Assistant Coordinator; Aaron Austin Education Section Chief; Tanna Wagner KDWP Outdoor Skills & Recruitment Coordinator; Stuart Schrag, KDWP Interim Assistant Secretary of Operations; Stacy Hageman, Sr. Administrative Specialist who makes Hunters Education a smooth operation; and Rose Corby, KHEIA Secretary.

A little History: On July 31, 1972, a letter was drafted by Richard D. Wettersten, Director of the Kansas Forestry, Fish and Game Commission to certified National Rifle Association (NRA) Hunter Safety Instructors inviting them to join forces with the state to provide hunter safety training to the citizens of Kansas. There were approximately 300 certified NRA instructors in Kansas and it became obvious that there would need to be an expansion of volunteers to meet the needs of certifying the approximately 25,000 students expected to be trained in 1973 alone.

On March 1, 1973, another letter was drafted by Director Wettersten, to all "sportsmen, affiliated clubs and instructors in Kansas" announcing that Kansas would be joining with the NRA in administering a statewide firearm's training program and asking for volunteers to be involved in the program and provide valuable service to the youth of Kansas and the sport of hunting. This mandatory program was established by the 1972 Kansas Legislature and was officially designated the Kansas Hunter Safety Program. One stated long-range objective of this new program was to reduce hunting accidents across the state and nation. I received my Hunters Education Certificate August 24, 1973.

Over this fifty-year span of time, volunteer Kansas Hunter Education instructors have certified over 595,000 students. The number of instructors who have been a part of this organization has now exceeded 20,000 in 2023. The number of hunting incidents has gone from the 1969 totals of fifty (50) total incidents with seven (7) fatalities prior to the start of the Kansas Hunter Education Program to our lowest totals in 2018 of four (4) total incidents and zero (0) fatalities. The number of incidents has consistently gone down, as the results of hunter education instruction have been demonstrated to be effective. The Kansas Hunters Education Administration team, and the volunteer Kansas Hunters Education instructors have saved the lives of countless Kansans!

So please join me today in Congratulating and celebrating Mr. Brad Loveless and Mr. Kent Barrett and their staff, on a job well done, saving lives, and to encourage the Kansas Hunter Education program to continue on educating Kansas Sportspersons!

Rep. Roth presented his guests with a framed House certificate in recognition of their 50th anniversary.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Ellis are spread upon the Journal:

Good morning. Today I have the great honor to recognize two young adults from the Oskaloosa High School wrestling team. They are with us today to receive awards for achievement in the State Wrestling Tournament: Senior, Allison King and Sophomore, Holly Thacher and their coach, Chris King.

Both athletes participated in the 2022 State Wrestling Tournament, and both brought home first place wins in their respective weight classes.

This year, they returned to the State Tournament and, again, won first place in their weight classes. I want to emphasize, Allison and Holly achieved back-to-back state wrestling titles in Salina in both 2022 and 2023 along with their coach, Chris King, who is the father of Allison King.

I taught at Oskaloosa for 37 years and could not remember the last state champion. These young ladies are the first state champions in many years.

These athletes are great examples of dedication, commitment, and hard work. They have made their parents, their school and the county proud.

At this time, I present Allison King and Holly Thacher their Outstanding Achievement in State Wrestling Competition awards together with their coach, Chris King.

Rep. Ellis presented his guests with a framed House certificate in recognition of their achievements.

EXPLANATION OF VOTE

MR. SPEAKER: I vote No on **Senate Substitute for House Bill 2053**.

We are told the Secretary of State intends to reduce the number of polling places in Sedgewick County to reduce the cost of a presidential preference primary. Changing

polling place locations between elections sows the seeds of voter confusion and suppresses voter turnout at future elections. This is too high a price to pay for a primary which only benefits the major political parties.

I therefore vote No on **Senate Substitute for House Bill 2053**. – JOHN CARMICHAEL
