

Journal of the Senate

FIFTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, March 25, 2024, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.

The roll was called with 40 senators present.

The Vice President introduced L. D. Holmes to deliver the invocation:

Dear Father, we would ask You to come and sit beside us today as we discuss the business of our State. Your Word directs our minds and spirits to "Acquire Wisdom! Acquire understanding! Do not forsake her and she will guard you. Love her and she will watch over you."

Help us to turn off any negative thoughts or ideas which are not filtered through Your wisdom. You are the One who can help us to get understanding about what we hear and believe to know. If today You would want to impart new truth and understanding into our minds and spirits, we will do our best to listen and even possibly embrace.

We pray for Your protection and insight as we seek to find truth in the midst of often confusing and opposing ideas. Help us to see the big picture and not get caught up in the minutia of the moment.

We pray for the less fortunate, who are needing to be seen and acknowledged. They often live in a chaos they understand, yet do not see a pathway forward. Lighten their way I pray.

Bless our families who add so much purpose and value to our lives. We pray for our Nation and its leaders. Might wisdom and understanding walk with them as they make decisions which influences our very life. I pray these things in Jesus' Name.

The Pledge of Allegiance was led by Vice President Wilborn.

"Section 1. K.S.A. 2023 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which

such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(vi) Any amount of designated employee contributions picked up by an employer pursuant to K.S.A. 12-5005, 20-2603, 74-4919 and 74-4965, and amendments thereto.

(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,204, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xv) or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

(xiii) The amount of any expenditures claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,217 through 79-32,220 or 79-32,222, and amendments thereto.
