§ 8: Organization and sessions. The legislature shall meet in regular session annually commencing on the second Monday in January, and all sessions shall be held at the state capital. The duration of regular sessions held in even-numbered years shall not exceed ninety calendar days. Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. Such statements shall be made either immediately before or immediately after the vote is called but before the result is announced. The question on excusing any Senator from voting shall be taken without debate and a majority of those voting shall be necessary to excuse the Senator. (b) A request for division of question shall be in writing specifying the manner in which the question is to be divided.

(c) The rejection of a motion to strike out and insert one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

Rule 28. Reconsideration of Pending Matters. When a question has been once put and decided it shall be in order for any Senator who voted with the prevailing side to move for a reconsideration thereof, but no motion for reconsideration of any vote shall be in order after the bill, resolution, message, report, amendment or motion, upon which the vote was taken, shall have gone out of the possession of the Senate, nor shall any motion for reconsideration be in order unless made on the same day on which the vote was taken or the next legislative day. No question shall be reconsidered more than once.

Rule 29. Previous Questions. Ten Senators shall have the right to move the previous question on any bill, resolution, message, report, amendment, or motion. If no amendment is pending the previous question shall be as follows: "Shall the main question be now put?" If the previous question is decided in the affirmative by a majority vote of those present, the main question shall be put without further amendment or debate. If amendments are pending a motion for the previous question shall concern only the last amendment that is pending on which, if the previous question is adopted, the debate will be closed only upon such amendment. All bills making an appropriation shall be referred to the Committee on Ways and Means. Each bill or resolution appearing on the Consent Calendar shall remain thereon for at least two full legislative days before being considered under the order of business Final Action. At any time prior to the call for the vote under the order of business Final Action on a bill or resolution on the Consent Calendar, any member may object to the same as being controversial and the same shall be stricken from the Consent Calendar and take its place on General Orders in the usual order. If no such objection is made prior to the call for such vote on the bill or resolution, it shall be voted upon with other bills and resolutions under the order of business Final Action but before consideration of other bills or resolutions appearing on the calendar under such order of business.

Rule 34. Final Action on Bills and Concurrent Resolutions. On final action on any bill or concurrent resolution, the reading clerk shall read the title, except citations to statutes amended or repealed. If the bill is reported for final action without debate, the question shall be at once put: "Shall the bill pass?" No debate shall be allowed, and no motion shall be in order except the motion for a call of the Senate, unless in case where a bill has been ordered to be placed on final action subject to amendment, or to amendment and debate or unless by the unanimous consent of the Senate, amendments may be made and considered. Like procedure shall apply to concurrent resolutions except that the question put shall be: "Shall the resolution be adopted?" On final action, bills and resolutions may be bulked together for roll call unless objection be made by any Senator.

Rule 35. Final Passage by Yeas and Nays. The question upon the final passage of a bill and every concurrent resolution for amendment of the constitution of Kansas or ratification of an amendment to the Constitution of the United States shall be taken by a roll call vote of the yeas and nays, which shall be entered on the Journal, and unless the bill or concurrent resolution receives the number of votes required by the constitution to pass it, it shall be declared lost, except in cases provided for in Rule 36 (relating to the absence of a quorum).

If the committee report is not adopted, the bill or resolution, without committee amendments, shall be considered section by section, and as each section is considered amendments from the floor are in order to that section. After a section has been considered, no amendment thereto shall be in order until the whole bill or resolution has been read through. After the original bill or resolution, together with standing committee amendments, has been considered section by section the chairperson shall announce "Amendments to the bill (or resolution) generally are in order," and amendments not before offered may be made to any part of the bill or resolution. A motion to amend the bill or resolution shall not be in order while a motion to strike the enacting clause or resolving clause is pending.

Rule 43. Amendments. (1) Amendments to bills shall be germane to the subject of the bill being amended, and the fact that an amendment is to a section in the same chapter of the Kansas Statutes Annotated as an existing section in the bill shall not automatically render the amendment germane. Amendments to concurrent resolutions for amendments of the constitution of Kansas or ratification of an amendment to the Constitution of the United States shall be germane to the subject of the resolution being amended.

(2) All amendments to bills or resolutions shall be submitted in writing on a form provided by the Senate or on a form substantially similar. A motion that the Committee of the Whole shall rise and report progress on any bill shall always be in order and shall be decided without debate, and the matter being considered shall be the first order of business at the next session of the committee, subject to such postponement as the subsequent Committee of the Whole may determine. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) *Amendment, suspension or revocation of joint rules; previous notice; vote required.* After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of 2/3 of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) *Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions.* Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president; and (2) either: (a) A copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence; or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint Rule 2. Joint sessions.

(a) *Joint session called by concurrent resolution; vote required; time, place and subject matter.* A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) *Presiding officer at joint sessions; record of joint session; rules applicable.* The

speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) *Votes in joint session; taking; requirements.* All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

Joint Rule 3. Conference committee procedure.

(a) *Action by house of origin of bill or concurrent resolution amended by other house.* When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) *Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur.* The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) *Motion to nonconcur; when considered final action; effect of adoption of motion.* A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) *House of origin refusal to concur or nonconcur; request for conference; procedure.* When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur

Rules 26

therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) *Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee.* Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not fewer than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) *Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business.* Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation.

Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision.

A conference committee report shall not be subject to amendment.

The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to

accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of 2/3 of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) *Signatures required on conference committee reports.* All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) *Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report.* The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) *Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee.* If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

Rules 28

(j) *Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year.* Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, January 9, 2023, 2:00 p.m.

In accordance with the provisions of the Constitution of the State of Kansas and by the virtue of his office as President of the Senate, Senator Ty Masterson declared the 2023 Senate to be in session.

President Masterson welcomed Reverend Cecil T. Washington, Jr., who will again serve as the Senate Chaplain. Reverend Washington delivered the following invocation:

Invocation by Reverend Cecil T. Washington:

“The Wind Power To Elevate”

Heavenly Father, You are Lord of Heaven and Earth. There is no power or authority that is greater. All of it actually comes from You. Therefore, as we tackle this new year and take on new responsibilities, our need and our desire is to be in harmony with You. For if we're not in harmony with You, we're in trouble.

For this new beginning to be followed by a good middle and result in a good ending, we need You, Lord, to infuse us with Godly convictions and the courage to stand for them. That's why You tell us in Proverbs 14:34 that Godliness elevates us, while unGodliness brings us down.

Like a kite has to fully depend on the wind, when moving to a higher position, Lord, we must rely on the Holy Wind; the Breath of Your Holy Spirit. For Lord, if You don't lift us and sustain us, we will surely fall.

So Lord, the prayer at the beginning of this season, is that from start to finish, throughout every session; throughout every meeting and everything we do, a great movement of Your Lordship will prevail.

I pray this in the precious Name of Jesus. Amen!

The Pledge of Allegiance was led by President Masterson.

Journal of the Senate

THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, January 11, 2023, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.
Invocation by Doug Henkle.

Heavenly Father, I pray you bless each senator today and throughout this legislative session with Your wisdom and Your insight as they debate the issues before them.

I lift up President Masterson, Vice President Wilborn, Majority Leader Alley and Minority Leader Sykes to You. Give them Your direction as they lead this chamber. I pray for unity and friendly relations within this body as the issues of the day are debated and resolved and that each would expect the best from one another.

I pray for our Governor as she suffers from Covid. Heal her, Father. I pray that You would give her Godly wisdom and that she would follow Your direction as she leads the executive branch of our state's government.

Lord, people are often unreasonable, irrational and self-centered. I pray that we would forgive them anyway. If we're kind, people may accuse us of having selfish, ulterior motives. Cause us to be kind anyway. As we're honest and sincere, people may doubt us. I pray we would be honest and sincere anyway. As we find serenity and joy, some may be jealous. Give us Your joy anyway. Lord, the good we do today may soon be forgotten. I pray we would be about doing good anyway.

Oftentimes, we tend to allow others and our concern for their response to cause us to miss the mark. Jesus, I thank You that You can be our standard. That You can be the mark toward which we strive.

Father, I pray that at the end of the day the deliberations in the Kansas Senate would lead to sound decisions that would honor You and bless all Kansans. In Jesus' Name, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

The Pledge of Allegiance was led by President Masterson.

POINT OF PERSONAL PRIVILEGE

Senator Haley rose on a Point of Personal Privilege to deliver the following remarks: Twenty-nine years ago this week, as a freshman member of the Kansas House of Representatives, I was first privileged to evoke this annual plea and exhortation that we, members of the Kansas Legislature, truly witness and support the federal and state holiday recognizing the birth, and lifetime advocacies, of the Reverend Doctor Martin Luther King, Jr. I was nervous that day (my first public address as an elected legislator, you know) but I was emboldened by the preceding commentary on the biography of Dr. King brought by my new colleague who was greatly respected in the Chamber, the

Honorable Mike Farmer of Wichita. Now Mike, the Chair of the House Republican Campaign Committee among other things, and I didn't see eye-to-eye on too many issues at all! To say the least, he was hard core ultra conservative way before ultra-conservatism was cool!. But we were of one united spirit on this belief and remained committed until his untimely passing, from leukemia, in 2007. And we would offer this solid appeal together annually until I left to join the Senate in 2000. (Distributed our last House Journal from January 14,1999.) May God continue to bless your memory, Representative Mike Farmer of Kansas. Full disclosure, my father George W. Haley, who, as the first Black Kansan elected to the Kansas Senate and served in this Chamber in the socially-turbulent 1960's, I ever strove to emulate, was a classmate and friend to Martin Luther King Jr as I would be to his son, Martin Luther King III at our alma mater Morehouse College in Atlanta, Georgia. My father, Senator George Haley, and Marty's father, Dr. Martin Luther King resonated with the spirit of unity and brotherhood for all people in this America. Dad, though an attorney also, often said in his various remarks, something like: "The brotherhood of humankind presupposes that all of us should live together in this world in peace and in tranquility of purpose with one another. For how can any of us claim to love God, whom we have not seen, but hate our neighbor whom we have seen?" Too often, so often, in our country the true meaning of a holiday is lost; the Spirit of a celebration succumbs to being just another day "off" from work or school or other daily routine. Indeed, with perhaps the exception of our Independence Day (July the 4th) many holidays have taken on a new, non-related meaning such as how many gifts are exchanged or how much one can eat or nothing to do with the original Spirit. Today, I join various resolutions and echo passages of prayers from throughout the ages imploring us all to "have a more loving and compassionate society, with less hate and prejudice" and focus on what Dr. King said "Human progress is neither automatic nor inevitable. And every step towards the goal of justice requires sacrifice, suffering and struggle. It calls for the tireless, passionate concern of dedicated individuals." Indeed, the moral arc of the Universe bends towards Justice. And I submit, gentle colleagues, that Justice in a truly great, diverse State must somehow encompass inclusion and, ultimately, acceptance. So, Mister President; so elected member leaders ... members of the Kansas Senate, all, today once again I implore each of US, not just as pillars from within our individual Senate districts but uniting all within our Kansas communities to use the true meaning of this holiday as not just a day "off" but a day to live out the true meaning of an inspirational and decidedly unique American Holiday. As I have urged so often before from this seat of the MLK Holiday, often to unhearing ears or too hardened, non-receptive hearts, this concept, this often diminishing but societally civil reality, this tapestry of a strong, diverse Country is not the sole province of my political party or of yours. This celebration, this Spirit doesn't belong to my religion or to your religion, to my community or to yours. It isn't creed, or racial or economically based. No, Mister President. The Martin Luther King, Jr. Holiday belongs to us ALL. To the beauty of the "stir-fry" blend when combined produces our unique (though yet still somewhat dysfunctional, like any, family), AMERICAN culture! Please have a safe, reverent and evocative, King Holiday.

Journal of the Senate

SEVENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, January 18, 2023, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 36 senators present.
Senators Claeys, Gossage and Holland were excused.
Invocation by Reverend Cecil T. Washington:

Love's Challenge: Same Battle, Same Bullets, Same Mud, Same Blood
Acts 17:26-31; 1 Corinthians 1:11

Heavenly Father, in challenging us with the need to love one another, You gave us the example of Dr. M. L. King, Jr.; that love for our neighbor is central to unity and peaceful coexistence. So, help us Lord, to overcome the challenge of love, having to love folk that are different; different in how we think, how we look and how we act. And sometimes, even those that are closest to us are a challenge to love.

But Lord, according to Acts 17:26-27, beginning with Adam, You made all of us different, yet all with the same need; to follow after You. So, Lord, help us in sustaining the battle, to overcome the pride of divisiveness, that we may lovingly unite under Your rule-ship.

Lord, let the spirit of this allegory register with each of us. In the military there was a squad of eight soldiers and like us, they were different; different in cultures, ethnic ties, religions and philosophies. But similarly, for the cause of freedom, they were in the thick of battle.

When the war ended, as different as they were, they were bosom friends for the rest of their lives. The story questions, how could folks so unlike each other, get to be so close? It was revealed that their focus was more on the fight that connected them than things dividing them.

They said, as we should say, "we're fighting the *Same Battles*, dodging the *Same Bullets*, crawling through the *Same Mud* and spilling the *Same Blood*."

So, Lord, bless us with the heart of Apostle Paul. In 1 Corinthians 11:1, he said follow his example, as he followed the example of Christ, the epitome of sacrificial love. I pray this prayer in His Name. Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, January 19, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 37 senators present.
Senators Gossage and Holland were excused.
Invocation by Reverend Cecil T. Washington:

Building Wisely vs Building Foolishly
Luke 6:46-49; Proverbs 3:5-7; Ephesians 2:20

Gracious Lord, in Luke 6:46-49, You raise this thought-provoking question. Why do people call out to You Lord, but then don't do what You say? You then give us a vision of the consequences.

When we *COME* to You, *LISTEN* to Your teaching and *FOLLOW*, it's like having a house that stands firm and strong against destructive forces because it's well built and positioned on solid rock. Lord, as our Master Architect and Building Consultant, You have given us, in Your Holy Word, the specifics to follow, as we formulate plans and move to carry them out.

In Proverbs 3:5-7, You promise to direct and guide us if we trust YOU instead of our own way of thinking and processing things. But when plans fail and what we're trying to build crumbles, I can hear You say, like my Grandmother used to say, "You didn't do what I told you to do!" And like the old cell phone commercial, "Can you hear Me now?"

Lord, we don't want our works to be shaky or unstable, but solid enough to stand in mighty ways. Down through generations, Your Word has been the consultant for success. Thank You for *NOT* leaving us to our frail human strategies.

Lord, I'm coming to You in the Name of Him, Who according to Ephesians 2:20, is the Master Bedrock for us to build upon. Amen!

The Pledge of Allegiance was led by President Masterson.

On motion of Senator Alley, the Senate recessed until the sound of the gavel.

The Senate met pursuant to recess with President Masterson in the chair.

Journal of the Senate

TENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, January 23, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
Invocation by Reverend Cecil T. Washington:

Lord, We Need You To Talk Us!
Isaiah 5:6:1-9

Lord, we need You to talk to us! Too often we're just talking to ourselves searching for answers. But not even knowing what the questions are, we need You to talk to us, that we might have the wisdom to address the issues of today.

We need You to give us those Isaiah moments. Beginning in Isaiah 5:8, You declared distress and misery upon Your people because they ignored Your Words. And in vs. 20, like it is today, they had it so twisted, that things You call evil they were calling good, and things You call good they were calling evil.

What they needed and what You gave Isaiah, in 6:1-9, was that moment of clarity. You opened his eyes, his ears and his mouth. He saw how wasted and ruined he was. His ears were opened to hear from You, and You opened his mouth to speak for You. When he surrendered saying, "Here I am, send me," he was ready for You to use him. And, You used him as a major spokesman in the Old Testament.

So, Lord, bring us to the level of humility, where our eyes will see clearly and not cloudy, our ears will hear Your voice above all the others and our mouths will be Yours. Use us to speak Your Truths.

I present this prayer in the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by President Masterson.

Father God, thank You for Your calling on the lives of each senator in this chamber today and for Your overwhelming love for each one here. The Senate was called to order by Vice President Rick Wilborn
The roll was called with 36 senators present.

Invocation by Sister Diane Steele, SCL, Ph.D., President, University of Saint Mary:

Gracious and Loving God, thank You for these generous men and women who serve the people of the great state of Kansas. Grant them wisdom in their deliberations, insight in the problem solving, peace in the midst of tension and, mostly, oh God, bless them with the ability to listen to Your presence in each other and to treat all with great respect. For their job is difficult and finding common ground that serves the people is not easy. Bless them with a deep sense of the common good and resolve to tackle challenges together for Your people.

And as we celebrate education this week, we give thanks for all who dedicate their lives to the noble task of educating and shaping our young, our greatest treasure. For those who unlock the mystery of reading, for those who guide the young in the wonder and adventure of learning, may we honor them and reward them for the important work they do.

Grant us humility as we remember that we are all still students in the school of life. Grant us grateful hearts this day and always. Amen!

Journal of the Senate

THIRTEENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, January 26, 2023, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 37 senators present.
Senators Longbine, O'Shea and Pyle were excused.
Invocation by Reverend Cecil T. Washington:

Light For The World's Darkness!
Genesis 1:14-18, Acts 26:17-18, John 8:12

Heavenly Father, in the first chapter of Genesis there was darkness and You provided the sun, a light for the day. And then a secondary light, the moon, for the darkness of night. You chose that we should not live in the dark. Learning that the moon had no light of its own but reflected the light it received from the sun proved to be a parallel.

For, in reality, none of us in these halls has our own light-generating power. For without You, like the moon without the sun, we could do nothing. The only thing we can do, and we even need You to do it, is to serve in a position that You have empowered and You have sanctioned.

Lord, in Acts 26:17-18, You positioned and commissioned Your messenger, Paul, telling him to open people's eyes so they can turn from darkness to light. And Lord, in a lesser way, we have been positioned and commissioned. You have charged us to be light conveyors, receiving light from You that it may be reflected into the lives of the people we care about. Where there may be an absence of light, where things might be a little cloudy, shine the light of Your wisdom upon us that we may reflect it to others.

Let it be said, that the folks over here are lit. We want to be brilliant reflections of the light You give. And Lord, I offer this prayer, in the Name of Jesus, who in John 8:12, was declared to be "The Light of the World." Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

Success and Prosperity: God's Promise!
Joshua 1:6-9

Heavenly Father, we're thanking You for one more day, one that had not been promised to us as we have taken on some significant, sometimes daunting duties.

Lord, keep us mindful of the same promise You gave Joshua when You handed him those daunting responsibilities of leadership. In Joshua 1:6-9, You said don't deviate from the principles of Your Word. You give us a command and You accompanied it with a promise.

If we are careful to study and learn the instructions found in Your Book. And if we're faithful to obey them, You promise that we will have Godly prosperity and be successful in all that we do. Conversely Lord, it's been clearly seen, that ignorance of, or rejection of Your Word leads to defeat.

So Lord, by Your Holy Spirit, that we might prosper and be successful in *all* that we undertake, not only in these halls but in our homes and communities, confront us, convict us, convince us and convert us.

To the praise of Who You are and to esteem Your precious promises, I come before You in the Name of Jesus, Amen!

Invocation by Reverend Cecil T. Washington:

A Day: Not To Spend; To Invest and Trust
Prov. 27:1, James 4:13-15

Once again Lord, heads are bowed in humility. You've blessed us with another day, a day that had not been promised to us. So help us, as Your Word says in Proverbs 27:1, to not take it for granted.

You've blessed us with another day, not to spend it and see it gone. But to invest in it and see returns that are Godly.

You've given us another day, a day to be grateful for another day. As we interact with one another, as we share this space, as we share the gifts that come from You, it's another day to try and be like You. A day to let everything we say or do spring from a warm place of love and compassion, from hearts marinated in love.

Lord, as Your Word reiterates in James 4:13-15, none of these days are we to take for granted. For this day, tomorrow and all our days are in Your hands.

You've just given us another day to trust You, another day for our faith to be tested, another day to praise Your Holy name. When this day is done, help us to look back on it as one that would truly prove profitable. I pray in the precious name of Jesus. Amen

The Pledge of Allegiance was led by Vice President Wilborn.

EXPLANATION OF VOTE

I am so proud to join a seemingly unanimous vote in favor of developing and approving plans for a permanent mural in our Kansas State Capitol honoring the 1st Kansas (Colored) Voluntary Infantry. This decorated regiment brought honor to Kansas for the heroic service of its' all African-American legion on and off the fields of combat.

It is only just and most fitting that this legislation, first adopted in this Chamber at the advocacies of the late distinguished Senators U.L. “Rip” Gooch (SG) and Sherman Jones (WY) and in the House by members such as myself and several others in 2000, after being ignored and shelved (due, allegedly, to waiting until after the then planned Capitol restoration was completed) is being revived and now passed during Black History Month in Kansas. Let us look forward soon to the actual unveiling of an eternal mural in this grand building remembering a distinguished battalion in which we should ALL, as Kansans, take pride.—DAVID HALEY

TWENTY-SIXTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, February 14, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.

The roll was called with 39 senators present.

Senator Claeys was excused.

President Masterson introduced guest chaplain, Reverend Shirley D. Heermance, Pastor of Historic St. Mark's AME Church in Topeka, Kansas who delivered the following invocation:

Dear Heavenly Father, Creator and Sustainer of all: As I stand now I've come to lift before You this house occupied by the men and women who serve as the Kansas State Senate Legislators. I pray as they prepare to move through the functions of this day that you will grant to each the power to perform with purpose toward fulfilling the objectives that are aimed for the betterment of all Kansans.

As they move through the course of this day, set aside to contemplate and to express love, let the objectives of their work be motivated by it. Let the deliberations, the debates and the decisions be determined by their devotion to the American creed of liberty and justice for all. As they serve this great State, through differing diplomatic coalitions, make one their alliance around the things that impact the citizens of Kansas in ways that will benefit the masses. Especially at this time when love in action is needed for so many, not just in Kansas but everywhere, fill their hearts and fuel their minds to establish goodwill as individuals and as a body.

As we exit in the middle of what we have come to know as Black History Month, and as we celebrate those who have gone before us...people of African decent who have made major contributions throughout our state, country and our world for the betterment of all people. I pray that to You O God for those who sat in this chamber to fashion the future. I pray that You will empower them and give to each the kind of wisdom to perform in ways that You will say "well done."

Bless now this house O God and the work this day will bring to fruition. I pray in the precious name of Jesus. Amen

The Pledge of Allegiance was led by President Masterson.

By Senators Straub, Claeys, Doll, Gossage, Kloos, Peck, Pittman, Pyle, Steffen and Thompson

A PROPOSITION to amend section 2 of article 2 of the constitution of the state of Kansas; providing for consecutive term limits for senators and representatives.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 2 of article 2 of the constitution of the state of Kansas is hereby amended to read as follows:

Representatives and senators shall be elected from single-member districts prescribed by law. Representatives shall be elected for ~~two-year~~ *two-year* terms. Senators shall be elected for ~~four-year~~ *four-year* terms. The terms of representatives and senators shall commence on the second Monday of January of the year following election.

(b) (1) *From and after January 13, 2025, no individual shall be elected as a representative for more than four consecutive two-year terms.*

(2) *From and after January 13, 2025, no individual shall be elected as a senator for more than two consecutive four-year terms.*

Journal of the Senate

TWENTY-SEVENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, February 15, 2023, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 39 senators present.
Senator Claeys was excused.
Invocation by Reverend Cecil T. Washington:

The Incurable “I” Problem
Proverbs 16:18-20, James 4:6, Matthew

Heavenly Father, there’s an “I” problem that You have not allowed the doctors to fix. It’s a problem that cannot be fixed or improved upon, or cured. It’s an “I” problem that looks to infect all of us. Yet, we can get rid of it. And it can be avoided.

Lord, You’ve clearly told us in Your Word, it’s the problem of “I” deserve better, “I” should be recognized, “I” can and “I” will, if “I” want to. Lord, You said in Proverbs 16:18-20, that *PRIDE*, the “I” problem precedes a downfall.

I recall the days when my marriage relationship seemed unfixable. And Lord, You told me to me to stop looking at the difficulties I was having with my wife and begin looking at the difficulties You were having with me. You humbled me, which per Your Word in James 4:6 is the key to receiving Your grace; Your desire and power from You to achieve success.

In Matthew 7:3-5, You ask a most thought provoking question. “Why do we look at the problematic speck in the eyes of others, while ignoring the appalling log in our own eye? As our Divine Ophthalmologist, only when we humble ourselves and submit to You, can the “I” problem of pride be overcome.

Only then can we sing like Johnny Nash, I can see clearly now the *Rain* is gone. In Jesus' Name, I pray. Amen

The Pledge of Allegiance was led by Vice President Wilborn.

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 14 of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

"§ 3. Initiative and referendum powers. (a) (1) The people reserve the power to propose and enact or reject amendments to this constitution by initiative, independent of the legislature.

submitted as to enable the electors to vote separately on each proposed amendment.

(c) (1) The people reserve the power to approve or reject by referendum any bill enacted by the legislature, except as otherwise provided in this subsection.

(2) A referendum on a bill, or any part thereof, may be ordered by a petition signed by not less than 5% of the qualified electors who voted in the last preceding gubernatorial election in each of two of the congressional districts in the state.

But no such measure shall be placed on the ballot at a third consecutive regular general election unless a petition has been submitted in accordance with this section.

A referendum petition would not be allowed on any part of a bill necessary for the immediate preservation of the public peace, health or safety or any part of a bill making or repealing any appropriation.

"A vote for the Kansas Citizen Involvement Amendment would reserve to the people the power to propose and enact or reject laws and amendments to the constitution of the state of Kansas by initiative, independent of the legislature, and the power to approve or reject by referendum any bill enacted by the legislature.

"A vote against the Kansas Citizen Involvement Amendment would not make any changes to the constitution and would not reserve the powers of initiative and referendum to the people."

Journal of the Senate

TWENTY-EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, February 16, 2023, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 39 senators present.
Senator Claeys was excused.
Invocation by Reverend Cecil T. Washington:

To Whom Do You Answer?
Galatians 6:3-9, 2 Corinthians 5:10

Lord, God of Heaven and earth, You've blessed all of us with responsible positions. Keep us mindful that it was You that did it; that the people we serve might think that they put us here to serve them. But it was Your Divine Hand that turned the wheels of fate for us to be here; to be here as conduits, conveying Your blessings to Your people. You did that!

Keep us mindful that the people we serve are not our people. But they belong to You. And we must first be answerable to You and secondarily to Your people. And You hold us accountable, accountable for our attitudes and our motives, accountable for our actions. And please keep us mindful of the resulting returns.

In Galatians 6:7-9, You tell us to not be deceived; that we will reap what we sow. If, in our serving, we are planting faulty, defective seeds, what we will get, is a faulty, defective crop. In 2 Corinthians 5:10, You say that each and every one of us must stand before You one day to give an accounting of all that we've done right and all we've done wrong; that You are looking and booking; maintaining a record for the day we have to face You.

So, Lord, encourage us not to get tired or grow weary of doing what You determine to be right. And when the people we serve praise us or rebuke us, remind them that none of us is perfect. But with Your help, we are trying to get there. Once again, in Jesus' Name and in grateful service, I come to You in prayer, Amen.

The Pledge of Allegiance was led by Vice President Wilborn.

I vote "YES" on the amendment to **SB 116** that would prohibit any person providing instruction or training as part of a firearm safety education program offered by a school district from possessing any firearm while conducting such instruction or training in a school building. THIRTIETH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, February 20, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 36 senators present.
Senators Holland, Longbine, Pyle and Ware were excused.
Invocation by Reverend Cecil T. Washington:

To The King of Kings and Lord of Lords
On This President's Day
Psalm 136:3, Hebrews 13:5

Heavenly Father, today has been designated as President's Day. A day set aside to recognize and honor those who have served this great republic in the highest office, that of President of the United States. We're thankful for those who have sacrificed to serve, some for four years, some for 8, some whose lives of service were cut short.

But our greatest recognition and honor should be to You. Your devotion as our Leader, is not limited to a 4 or 8 year term. That's why the Psalmist said in 136:3, "Give thanks to the Lord of lords, Your loving devotion endures forever." In Hebrews 13:5, Your promise is to never take a leave of absence or abandon us. And no one has the power to put term limits on You.

You are KING of kings and LORD of lords. So, on this President's Day and all the days that follow, help us to walk by faith in the steady promise of Your persevering presence. I come to You now, in the marvelous Name of Jesus. Amen and Amen

The Pledge of Allegiance was led by President Masterson.

REPORTS OF STANDING COMMITTEES

Committee on **Agriculture and Natural Resources** recommends **SB 120** be passed.

Also, **SB 205** be amended on page 2, following line 16, by inserting:

"Sec. 4. K.S.A. 2022 Supp. 82a-736 is hereby amended to read as follows: 82a-736.

(a) It is hereby recognized that an opportunity exists to improve water management by enabling multi-year flexibility in the use of water authorized to be diverted under a groundwater water right, provided that such flexibility neither impairs existing water rights, nor increases the total amount of water diverted, so that such flexibility has no long-term negative effect on the source of supply. It is therefore declared necessary and advisable to permit the establishment of multi-year flex accounts for groundwater water rights, together with commensurate protections for existing water rights and their source of supply.

(b) As used in this section:

(1) "Alternative base average usage" means an allocation based on net irrigation requirements calculated pursuant to subsection (c)(1)(D)(ii) that may be used in place of the base average usage.

(2) "Base water right" means a water right under which an applicant applies to the chief engineer to establish a multi-year flex account and where all of the following conditions exist:

(A) The authorized source of supply is groundwater; and

(B) the water right is not currently the subject of a multi-year allocation due to a change approval that allows an expansion of the authorized place of use.

(3) "Multi-year flex account" means a term permit that suspends a base water right during its term, except when the term permit may be no longer exercised because of an order of the chief engineer, and is subject to the terms and conditions as provided in subsection (e).

(4) "Base average usage" means:

(A) The average amount of water actually diverted for the authorized beneficial use under the base water right during calendar years 2000 through 2009, excluding:

(i) Any amount diverted in any such year that exceeded the amount authorized by the base water right;

(ii) any amount applied to an unauthorized place of use; and

(iii) diversions in calendar years when water was diverted under a multi-year

allocation with an expansion of the authorized place of use due to a change approval;

(B) if water use records are inadequate to accurately determine actual water use or upon demonstration of good cause by the applicant, the chief engineer may calculate the base average usage with less than all 10 calendar years during 2000 and 2009. In no case shall the base average usage be calculated with less than five calendar years during 2000 and 2009; or

(C) if the holder of the base water right shows to the satisfaction of the chief engineer that water conservation reduced water use under the base water right during calendar years 2000 through 2009, then the base average usage shall be calculated with the five calendar years immediately before the calendar year when water conservation began.

(5) "Chief engineer" means the chief engineer of the division of water resources of the department of agriculture.

(6) "Flex account acreage" means the maximum number of acres lawfully irrigated during a calendar year, except for any acres irrigated under a multi-year allocation that allowed for an expansion of the authorized place of use due to a change approval and any of the following conditions are met:

(A) The calendar year is 2000 through 2009;

(B) if water conservation reduced water use under the base water right during calendar years 2000 through 2009, the calendar year is a year within the five calendar years immediately prior to the calendar year when water conservation began; or

(C) if an application to appropriate water was approved after December 31, 2004, the calendar year is any during the perfection period.

(7) "Net irrigation requirement" means the net irrigation requirement for 50% chance rainfall of the county that corresponds with the location of the authorized place of use of the base water right as provided in K.A.R. 5-5-12, on the effective date of this act.

(c) (1) Except as provided in sections 1 and 2, and amendments thereto, any holder of a base water right that has not been deposited or placed in a safe deposit account in a chartered water bank may establish a multi-year flex account where the holder may deposit, in advance, the authorized quantity of water from such water right for any five consecutive calendar years, except when the chief engineer determines a shorter period is necessary for compliance with a local enhanced management area or an intensive groundwater use control area and the corrective controls in the area do not prohibit the use of multi-year flex accounts, and subject to all of the following:

(A) The water right must be vested or shall have been issued a certificate of appropriation;

(B) the withdrawal of water pursuant to the water right shall be properly and adequately metered;

(C) the water right is not deemed abandoned and is in compliance with the terms and conditions of its certificate of appropriation, all applicable provisions of law and orders of the chief engineer;

(D) the amount of water deposited in the multi-year flex account shall not exceed the greatest of the following:

(i) 500% of the base average usage;

(ii) 500% of the product of the annual net irrigation requirement multiplied by the flex account acreage, multiplied by 110%, but not greater than five times the maximum

annual quantity authorized by the base water right;

(iii) if the authorized place of use is located wholly within the boundaries of a groundwater management district, an amount that shall not increase the long-term average use of the groundwater right as specified by rule or regulation promulgated pursuant to K.S.A. 82a-1028(o), and amendments thereto; or

(iv) pursuant to subparagraph (F), the amount computed in (i), (ii) or (iii) plus any deposited water remaining in a multi-year flex account up to 100% of the base average usage or alternative base average usage;

(E) if the multi-year flex account is approved for less than five calendar years, the amount of water deposited in the multi-year flex account shall be prorated based on the number of calendar years approved and otherwise calculated as required by subsection (c)(1)(D)(i), (ii) or (iii); and

(F) any deposited water remaining in a multi-year flex account up to 100% of the base average usage or alternative base average usage may be added to the deposit amount calculated in subparagraph (D) if the base water right is enrolled in another multi-year flex account during the calendar year in which the existing multi-year flex account expires. The total amount of water deposited in any multi-year flex account shall not exceed 500% of the authorized quantity of the base water right.

(2) The provisions of K.A.R. 5-5-11 are limited to changes in annual authorized quantity and shall not apply to this subsection.

(d) The chief engineer shall implement a program providing for the issuance of term permits to holders of groundwater water rights who have established flex accounts in accordance with this section. Such term permits shall authorize the use of water in a flex account at any time during the consecutive calendar years for which the application for the term permit authorizing a multi-year flex account is made, without annual limits on such use.

(e) Term permits provided for by this section shall be subject to the following:

(1) A separate term permit shall be required for each point of diversion authorized by the base water right.

(2) The quantity of water authorized for diversion shall be limited to the amount deposited pursuant to subsection (c)(1)(D).

(3) The rate of diversion for each point of diversion authorized under the term permit shall not exceed the rate of diversion for each point of diversion authorized under the base water right.

(4) The authorized place of use shall be the place of use or a subdivision of the place of use for the base water right. Any approval of an application to change the place of use of the base water right shall automatically result in a change to the place of use for the term permit.

(5) The point of diversion authorized by the term permit shall be specified by referencing one point of diversion authorized by the base water right at the time the multi-year flex account term permit application is filed with the chief engineer or at the time any approvals changing such referenced point of diversion of the base water right are approved during the multi-year flex account period. For a base water right with multiple points of diversion, each point of diversion authorized by a term permit shall receive a specific assignment of a maximum authorized quantity of water, assigned proportionately to the authorized annual quantities of the respective points of diversion under the base water right.

(6) The chief engineer may establish, by rules and regulations, criteria for such term permits.

(7) Except as explicitly provided for by this section, such term permits shall be subject to all provisions of the Kansas water appropriation act, and rules and regulations adopted under such act, and nothing in this section shall authorize impairment of any vested right or prior appropriation right by the exercise of such term permit.

(f) An application for a multi-year flex account shall be filed with the chief engineer on or before December 31 of the first year of the multi-year flex account term for which the application is being made.

(g) All costs of administration of this section shall be paid from fees for term permits provided for by this section. Any appropriation or transfer from any fund other than the water appropriation certification fund for the purpose of paying such costs shall be repaid to the fund from where such appropriation or transfer is made. At the time of repayment, the secretary of agriculture shall certify to the director of accounts and reports the amount to be repaid and the fund to be repaid. Upon receipt of such certification, the director of accounts and reports shall promptly transfer the amount certified to the specified fund.

(h) The fee for a multi-year flex account term permit shall be the same as specified for other term permits in K.S.A. 82a-708c, and amendments thereto.

(i) The chief engineer shall have full authority pursuant to K.S.A. 82a-706c, and amendments thereto, to require any additional measuring devices and any additional reporting of water use for term permits issued pursuant to this section. Failure to comply with any measuring or reporting requirement may result in a penalty, up to and including the revocation of the term permit and the suspension of the base water right for the duration of the term permit period.

(j) The chief engineer shall submit a written report on the implementation of this section to the house standing committee on agriculture and natural resources and the senate standing committee on natural resources on or before February 1 of each year.

(k) This section shall be a part of and supplemental to the Kansas water appropriation act.;

Journal of the Senate

THIRTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, February 21, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 38 senators present.
Senators Holscher and Olson were excused.
Invocation by Reverend Cecil T. Washington:

Love Your Neighbor
1 John 4:16, Luke 10:27-37

Heavenly Father, thank You for the blessing of another day and for the blessings You have for us in this day. It's because of Your grace, mercy and love toward us, that we are being given opportunities to show the same toward our neighbors.

Your Word says in 1 John 4:16 that YOU are LOVE, that Your very nature is love. And even when You display Your anger, it's righteous anger because love has been violated.

Lord, You say that we are to live continually in love, while You remain continually in us. You have created us to be visible expressions of love toward our neighbors. And Lord, You made it clear in Luke 10:27-37, in the lesson of the Good Samaritan, that it doesn't matter, if a person lives, works or does life around us, they are our neighbor. And like that "Good Samaritan," we are to walk with them in God-like love. Like a model walking the runway and displaying the impressive crafts of the designer, enable us to walk the runway of life modeling Your tremendous love.

And let this love consistently be seen by our neighbors. Thank You again for Your grace, mercy and love. I pray in the Name of Jesus, Who loved us to death. Amen

The Pledge of Allegiance was led by President Masterson.

Journal of the Senate

THIRTY-SECOND DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, February 22, 2023, 10:30 a.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Doug Henkle:

Father God, I thank You this morning for Your tremendous love for us. Thank You for all You do for us. Thank You for the blessing it is to be able to confidently find peace in You, even as perspectives regarding the issues before this body differ greatly and are passionately debated.

In Your Word, You guide us saying, "Trust in the LORD with all your heart and lean not on your own understanding; in all your ways submit to Him and He will make your paths straight." Lord, we tend to trust ourselves rather than You, to rely on our own abilities and good intentions instead of Your sovereign goodness and loving care. Jesus, make our paths straight and true.

As turn-around approaches, give us peace Father. Give us a sense of inner peace, peace with You, peace with ourselves and peace with one another despite differing views and approaches to the legislation at hand.

Grant us a sense of priority. Give us the ability to separate the important from the unimportant, the critical from the trivial, the vital from the insignificant, the eternal from the temporary. Give us vision. Show us what can be and ought to be done and how to achieve it.

I pray for President Masterson, Vice President Wilborn, Majority Leader Alley and Minority Leader Sykes. Bless them with Your clear direction as they navigate this chamber through the legislative process. I lift up Speaker Hawkins and the entire leadership team of the House to You as well.

May Your will in each of us individually and collectively, in the Kansas Senate and in this entire building, be accomplished to Your glory and the benefit of all Kansans. In Jesus' Name, Amen!

The National Anthem was performed by Daysia Reneau from Leavenworth, guest of Senator Pittman.

"Sec. 2. K.S.A. 2022 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in

federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(vi) Any amount of designated employee contributions picked up by an employer pursuant to K.S.A. 12-5005, 20-2603, 74-4919 and 74-4965, and amendments thereto.

(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,204, and amendments thereto.

EXPLANATION OF VOTE

Kansas was the first state to vote on abortion rights after *Roe v. Wade* was overturned in June 2022. On August 2nd, Kansans overwhelmingly voted to defeat a constitutional amendment that would have allowed anti-abortion politicians to ban abortion, with 59% voting no on the proposed amendment. Since then, legislators in both the House and Senate have introduced legislation aimed at restricting access, promoting predatory and manipulative practices, and outright banning abortion. They are ignoring the will of Kansas voters who said loudly and clearly that attempts by politicians to insert themselves into these decisions are an unwanted overreach by our government. **SB 5** is

yet another one of these attempts, and I stand with the overwhelming majority of Kansans – and 72% of my constituents – who want these power grabs to stop.—DINAH SYKES

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **SB 5**.

SB 6, AN ACT concerning infectious or contagious diseases; relating to the secretary of health and environment and local health officers; restricting the powers thereof; repealing authority of the secretary to order individuals to isolate or quarantine and impose associated penalties therefor; amending K.S.A. 65-116g, 65-118, 65-119, 65-128, 65-129b and 65-129d and K.S.A. 2022 Supp. 65-101, 65-202 and 72-5180 and repealing the existing sections; also repealing K.S.A. 65-126, 65-127, 65-129 and 65-129c, was considered on final action.

On roll call, the vote was: Yeas 22; Nays 18; Present and Passing 0; Absent or Not Voting 0.

The bill passed.

EXPLANATION OF VOTE

Over the past three years, this body has taken unprecedented and mind boggling steps to cast aside experts and give the Legislature power over decisions that, one, we have very little subject matter expertise on, and two, have a troubling pattern of using for political games as opposed to the best interests of our constituents. Just two years ago, we took steps to ensure elected officials have clear oversight on the orders of local health officers. Now we're reducing those same health officers to an advisory capacity and leaving the responsibility of stopping the spread of infectious diseases to a part-time citizen legislature, with far too many members who have shown themselves to be susceptible to conspiracy theories and misinformation in the face of public health crises. While most of the population is vaccinated against diseases such as measles, mumps, whooping cough, and more, some children are too young to receive standard immunizations. Outbreaks must be quickly stopped through infectious disease outbreak tools before children are hospitalized, end up with lifelong health complications, or die from these diseases. Our children cannot afford to wait around for politicians to come back to Topeka, and our state cannot trust that those politicians will even take the threat of these outbreaks seriously. I vote NO.—DINAH SYKES

SB 27, AN ACT concerning insurance; relating to the uniform insurance agents licensure act; public adjusters licensing act; authorizing the commissioner of insurance to set the amount of certain fees; requiring information obtained from background checks, fingerprinting and criminal history records checks be used solely for the purpose of verifying the identification of an applicant and the fitness of an applicant to be issued a license as an insurance agent; amending K.S.A. 40-4905, 40-4906 and 40-5505 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 38; Nays 2; Present and Passing 0; Absent or Not

Voting 0.

EXPLANATION OF VOTE

I vote Aye on **SB 123** which would give in-state college tuition to military children who have been previously stationed in Kansas, but have since been deployed elsewhere. Military dependents make daily sacrifices, experiencing fears and distinct challenges as a result of their parents serving our country; they make relationships that are then broken as they move and often find themselves an island adrift from a geographic home. When they find Kansas to be the community they want to come back to, the community they love, the community that makes those sacrifices worthwhile, this small step is a way for Kansas to say Welcome Home.—JEFF PITTMAN

Senator Peck requests the record to show he concurs with the "Explanation of Vote" offered by Senator Pittman on **SB 123**.

SB 174, AN ACT concerning crimes, punishment and criminal procedure; relating to interference with law enforcement; increasing criminal penalties when the violation involves fleeing from a law enforcement officer; amending K.S.A. 2022 Supp. 21-5904 and repealing the existing section, was considered on final action.

Present and Passing: Dietrich, Doll, McGinn.

The bill passed.

EXPLANATION OF VOTE

The “Women’s Bill of Rights” is an insulting reduction of women and men to their reproductive capacity. It is widely accepted that gender identity and expression are a product of complementary biological, personal, and cultural influences. Reducing humans to our ovaries and sperm is an alarming, dystopian view on the wide ranging spectrum of human experiences. This is an attempt to create a simple definition for something that is incredibly complex, and in doing so, politicians are trying to further divide us. I vote NO.—DINAH SYKES

EXPLANATION OF VOTE

Just six sessions ago, the Kansas Legislature added the 3-day grace period in response to longer turnaround times for USPS first-class mail. That policy passed out of this chamber unanimously. If this body truly believed that there was a question of election integrity in our state, legislators would be sounding the alarm on whether or not they were legitimately elected to serve in the Legislature. The fact that they aren't just underscores the fact that these bills are responses to unsubstantiated – and often disproven – hysteria because it's more convenient than admitting that many legislators would prefer that many Kansans not have their votes counted. It is intellectually dishonest to argue in rapid succession that we must eliminate ballot box access while simultaneously making it harder for voters to vote by mail. These are transparent attempts to count fewer votes. I vote NO.—DINAH SYKES

SB 210, AN ACT concerning elections; relating to candidate names on ballots; allowing candidates for nonpartisan offices to have such candidate's political party affiliation provided on the ballot with such candidate's name; amending K.S.A. 25-613 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 16; Nays 24; Present and Passing 0; Absent or Not Voting 0.

Yeas: Alley, Baumgardner, Blasi, Claeys, Erickson, Gossage, Kerschen, Kloos, Masterson, Peck, Petersen, Pyle, Steffen, Straub, Thompson, Warren.

A constitutional majority having failed to vote in favor of the bill, **SB 210** did not pass.

EXPLANATION OF VOTE

Introducing partisanship into local elections is directly against the growing resentment in our electorate against current hyperpartisanship in our divided nation. Additionally my community has a large number of federal employees who serve in local positions, often with little to no pay, who add tremendous value and perspective,

that would no longer be able to perform this avenue of public service when we make these elections partisan with the choice of just one candidate placing their party affiliation on the ballot. I vote no on **SB 210**.—JEFF PITTMAN

Senator Pettey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pittman on **SB 210**.

Local elections should stay nonpartisan. If anybody wants to declare their partisanship, they can always do so on their website, social media, campaign literature or with their party. We need to encourage more and more people to be engaged in governing and policymaking. It's difficult to recruit people to run for office already. Local elections have a very low voter turnout rate from 15% to at best, 20%. This bill would be discouraging people that already have a disinterest or are nauseated by what goes on in politics to run for office.—USHA REDDI

Senators Faust Goudeau, Francisco, McGinn and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Reddi on **SB 210**.

SB 217, AN ACT concerning the unlawful use of electronic tracking systems or tracking information; relating to stalking; providing criminal penalties for the conduct of utilizing any electronic tracking system or acquiring tracking information to determine the targeted person's location, movement or travel patterns when done as part of an unlawful course of conduct; authorizing orders to prohibit such conduct under the Kansas family law code, the revised Kansas code for care of children, the protection from abuse act and the protection from stalking, sexual assault or human trafficking act; amending K.S.A. 38-2243, 38-2244 and 38-2255 and K.S.A. 2022 Supp. 21-5427, 23-2224, 23-2707, 60-3107 and 60-31a06 and repealing the existing sections, was considered on final action.

EXPLANATION OF VOTE

I support **SB 233**. The excision of healthy tissue and organs from children (mutilation) will go down in the annals of medicine along side lobotomies (ice pick into the brain) for depression and forced hysterectomies for "hysterical" women.—MARK STEFFEN

Evidence-based standards on gender-affirming care have existed for decades. They require medical professionals to carefully evaluate each patient and make individualized decisions in the patient's best interest, made in conjunction with the patients, their families, and a team of medical professionals. This bill effectively bans the only evidence-based healthcare options available to young Kansans experiencing gender dysphoria. And it would result in the forced medical detransition of young Kansans—some of whom have been safely relying on this medical care for years. Everyone should have the right to access the healthcare they need to survive and thrive without government interference. And we should want medical professionals to provide medically necessary care without fear of revocation of their medical license. Let's stop attacking the transgender community – including their support systems – just because we don't understand them. Let's show these kids that we love them, we support them, and we trust their families, faith leaders, and medical teams to make good, healthy decisions that result in radical self-love.—DINAH SYKES

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **SB 233**.

Today I vote to protect vulnerable children and young people in Kansas from surgical mutilation, chemical experimentation, and abuse at the hands of medical professionals who violate their oath to "do no harm." Just last night, on a national news broadcast, yet another courageous young man told his story of being coached and fast-tracked into taking cross-sex hormones which he now regrets. He was in college and had been fighting depression, and abusing drugs and was confused. He unwittingly went to an activist doctor for help and was told that he was really a woman and was immediately started on estrogen. The doctor did not consider the mood disorders and myriad other issues this young man was dealing with...but instead put this young man on a path to transition. This is the type of situation that **SB 233** will help prevent here in Kansas. We cannot bury our heads in the sand and pretend it is not happening. The future of this state is at risk if we do not protect our progeny. I hope and pray the House will pass this bill and the Governor will have the courage to sign it.—MIKE THOMPSON

Senators Masterson, Peck and Straub request the record to show they concur with the "Explanation of Vote" offered by Senator Thompson on **SB 233**.

EXPLANATION OF VOTE

Currently Kansas taxes Social Security benefits only if the federal adjusted income of a taxpayer is greater than \$75,000. **Senate Bill 33** would eliminate Kansas income tax on all Social Security benefits. Although that may sound good, I am concerned because this elimination would benefit only Kansas taxpayers with incomes greater than \$75,000 and, because Social Security benefits are based on the highest 35 years of earnings, this change would also give higher benefits to higher earners. In addition, because women receive Social Security benefits that are, on average, 80% of those men receive, this change would benefit men more than women. I vote "AYE" on this amendment to Senate Bill 33 that would eliminate the current Kansas Social Security "tax cliff" of \$75,000 federal adjusted gross income by giving a decreasing tax benefit up to a total federal adjusted income of \$100,000 and keep our Kansas income tax more, not less, progressive.—MARCI FRANCISCO

In politics nothing moves unless it is pushed. The push to remove social security income from Kansas State income tax has been a lot of work since January 26, 2019, when I offered the amendment on **SB 22** during floor debate. So glad others have come to see the necessity of this and the benefit to Kansans!—DENNIS PYLE

EXPLANATION OF VOTE

During the 2021 legislative session, this chamber expanded the Tax Credit for Low Income Students Scholarship Program for the first time. When we debated that bill, I warned my colleagues: “The hits just keep on coming for Kansas families. So far, this body has stripped women of their constitutional rights, played political games with the vaccine, blown a \$1 billion hole in the budget, and now we are attacking public schools and expanding vouchers. Kansas families are asking: what’s next? This bill expands this scholarship program beyond its original intent of providing assistance to at-risk, low-

income Kansas students. We will be here next year, the year after, and the year after that, attempting to amend this program and expand its scope until it has become a full-blown voucher program and we have destroyed our public schools.” Here we are again: just last night, politicizing public health. Here we are again: passing multiple, large tax bills that will blow up our budget, this time to the tune of \$1.8 billion. Here we are again: amending this program, expanding its scope, and making it a full-blown voucher program, and leaving our public schools behind. I vote NO.—DINAH SYKES

EXPLANATION OF VOTE

I vote a hard NO on **SB 91**. To throw good money at an industry that has all the ability in the world to stand on its own two feet is playing reckless with taxpayer's money. This is simply big government, corporate welfare that is divisive. Our Kansas businesses want to keep their money not give it to Hollywood.—MARK STEFFEN

The bill passed.

EXPLANATION OF VOTE

This legislation encourages and indirectly subsidizes centers that present themselves as healthcare clinics but operate with the sole intention of persuading pregnant women against having abortions. These centers are unregulated, unethical, and employ harmful tactics to manipulate women – and sometimes deceive them into continuing their pregnancies until it is too late for a legal abortion that they have every right to choose for themselves. I do not believe the state has any business endorsing these manipulative, harmful practices. Kansans are sick and tired of the lies, deceptions, and fear-mongering around a nuanced, private decision. I will not support efforts to legitimize and subsidize these lies. I vote NO.—DINAH SYKES

EXPLANATION OF VOTE

Under this policy, Kansans who make \$15,001 are subject to the same tax rate as a millionaire. The lowest 20% of Kansas income range residents would have an effective total tax rate of 10.7%, while the top 1% of Kansans would have an effective tax rate of just 7.4%. Proponents have argued that this tax rate will attract new residents. I believe that people will not move to Kansas because of a less than 1% tax cut – they'll move here for jobs and to raise their families. And they certainly won't do that if we can't fund our schools because we've destroyed our economy once again.—DINAH SYKES

EXPLANATION OF VOTE

I voted no on **SB 248** because of the impact on our local communities. I'm in favor of eliminating the sales food tax, but not on local communities, I draw the line there. As local officials discuss their budgets, they are thinking about revenue sources. Most of them have revenues from their sales tax whether it's for Star Bond district, community improvement district, street maintenance or parks and recreation. Voters supported some of these initiatives by voting on a sales tax and we are removing that revenue from them. We are saying maintain what you have with less revenue, and I don't think that's our job to do. We need to have them make their own decisions without making it for them.—USHA REDDI

Journal of the Senate

THIRTY-FOURTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, March 1, 2023, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 31 senators present.
Senators Baumgardner, Billinger, Haley, Holscher, Olson, Pyle, Steffen, Straub and Ware were excused.

Invocation by Reverend Cecil T. Washington:

Heart Transplants: A Prayer For...
Psalm 33:11-13, 2 Chronicles 7:14, Psalm 42:1

Heavenly Father, Your Word declares in Psalm 33:11-13 that You look down from Heaven and see all the sons of man. You see all of us. Not only do You see us but You created every one of us. Even though some of us act like we descended from monkeys.

Through the Psalmist, You also reveal how faithful You are to the principles found in Your Word. The thoughts, plans and counsel of Your heart toward us has not changed. For You are the same God You've always been. You promise to bless, to favor and prosper the nation that surrenders to You as their God. And to become that nation of people, You made it clear in 2 Chronicles 7:14, we're to humble ourselves, pray and seek Your face while turning from our sins.

But the only way we can do that is by the influence of Your Holy Spirit when You confront us, convict us, convince us and convert us.

So, Lord, we're asking You to give us heart transplants. Give us hearts that are running after You. Like the Psalmist said in 42:1, like a deer that longs for streams of water, give us hearts that long for You. Lord, send revival! And to that end give wisdom, guidance and protection to the Leaders in this House and to all who serve in government. In Jesus' Name I pray, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

Journal of the Senate

THIRTY-FIFTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, March 2, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 35 senators present.
Senators Haley, Olson, Pyle, Steffen and Ware were excused.
Invocation by Reverend Cecil T. Washington:

The Last Word?
Mica 6:8; Acts 4:18; John 1:1

Heavenly Father, as leaders, whether at home, in the community or in this house, our positions are being sought after. There are those wanting their word to be the last word. They come at us with their own agenda, their own way of thinking, even some that are close, near and dear to us.

But the truth is You've already given us an agenda, a to-do-list. Through Your Old Testament Prophet Mica 6:8, You said we're to do good, to do what is right, to love mercy and walk humbly with You as our God. As the "One In Charge," help us to stay true to Your agenda. Help us stick to convictions that are firmly grounded in principles of Yours rather than human preferences that are subject to whims.

In Acts 4:18, while facing opposition and rejection, Peter and John chose to stay true to Your agenda rather than be influenced by others. In the same way that we make minor adjustments in the steering wheel to remain in the center of a straight highway, help us Lord on this "Highway of Life" that You've given us, to only make adjustments that keep us going straight, straight according to the map You've laid out for us.

We need Your Word to be the last word. I offer this prayer, In the Name of Him, Who according to John 1:1 is the Word personified. Amen and Amen

The Pledge of Allegiance was led by President Masterson.

Thanking God In EVERYTHING!
1 Thessalonians 5:17-18, Romans 8:28

Heavenly Father, as we come to this time of prayer, You say in 1 Thessalonians 5:17-18, that prayer should be a constant way of life, that we should always have our antennas up, tuned in to Your frequency. And, we should always be giving thanks.

So, Lord here's thanking You for bringing us through another weekend. Thank You for our times of rest, no matter how brief.

You said we should give thanks in ALL circumstances. And Lord, even though some situations may not feel thankworthy on the surface, we can trust Your Divine Love and providence to determine what's good for us. And we can trust You to protect us from what's not good.

You guided the Apostle Paul to tell us in Romans 8:28, that we can be confident, that because of Your love for us You cause all things, all activities and all situations to work together, in harmony for our good. And that's as long as we're concerned with Your plan and purpose. So once again Lord, thank You for what You're doing even in the times we don't have a clue as to what You're doing.

Therefore, Lord, remind us to be constantly seeking You in our prayer while continuing in our thankfulness. In Jesus' Name I thank You for the opportunity to offer this prayer. Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

THIRTY-EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, March 7, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 38 senators present.
Senators Blasi and Pyle were excused.
Invocation by Reverend Cecil T. Washington:

Choosing To Love And Understand!
Romans 3:9-10,23, Proverbs 4:7

Heavenly Father, being created in Your image means, among other things, that we have the power of choice. Even though You love us enough to give us Heavenly directions we choose otherwise. And that's the problem with ALL of us.

When we look at our neighbor and wonder why he or she is being so foolish or why they would be so contrary, Your Word in Romans 3:9-10,23 helps us realize why. You say all of us have lost it. All of us have messed up, sinned and fallen short of Your standards.

So, Lord, It doesn't matter which side of the aisle, which side of the city or which side of the argument we may be on. We're all on the underside of the Sun and the top side of the earth, combining our feeble efforts trying to make life better.

So, Lord, help us to not expect too much of each other and to be more understanding. We're always praying for and seeking wisdom, but You tell us in Proverbs 4:7 that second to pursuing wisdom we should be striving to gain understanding.

So, Lord, please move us in the direction of making the right choices and in the right order. First, love and more understanding toward You, then more toward our neighbor. In the Name of Jesus, "The Love Of God, Personified," I cry Amen!

The Pledge of Allegiance was led by President Masterson.

Senators Reddi, Bowers, Corson, Dietrich, Doll, Erickson, Faust-Goudeau, Francisco, Haley, Holland, Holscher, Kloos, Longbine, Masterson, McGinn, Petersen, Pettey, Pittman, Shallenburger, Sykes, Ware and Wilborn introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1713—

A RESOLUTION recognizing March 8, 2023, as International Women's Day.

WHEREAS, International Women's Day was first celebrated in Austria, Denmark, Germany and Switzerland in 1911; and

WHEREAS, More than one million people attended rallies campaigning for a woman's right to work, vote and hold public office, as well as calling for an end to gender discrimination; and

WHEREAS, In 1977, the United Nations General Assembly adopted a resolution calling on member states to proclaim a day for women's rights and international peace; and

WHEREAS, Following the United Nation's lead, each year, the President of the United States issues two proclamations. The first proclamation calls on all citizens to observe March as National Women's History Month, and the second celebrates International Women's Day on March 8th; and

WHEREAS, The United States continues to witness the rise of powerful movements that highlight places where women's rights and freedoms still fall short; and

WHEREAS, Advancing the rights, opportunities and full participation of women and girls in cultural, economic, political and social pursuits is the great unfinished business of the 21st century; and

WHEREAS, International Women's Day is an opportunity to celebrate the collective power of women and their achievements, as well as recognize the challenges women still face; and

WHEREAS, International Women's Day focuses the world's attention on women's rights and gender equality and inspires everyone to do their part to bring about positive change: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize March 8, 2023, as International Women's Day; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to Senator Reddi.

On emergency motion of Senator Reddi **SR 1713** was adopted by voice vote.

Senator Reddi shared the following comments regarding the resolution:

It's International Women's Day and I wanted to take a moment to acknowledge all of you and reflect on our journey. Before you were senators, before you found your careers or before you even dreamed of what you are today, someone in your ancestry, heritage, made an extraordinarily difficult decision to move to the United States. That decision placed you here today. While some were brought here against their will, many also came here because of their strong will. They wanted to provide a better life for their children. Whether your lineage is from Germany, Sweden, England, Russia, or other countries in Europe, Africa or Asia you are here because of them. They made their monumental journey with little money and few if any tangible items. Most didn't speak English, most were doing hard labor, and women carried a heavy load. Women did their part to hold families together and make sure everyone was taken care of without any support from extended families. They were leaders in their own right though they may not have been recognized for it and they often made personal sacrifices as necessary. My parents decided to come to the United States in 1973 when I was 8 years old. I'm an immigrant and a naturalized citizen. So, when people ask "where you are from?" I say Manhattan and then I say India. My daughter, Santhi got married last year in Indiana to wonderful young man. We were shopping for wedding dresses and a lady was assisting us. I was watching, advising, and writing down thoughts about each dress. In the hustle and bustle of trying on dresses she asked Santhi, where are you from? Santhi said "Kansas." I paused for a moment. Yes, she is from Kansas period and so are my sons. When asked where they are from, they respond with "Kansas." I think in two or three generations my great grandkids will probably say they're 5% Indian or something like that and fill in the other percentages with other nationalities if they acknowledge it at all. Tonight, in Manhattan we have an event with four women panelists for International Women's Day representing Ukraine, Afghanistan, Mexico and Morocco. Three of them have been in America less than two years and they will share their stories. I have spoken with them and one thing is very clear, they are grateful to be in the United States. They understand the challenges, but it's nothing compared to what they were facing in their own countries where they are not allowed to vote, get an education, leave their house without a male escort, or get a job. They lack many freedoms that we take for granted. These women have made tremendous sacrifices so their children will a better life than they did. I say all this to acknowledge International Women's Day and recognize that we intentionally choose the United States to be our home for a reason...for the freedom to think, to be who we want to be, to be innovative, to live our lives the way we may not be able to live them in other countries and to have the freedom to be decision makers. I hope we value the sacrifices made by our mothers, grandmothers and great-grandmothers. I am sure they never envisioned you in the seats you hold today. I know they would be proud of you. Let's recognize them and celebrate International Women's Day with pride and gratitude!

FORTIETH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, March 9, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Praying For What's Best
Haggai 2:8, James 1:17, 1 Kings 3:9-13

Heavenly Father, You have called us here to benefit Your people. And we have a serious need for our people to flourish, for our children, our grandchildren, our families and all to prosper. You said through the prophet Haggai (2:8) that all the silver and gold is Yours and in James 1:17 You said all the good favors come down from You.

So, Lord, we're asking for Your favors to fall fresh upon us here in Kansas. Like it was with King Solomon in 1 Kings 3:9-13 when he asked You for wisdom and understanding, in preference to material wealth. That's what You gave him. You made him wealthy in wisdom and understanding. You provided for him what no amount of money could produce, the ability to see things from Your perspective before making any of his decisions. Then You blessed him with material wealth and honor beyond measure.

Lord, we know we need adequate finances. Money is necessary for what we're doing. But would You regularly remind us to make the pursuit of Your wisdom and Your righteousness our priority? By Your Holy Spirit move us to be loving You, Your will and Your way over and above what the world has to offer because ultimately You are the Source, You are the Provider, to Your Glory and Honor, in Jesus' Name, I pray this prayer, Amen!

The Pledge of Allegiance was led by President Masterson.

EXPLANATION OF VOTE

I cannot in good conscience vote on legislation introduced by one of the Attorney General's top deputies, who has a clear – but bizarrely unrecognized – conflict of interest as a voting member of this body. This unspoken conflict calls into question the integrity of any policy introduced or promoted by the Attorney General. For this reason, I vote PASS on **SB 244**.—TOM HOLLAND

HB 2238, AN ACT concerning education; relating to student athletes; creating the fairness in women's sports act; restricting participation on women's teams to female students; providing a cause of action for violations of the act, was considered on final action.

Present and Passing: Haley.

The bill passed.

EXPLANATION OF VOTE

As I have said before.....I proudly support girls sports and I support the underlying intent of this bill.....**HB 2238**. I believe there is an important issue with this bill that needs to be addressed regarding including elementary students. Of the 18 states that have adopted a Fairness in Women's Sports Act, 8 of them have focused on Women's Sports at the secondary and post-secondary level and have not included elementary students for a very good reason. Elementary students are not a part of the KSHSAA. I still firmly believe that the practical implementation of this bill is problematic for our youngest students. I have drafted amendments and supported amendments that would remove these young children from this bill. My only goal was to protect those students from some potentially ugly unintended consequences regarding gender verification in

our local elementary schools. The argument that we must protect Title 9 and Title 9 includes elementary schools is not a valid one. Every school that accepts federal funds has to meet Title 9 guidelines and there are no high school activity association sports that would govern elementary schools. I am disappointed that this issue has been politicized to the point we cannot pass a common sense amendment to fix this flaw. I believe the people of the 20th Senate District sent me here to solve problems....not create more....and to make tough decisions. This is a tough decision.....but I must vote “NO” at this point in time.—BRENDA DIETRICH

I vote “NO” on **HB 2238**. Title IX states that “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.” I am concerned that **HB 2238** is not consistent with what I understand as a clear intent of this law to be inclusive. I do not believe there should be universal guidelines for transgender athletes in sports and instead rely on the experience and knowledge of our Kansas State High School Activities Association and the individual sports federations to continually evaluate and adopt their own conditions for inclusivity, fairness, and safety. It is unnecessary and confusing to reference students in grades K-6 in our public schools who are not participating in school sponsored sports competitions. —MARCI FRANCISCO

This is a bill that is not about fairness or women’s sports, it is about discrimination. This is an insult to female athletes. KSHSAA has in place a process that has worked well for our Kansas students and there have been NO transgender participant problems or complaints. This bill won’t have an impact on a fairness issue that doesn’t even exist. I vote “NO” on **HB 2238**.—Pat Pettey

The debates on this bill – combined with those on **SB 233** and **SB 180** just last month – have made clear what my colleagues have until now tried to hide behind the guise of “fairness:” the Kansas Senate’s top priority is to systematically dehumanize and isolate the trans community. It is shameful that we welcomed youth into this building this week and promised them to improve mental health outcomes in our state, and have now passed yet another bill harming their classmates. It is shameful that we spent International Women’s Day prohibiting women and girls from living authentically, fully, and vibrantly. Trans girls are girls, trans women are women, and we should all be ashamed to be a party to these vicious attacks on them. I know I am. I vote “NO.”

FORTY-FIFTH DAY

The Senate was called to order by Vice President Rick Wilborn.

Invocation by David DePue:

Almighty God, here we are on the eve of St. Patrick's Day. I ask You to bless the work of these Kansas Senators, wrapping up work on the state budget. Following Solomon's plea to look out for the poor, taxing in proportion to wealth, obeying Jesus' admonition to collect from each only what is due, administering with honest weights and measures and paying fair wages to the workers.

Lord, please grant each of these senators with a portion of the legacy that You gave to the patron Saint Patrick. Let us remember them for their life commitment and leadership today, as well as all their days of service to the people of Kansas. I pray this in the name of Jesus. Amen!

EXPLANATION OF VOTE

As this state faces a severe workforce crisis and 6-8% inflation and higher CPI, I strongly support and vote aye on the amendment on **Sub SB 155** to expand KanCare while also providing 5% raises to our embattled state employees. This critical amendment would keep the State General Fund revenue neutral. Failure to expand KanCare has resulted in our state missing out on \$6 Billion in federal dollars that our state taxpayers have already paid. By expanding KanCare, we can support our state hospitals, provide access to essential healthcare for lower wage workers, and take a moral step towards helping at-risk Kansans. Moreover, this amendment would significantly contribute to workforce development. We cannot afford to delay any longer in taking this critical step to strengthen our state's economy and support our citizens.—JEFF PITTMAN

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Pittman on **Sub SB 155**.

A motion by Senator Pyle to further amend **Sub SB 155** failed and the following amendment was rejected; on page 24, following line 15, by inserting:

"(d) During the fiscal year ending June 30, 2024, in addition to the other purposes for which expenditures may be made by the above agency from moneys appropriated from the state general fund or from any special revenue fund or funds for the above agency for fiscal year 2024 as authorized by this or other appropriation act of the 2023 regular session of the legislature, expenditures shall be made by the above agency from such moneys for fiscal year 2024 to establish a committee on organization, calendar and rules as a standing committee of the senate: *Provided*, That the committee on organization, calendar and rules shall have six voting members: *Provided further*, That such members shall be the six most senior members in continuous terms of service of the majority party of the senate, not including the president, vice president and majority leader of the senate: *And provided further*, That such members shall elect the chairperson of the committee from among the members of the committee: *And provided further*, That the president, vice president and majority leader of the senate shall be advisory members of the committee on organization, calendar and rules: *And provided further*, That the committee on organization, calendar and rules shall appoint the members of all standing committees of the senate, shall appoint the chairperson and vice chairperson or vice chairpersons of each committee and shall designate the ranking minority member of each committee: *And provided further*, That the minority leader of the senate shall submit recommendations to the committee on organization, calendar and rules for the appointment of minority members to the standing committees of the senate: *And provided further*, That no bill or resolution other than resolutions adopting, amending or revoking rules of the senate or joint rules of the senate and house of representatives shall be introduced by or be referred to the committee on organization, calendar and rules: *And provided further*, That the committee on organization, calendar and rules shall have a standing subcommittee on calendar, which shall be composed of the three most senior members in continuous terms of service of the majority party of the senate, not including the president, vice president and majority leader of the senate: *And provided further*, That the committee on organization, calendar and rules may establish such other subcommittees of the committee on organization, calendar and rules as the committee deems appropriate: *And provided further*, That the committee on organization, calendar and rules may close meetings of the committee: *And provided further*, That the committee on organization, calendar and rules shall appoint the members of all special and select committees of the senate and the chairperson and vice chairperson thereof: *And provided further*, That in addition to the compensation provided by K.S.A. 46-137a and 75-3212, and amendments thereto, or any other statute, members of the committee on organization, calendar and rules shall receive an allowance equal to the allowance for the assistant majority leader of the senate as provided in K.S.A. 46-137b(a)(2), and amendments thereto."

Upon the showing of five hands a roll call vote was requested.

On roll call, the vote was: Yeas 9; Nays 17; Present and Passing 6; Absent or Not Voting 8.

Yeas: Francisco, Haley, Holland, Holscher, Pittman, Pyle, Reddi, Straub, Sykes.

Nays: Alley, Baumgardner, Billinger, Blasi, Bowers, Dietrich, Erickson, Fagg, Gossage, Kloos, Masterson, Peck, Ryckman, Thompson, Tyson, Warren, Wilborn.

Present and Passing: Corson, Longbine, O'Shea, Petersen, Pettey, Steffen.

Absent or Not Voting: Claeys, Doll, Faust-Goudeau, Kerschen, McGinn, Olson, Shallenburger, Ware.

EXPLANATION OF VOTE

I vote "Aye" on Senator Pyle's amendment to form a committee of six Senate members to determine committee chairs in the Senate, thus diversifying key roles among leadership, with overall control still appropriately remaining with the majority as they would make up that committee. This is not a vote targeting current leadership per se. However, we as a Senate need to be very conscious of the consolidation of power into the hands of a few as it affects the way we are each able to represent our respective districts. We have seen this power consolidation over the years, extending from in session to out of session via the FCC and LCC. This amendment would be a step towards fixing this challenge which threatens our democratic principles.—JEFF PITTMAN

FORTY-SEVENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, March 20, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 37 senators present.
Senators Kerschen, Shallenburger and Warren were excused.
Invocation by David Henkle:

Heavenly Father, I thank You for Your amazing love for us, for each senator here and for those which cannot be with us. Thank You for the privilege it is to come before Your throne this afternoon. I ask that You bestow Your divine favor upon this body, collectively and individually. Father, You alone know all things, including the true intentions and thoughts of every senator here. Give them Your perspective and Your wisdom as they debate the challenging matters before them.

Cause them to fix their attention on things that are true and honorable. Keep them from things that are wrong and unjust, but rather guide them to that which is right and pure. Guide them away from slander, gossip and put-downs and toward information of good report, the kind that builds up and causes grace to flow and productive agreement to be achieved. May their goal be Your best for the people of Kansas.

I pray for Your peace today which is far beyond our understanding. I ask that You give each senator Your wisdom as they argue their position. I lift up President Masterson, Vice President Wilborn, Majority Leader Alley and Minority Leader Sykes to You. Give them Your direction as they lead this chamber. I pray that at the end of the day, the deliberations here would lead to sound decisions that would honor You, blessing all Kansans. In Jesus' Name, Amen!

The Pledge of Allegiance was led by President Masterson.

FORTY-EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, March 21, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.

The roll was called with 38 senators present.

Senators Kerschen and Shallenburger were excused.

Invocation by Pastor Richard Lally, Church Ambassador Network:

O God, from whom come all holy desires, all good counsels and all just works, give to us, Your servants, that peace which the world cannot give, that our hearts may be set to obey Your commandments and also that we, being defended from the fear of our enemies may live in peace and quietness. Graciously regard those who have been set in positions of authority among us that, guided by Your Spirit, they may be high in purpose, wise in counsel, firm in good resolution and unwavering in duty, that under them we may be governed quietly and peaceably.

O merciful Father in heaven from You comes all rule and authority over the nations of the world for the punishment of evildoers and for the praise of those who do well. Graciously regard Your servants who make the laws of this state and look in mercy upon all the rulers of the earth. Enlighten and defend them and grant them wisdom and understanding, that under their peaceable governance guard them against strife and conflict and promote a spirit of civility as they go about their work in this chamber and beyond. Your people may be guarded and directed in righteousness, quietness and unity.

Lord, keep this nation under Your care. Bless the leaders of our land that we may be a people at peace among ourselves and a blessing to the other nations of the earth. Grant that we may choose trustworthy leaders, contribute to wise decisions, pleasing in Your sight for the general welfare and serve You faithfully in our generation. Lord Jesus Christ, as once You shared in our human toil and thus hallowed the work of our hands, bless and prosper those who maintain the industries and service sectors of this land. Give them a right regard for their labors and grant them the just reward for their work that they may find joy in serving You and in supplying our needs. You bless the earth to make it fruitful, bringing forth in abundance whatever is needed for the support of our lives. Prosper the work of farmers and all those who labor to bring food to our table. Grant them seasonable weather that they may gather in the fruits of the earth in abundance and proclaim Your goodness with thanksgiving.

Lord God, You have called Your servants to ventures of which we cannot see the ending by paths as yet untrodden, through perils unknown. Give us faith to go out with good courage not knowing where we go but only that Your hand is leading us and Your love supporting us, through Jesus Christ our Lord.

Blessed Lord Jesus Christ, at this hour You hung upon the cross, stretching out Your loving arms to embrace the world in Your death. Grant that all people of the earth may look to You and see their salvation. For Your mercy's sake we pray. Amen!

The Pledge of Allegiance was led by President Masterson.

FORTY-NINTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, March 22, 2023, 2:30 p.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 38 senators present.
Senators Kerschen and Shallenburger were excused.
Invocation by Reverend Cecil T. Washington:

Comforting Words In Difficult Times!
Psalm 23:1-6

Heavenly Father, I thank You for another opportunity to serve. For this is another day that had not been promised to us, as we daily we face dangers, seen and unseen.

A year ago, Lord, You chose to deliver me from the grasp of the Covid virus. And here again, after spending a few days in the hospital, I was touched by Your healing Hand. You've blessed me with some friends who believe in the power of prayer, and I thank You for their prayers. You protected me, my wife and my daughter from facing the severity of that virus. But Lord, we all face dangers that You protect us from. And when You don't protect us from them, You protect us in them.

You have given us those powerful words of encouragement, penned for us by David in the 23rd Psalm; words that have blessed us through generations. Help us again to find comfort in the message of those words. 1) The LORD is my shepherd; I have all that I need. 2) He lets me rest in green meadows; He leads me beside peaceful streams. 3) He renews my strength. He guides me along right paths bringing honor to His name. 4) Even when I walk through the darkest valley of the shadow of death, I will fear no evil, for you are close beside me. Your rod and Your staff protect and comfort me. 5) You prepare a feast for me in the presence of my enemies. You honor me by anointing my head with oil. My cup overflows with blessings. 6) Surely Your goodness and unfailing love will pursue me all the days of my life and I will dwell in the house of the LORD forever. I offer this prayer in the Name of Jesus. Amen!

The Pledge of Allegiance was led by President Masterson.

POINT OF PERSONAL PRIVILEGE

Senator Pittman rose on a Point of Personal Privilege to share the following remarks: Colleagues, For those who don't know there is a picture on my office door of my father, Retired Col James Pittman, having just graduated from West Point Academy when he was about to head off for his first tour in Vietnam. On my back window, I have another picture of my father-in-law, Retired LTC Wayne Shehorn, in his helicopter helmet on

one of his 4 tours in Vietnam. Today, March 22, marks the annual observance of Armed Forces Day as well as Vietnam Veterans Day. On this day, we, the whole Senate, express our deepest gratitude to all those who have served our country and we pay tribute in particular to the courage and sacrifice of those who served in Vietnam. We remember those who made the ultimate sacrifice and gave their lives in service to our nation and we honor the resilience and strength of those who returned home after enduring the horrors of war. Our Armed Forces have always been a symbol of hope, strength and freedom and we are grateful for the soldiers who have selflessly dedicated themselves to defending our nation. We owe a tremendous debt of gratitude to our veterans, whose service and sacrifice helped shape our country and protect the values we hold dear. Today I also thank all the military members, past and present, who came back to Kansas to serve in this Legislature. I encourage all Kansans to take a moment to reflect on the sacrifices made by our veterans and our Vietnam Veterans and I say again, Welcome Home...

Notwithstanding the United States Constitution, **SCR 1607** failing to receive the required two-thirds majority under the Kansas Constitution was hereby declared lost.

EXPLANATION OF VOTE

The Constitution of the United States cannot be blamed for the problems that we have had and continue to have in Washington, D.C. The Framers of our Constitution in their great foresight produced a document that has been the longest lasting Constitution of any Democratic Government in the history of the world. The unintended

consequences of the Convention of States could be harmful over the long term. Speaking with proponents of the Convention of States and asking their thoughts on how long a Federal Senator should serve, the overwhelming answer was 12 years for a Federal Senator. If this same rule was applied at the state level in Kansas, fifteen of our current senators would be termed out in the the 2024 election. I don't believe our Senate would be as effective missing fifteen senators in our next session. For this reason, and an infinite number of other reasons, I vote "NO" on **SCR 1607**.—JOHN DOLL

Senators Dietrich, Francisco and Haley request the record to show they concur with the "Explanation of Vote" offered by Senator Doll on **SCR 1607**.

I vote "YES" on **SCR 1607** because our Federal government is out of control. An Article V Convention of States is our best opportunity to right the ship before it sinks or is sank.—MARK STEFFEN

Senator Thompson requests the record to show he concurs with the "Explanation of Vote" offered by Senator Steffen on **SCR 1607**.

On motion of Senator Alley, the Senate recessed until the sound of the gavel.

The Senate met pursuant to recess with Vice President Wilborn in the chair.

Journal of the Senate

FIFTIETH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, March 23, 2023, 2:30 p.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 38 senators present.
Senators Kerschen and Shallenburger were excused.
Invocation by Reverend Cecil T. Washington:

Avoiding The Frog In The Pan Predicament
Proverbs 29:18

Heavenly Father, the prayer today rises from a heart that's saddened by the rise of widespread evil, a prevailing resistance to Your will and Your way. In Proverbs 29:18, You warn that "where there is no vision no ability to see from Your perspective, the people perish."

I'm reminded of the frog in a pan of boiling water. Had he realized what was coming, had he seen his pending destruction, he could have escaped. He could've gotten out of there before it was too late. Lord, are we like that frog, becoming more and more comfortable with sin and not really seeing the predicament we're in? Is there among us, a growing tolerance with attitudes and actions that are not acceptable to You?

I think of how my Grandmother would react if she was to see what we allow today. A wise person once said, "What we tolerate in moderation, those coming behind us will allow in excess." It's been well said that evil increases when good people see it but do nothing about it.

So, Lord, give us more wisdom than that frog. For the sake of our families and all the people we serve help us, particularly those of us in responsible positions, to not only see the predicament we are in but to sound the alarm and not back down from taking a stand.

I come to You Lord, in the precious Name of Jesus, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

EXPLANATION OF VOTE

I vote "NO" on **S Sub HB 2344**. Packing more babies into cribs, decreasing square footage requirements and reducing supervisory overhead will only insure more physical and emotional trauma and sexual abuse of Kansas kids in child care settings. Let's allow ALL stakeholders to weigh in and put the appropriate and necessary policies in place so that this critical issue gets addressed properly the first time. Kansas kids are our legacy – for their sakes, let's get this right!—TOM HOLLAND

I passed on the vote and then voted "NO" because it's not daycare issues that mire our state in dysfunction. It is the degradation of our traditional family and its inherent value system. Our focus, as is so common in our government, is on the wrong issue.

With God and family, our society thrives.—MARK STEFFEN

I don't think a single person in this body would argue against the assertion that childcare is out of reach for too many Kansas families. This bill is not the solution, because it doesn't even begin to touch the problem. By removing safety regulations, increasing ratios, and adding legislative barriers, this bill has the potential to create more childcare slots. But the issue is not the number of slots – in fact, our state has a surplus of over 11,000 slots. The biggest barrier to childcare for Kansas families is affordability, and this bill does absolutely nothing to address that, and instead will make these facilities less safe for those who are able to access them. Our kids deserve better. I vote "NO."—DINAH SYKES

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Sykes on **S Sub HB 2344**.

"Sec. 2. K.S.A. 45-229 is hereby amended to read as follows: 45-229. (a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

- (1) The public record is of a sensitive or personal nature concerning individuals;
- (2) the public record is necessary for the effective and efficient administration of a

governmental program; or

(3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception that will expire in the following year that meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law that creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law that creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

- (1) Is required by federal law;
- (2) applies solely to the legislature or to the state court system;
- (3) has been reviewed and continued in existence twice by the legislature; ~~or~~
- (4) has been reviewed and continued in existence by the legislature during the 2013

legislative session and thereafter; or

(5) is contained in the following statute: section 1(b).

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

- (A) What specific records are affected by the exception;
- (B) whom does the exception uniquely affect, as opposed to the general public;
- (C) what is the identifiable public purpose or goal of the exception;
- (D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) an exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program that would be significantly impaired without the exception;

Journal of the Senate

FIFTY-SECOND DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, March 27, 2023, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 39 senators present.
Senator Kerschen was excused.
Invocation by Reverend Cecil T. Washington:

Giving To God, Rather Than Him Giving To Us

Lord, I don't want to begin today by asking You for anything. And it's not that we don't have plenty that we could be asking You for, but today, I believe the Psalmist, in the 100th Psalm, had it right. Rather than what we want You to give to us, the focus is what we should give to You. What are You looking for from us? Lord, this 100th Psalm, directs all our attention to You.

Verses 1 and 2, say, 1) Make a joyful noise (of praise) unto the Lord, all you lands; everybody! 2) Serve the Lord (serving His people) with gladness. Come before His presence with singing (even if out of tune.)

Then in Verse 3, He tells us why. It's because of what we should know! 3) Know that the Lord, He is God. It is He who has made us, and not we ourselves. We are His people and the sheep of His pasture.

In Verse 4, Lord, You return us to thanksgiving and praise. 4) Enter into His gates (approach Him) with thanksgiving and into His courts (His presence) with praise. Be thankful to Him and bless His Name.

Then lastly, in Verse 5, You have the Psalmist give us the wrap up. 5) For the Lord is good (You are good.) Your mercy is everlasting and Your truth (that which is real) endures to all generations.

So, Lord, we praise You and thank You. For already, You have given us far more than what we could have asked for or imagined. In Jesus Name, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

REFERENCE OF BILLS AND CONCURRENT RESOLUTIONS

The following bills were referred to Committees as indicated:

Federal and State Affairs: **SB 323**; **HB 2436**.

The bill passed.

EXPLANATION OF VOTE

The Department of Revenue indicates that there are currently two parcels of property in Cowley County that have exemption applications pending before the KS Board of Tax Appeals (BOTA.) **Sub SB 55** is a bill that would essentially bypass the KS Board of Tax Appeals' outstanding determination on exception applications concerning those two parcels currently before the board. The legislature needs to stay in its lane and allow the property tax court system to first complete its determination before wading into this matter. For this reason, I vote "NO" on **Sub SB 55**.—TOM HOLLAND

I vote "NO" on **Sub SB 55** for the following reasons: Court of Tax Appeals (COTA) denied Strother Field airport property its request for property tax exemption. They applied to Board of Tax Appeals (BOTA,) had a hearing and are waiting for a decision. I feel it is not appropriate for us to supersede BOTA's discussion and outcome of the hearing. It undermines the process.—USHA REDDI

Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include ~~a statement of the statutory mill levies imposed by the state~~ the previous year's tax amount and the estimate of the tax for the current year on the taxpayer's property based on ~~such the statutory mill~~ levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c) (1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the

taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the 20 mills levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from the 20 mills is the only reason the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from only the 20 mills.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2022 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall make copies of adopted budgets, budget certificates, other budget documents and

revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

- (1) A list of taxing subdivisions by county;
- (2) whether each taxing subdivision conducted a hearing to consider exceeding its revenue neutral rate;
- (3) the revenue neutral rate of each taxing subdivision;
- (4) the tax rate resulting from the adopted budget of each taxing subdivision; and
- (5) the percent change between the revenue neutral rate and the tax rate for each taxing subdivision.";

Journal of the Senate

FIFTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, March 28, 2023, 10:00 a.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Unity In Diversity: 1 Corinthians 13:13

Heavenly Father, thank You for the accomplishments in these halls. Thank You for everyone employed in bringing these achievements to pass, those in decision-making positions and those in supporting staff positions. We ask for Your wisdom and guidance for each and for every person here and for every aspect of the work being done here.

Even when there's dissension, give those with opposing viewpoints the ability to see with clarity and compassion. And when the efforts to come together fall short, help people to express themselves in love, realizing that not one of us has all knowledge or is always right.

You said in 1 Corinthians 13:13, that love is the number one principle for real betterment. So, let all that occurs in these chambers be based on that principle. Let what occurs here be a coming together, a blending of efforts to bless Your people. And let us experience the miracle of unity in diversity.

In the Name of the Christ, I offer this prayer. Amen!

The Pledge of Allegiance was led by President Masterson.

EXPLANATION OF VOTE

I vote in opposition of **SB 252** to "providing property and sales tax exemption to certain business property operated in competition with property owned or operated by a government entity." The private sector and public sector appeal to different demographics and are not a threat to each other. These types of tax exemptions shift the tax burden to residential homeowners. Local elected officials work to keep property taxes low while trying to meet the needs of their community which includes the private and public sector. Revenue from property taxes fund our schools, police departments, fire departments and city and county services.—*USHA REDDI*

EXPLANATION OF VOTE

While the underlying bill originally had issues with limiting return on investment for our retirees, that has been fixed through our committee process. However, we added a provision that now allows the Attorney General, albeit with nominal rules and regs, to declare which nations are adversaries. Where we fixed a negative fiscal impact in the billions on the original bill, before allowing the attorney general to drive such restrictions on our extensive investments, we need to investigate, at a minimum, the fiscal impact of this potential change made on the floor. I vote "NO."—JEFF PITTMAN

EXPLANATION OF VOTE

This "Parents' Bill of Rights" capitalizes on national figures' successful manipulation of parents' anxieties around learning and growing by suggesting that our public schools

– which are subject to strict oversight by the state – are hiding nefarious materials used to brainwash our children. Really, this legislation undermines our public school teachers and districts that teach and care for Kansas kids. These teachers are closest to our students and families, and they are already empowered to accommodate the needs of those students. Children deserve an honest and accurate education that enables them to learn from our past and help create a better future, and politically motivated legislators have no business stoking fears that will lead to further legislation undermining that goal.—DINAH SYKES

EXPLANATION OF VOTE

The attacks on the transgender community this session have been relentless. The majority party will stop at nothing to make sure that a population that already feels left behind and is told year after year that their state leaders don't want them to be a part of our community – they'll stop at nothing to tell these folks that they are not welcome here. In fact, they'll go so far as to tie the fate of objectively good public health policy to this hateful agenda. That's shameful. I vote "NO."—DINAH SYKES

EXPLANATION OF VOTE

I understand the supporters' intent to improve healthcare outcomes in our state. However, we just passed a bill which would give presumptive prison sentences of 60 months for a 14 year old illegally discharging a firearm, we see people as young as 13 years old being tried as adults and getting life sentences, and we send 18 year old soldiers to fight our wars for us. We expect young people to be adults except on this issue where they apparently can't make their own decisions until they are 21. I vote "NO."—JEFF PITTMAN

FIFTY-FOURTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, March 29, 2023, 10:00 a.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Cecil T. Washington:

Death and Life; Both Are In The Tongue
Proverbs 18:21, Ephesians 4:29, 2 Timothy 3:12-13, James 3:1-12

Lord, Your Word tells us, in Proverbs 18:21, that “death and life are in the power of the tongue.” You tell us in Ephesians 4:29, not to let any unwholesome talk come out of our mouths but only what is helpful for improving and strengthening others. You emphasize that our concern should be for the well-being, for the benefit of those who hear or even read our words. But Lord, it looks like our mouths did not get the message. And what You predicted would happen, is coming to pass.

You said in 2 Timothy 3:12-13 that all who desire to live godly lives would be persecuted and those moral, life-giving qualities in people would deteriorate. Lord, the things that come out of our mouths today, not only in private but in public media, are just like You said, going from bad to worse!

You illustrate the power of the tongue in James 3:1-12, where You liken it to a bit controlling a horse or a rudder turning a ship or a spark igniting a blaze. As we formulate our words today, tomorrow and on into the future, it will take You to control, to put a bridle, a check on our tongues. When we interact with others, rather than being poisonous, destructive and deadly let the things that we communicate up in here be life-giving. Let our interactions be healthy and life-giving. Bless us as we move to bless others.

In the Name of Jesus, I pray Amen!

The Pledge of Allegiance was led by President Masterson.

EXPLANATION OF VOTE

Last August, nearly 60% of Kansans - Democrats, Republicans, and Independents - voted no on giving “elected state representatives and state senators” more power to “pass laws regarding abortion.” Yet here we are again, politicians inserting ourselves in the healthcare of others by deciding when we think a D and C counts as an abortion and when it doesn’t; by deciding when a woman can be trusted to make decisions for herself and when she can’t; by crafting definitions for future court cases, future amendments, future attempts to take away fundamental rights. In August, voters upheld the status quo, because they know that abortion is personal. It can be complex. It doesn’t fit neatly into right or wrong, because life’s circumstances can’t be neatly qualified as right or wrong. They said loudly and clearly: stop messing with this right. We trust our neighbors to make the decisions that make sense for their morals, for their faiths, for their families. Just yesterday, Attorney General Kris Kobach’s office argued in front of the Kansas Supreme Court and suggested that another constitutional amendment on abortion is possible. Kansans should listen to Kris Kobach and the legislators in this chamber who are making clear that they want to control these private decisions, no matter what the voters say.—DINAH SYKES

EXPLANATION OF VOTE

"One person's freedom ends where another's begins." I have fought hard to protect life since my election to the Kansas Senate. **SB 315** is an attack on those efforts to protect the innocent. Vaccines, particularly for children, are essential to protect them from ravaging fever, blistering sores, paralysis and death. Childhood vaccinations work like a boat, all of our children are in it together or we negligently put them out in a craft that's taking on water. Efforts by some in the Kansas Senate this year would remove the protection for our children and drill holes in the very vessel keeping them safe. I opposed efforts by those who would wipe out innocent life through abortion and I stand opposed to those who would allow innocent children to suffer and possibly die when life saving vaccines that have been safely used for decades remain available. Real conservative Republicans stand up to protect children and protect life at all times.—
KRISTEN O'SHEA

Senator Haley requests the record to show he concur with the "Explanation of Vote" offered by Senator O'Shea on **SB 315**.

I vote "YES" on **SB 315** because it follows science as it regards vaccines and the reality that they each involve a risk benefit analysis. Also, the Constitution guarantees freedom of the individual, particularly as it pertains to religion. **SB 315** codifies our religious freedom.—MARK STEFFEN

There is over a century of case law at all levels of the judicial system demonstrating that governmental vaccine mandates are constitutional. In *Prince v. Massachusetts*, the Supreme Court held that "the right to practice religion freely does not include liberty to expose the community or the child to communicable disease or the latter to ill health or death." Our current state policies are much more flexible than what is constitutionally permissible. We allow families the latitude to have sincerely-held religious exemptions, and it is KDHE's practice not to inquire into the sincerity of the request. But blanket exemptions undermine the efficacy of public health interventions that rely on herd immunity. This policy also insults my faith. Being religious and having a belief does not make such a belief a religious one, and we shouldn't legislate otherwise just because it's politically expedient.—PAT PETTEY

Senator Francisco requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pettey on **SB 315**.

S Sub HB 2016, AN ACT concerning civil actions and civil procedure; enacting the act against abusive access litigation; creating a civil action for determining whether litigation that alleges any access violation under the Americans with disabilities act or similar law constitutes abusive litigation and authorizing penalties for such abusive litigation, was considered on final action.

EXPLANATION OF VOTE

Instead of allowing Kansas school districts to identify and implement the policies that are best for their students and communities, this bill forces districts to adopt outdated and rigid policies that will make activities extremely burdensome to plan, from a district perspective, and much harder to access for families. It also takes an issue that can be – and currently is – solved at the level closest to the student to a level that inherently cannot include nuance and grace that our kids deserve. Not only that, but the individuals pushing for this legislation have demonstrated an obvious ambivalence to understanding trans Kansans and their families. It is mind-boggling the number of bills we've seen this session that deeply impact wide swaths of our communities, all for the purpose of targeting a small population of Kansans who want nothing more than to live their lives. It's gross, it's exhausting, and it's wrong. I vote "NO."—DINAH SYKES

A constitutional majority having failed to vote in favor of the bill, **HB 2141** did not pass.

EXPLANATION OF VOTE

This bill would make it less likely that parents can support their children and more likely that children and their parents go hungry. Reducing access to food for Kansans already struggling financially is unnecessarily harsh and ineffective. Non-custodial parents working hard to find higher-paying employment opportunities will have those efforts undermined if they do not know where their family's next meal is coming from or cannot focus at their jobs. Mr. President, I vote "NO" on **HB 2141**.—OLETHA FAUST-GOUDEAU

Senators Francisco, Haley, Holland, Pettey, Reddi and Ware request the record to show they concur with the "Explanation of Vote" offered by Senator Faust-Goudeau on **SB 2141**.

My colleague from Sedgwick County said it best: Find another way to get people to pay child support – don't starve them. This bill holds access to food hostage in order to force people into parenting the way legislators in this building think they ought to, regardless of the impact on the children involved. And that impact is significant. 1 in 7 Kansas kids is food insecure. Some of those kids live with parents who are also non-custodial parents of other children. This bill will harm those children, and will disturb families' existing support systems that they have determined are in their children's best interests. Keeping Kansans hungry will not lead to behaviors deemed acceptable by some in this chamber. It'll just lead to more hungry Kansans. I vote "NO."—DINAH SYKES

EXPLANATION OF VOTE

I vote "NO" on **HB 2304**. The American Academy of Pediatrics has done studies about the effectiveness of gun safety programs, including Eddie Eagle by the NRA and found the programs to be ineffective. The website eddieeagle.com repeats who the characters are in the video, the song is heard over and over, there are coloring pages with the characters from the video and a few short stories with scenarios with those bird characters finding a gun. I hope that an educational curriculum development committee will create activities that are age appropriate, involve role play, and have higher level thinking activities for each grade level and will also include generalization of information and behaviors learned rather than rote memorization of what the cartoon birds sing in a park where a gun is found. The legislature should not be making decisions about school curriculum. The legislature should be adopting legislation with requirements for secure storage to make gun ownership safer.—MARCI FRANCISCO

EXPLANATION OF VOTE

While I support portions of **S Sub HB 2390** – I have worries about the bill due to questions from our agricultural community and Ag Secretary. While KDA is the lead on tracking and taking actions against the spread of the disease in animals, it is the state health department which tracks and acts if there is any infection in humans among the ranchers, growers, and staff. If this bill passes, KDHE would no longer be able to track or take action to prevent highly infectious zoonotic diseases such as avian bird flu and hoof and mouth disease if they spread to humans or from humans back to livestock. The contents added to **S Sub HB 2390** (language of **SB 6**) would still inhibit the KDHE's ability to collaborate with the Kansas Department of Agriculture to act against infectious diseases.—ELAINE BOWERS

S Sub HB 2390 passed the House of Representatives with 121 votes because there was bi-partisan support to decrease the number of Kansas lives lost to fentanyl. Unfortunately, the Senate committee opted to utilize this critical, unanimously supported bill as a vehicle for an unrelated, controversial topic, compromising the lives of Kansans in the process. Rather than looking to the pandemic of the past, we need to focus our collective attention on the plague affecting our future and support efforts to reduce the impact of counterfeit drugs laced with fentanyl poisoning our people. **S Sub HB 2390**, as passed unanimously by the House, is good policy. Because it has been paired with policy that is likely to encumber its advancement. I vote "NO."—KRISTEN O'SHEA

"Sec. 4. K.S.A. 2022 Supp. 79-2005 is hereby amended to read as follows: 79-2005. (a) Any taxpayer, before protesting the payment of such taxpayer's taxes, shall be required, either at the time of paying such taxes, or, if the whole or part of the taxes are paid prior to December 20, no later than December 20, or, with respect to taxes paid in

whole or in part in an amount equal to at least $\frac{1}{2}$ of such taxes on or before December 20 by an escrow or tax service agent, no later than January 31 of the next year, to file a written statement with the county treasurer, on forms approved by the state board of tax appeals and provided by the county treasurer, clearly stating the grounds on which the whole or any part of such taxes are protested and citing any law, statute or facts on which such taxpayer relies in protesting the whole or any part of such taxes. When the grounds of such protest is an assessment of taxes made pursuant to K.S.A. 79-332a and 79-1427a, and amendments thereto, the county treasurer may not distribute the taxes paid under protest until such time as the appeal is final. When the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the county treasurer shall forward a copy of the written statement of protest to the county appraiser who shall within 15 days of the receipt thereof, schedule an informal meeting with the taxpayer or such taxpayer's agent or attorney with reference to the property in question. At the informal meeting, it shall be the duty of the county appraiser or the county appraiser's designee to initiate production of evidence to substantiate the valuation of such property, including a summary of the reasons that the valuation of the property has been increased over the preceding year, any assumptions used by the county appraiser to determine the value of the property and a description of the individual property characteristics, property specific valuation records and conclusions. The taxpayer shall be provided with the opportunity to review the data sheets applicable to the valuation approach utilized for the subject property. The county appraiser shall take into account any evidence provided by the taxpayer which relates to the amount of deferred maintenance and depreciation of the property. The county appraiser shall review the appraisal of the taxpayer's property with the taxpayer or such taxpayer's agent or attorney and may change the valuation of the taxpayer's property, if in the county appraiser's opinion a change in the valuation of the taxpayer's property is required to assure that the taxpayer's property is valued according to law, and shall, within 15 business days thereof, notify the taxpayer in the event the valuation of the taxpayer's property is changed, in writing of the results of the meeting. The county appraiser shall not increase the appraised valuation of the property as a result of the informal meeting. In the event the valuation of the taxpayer's property is changed and such change requires a refund of taxes and interest thereon, the county treasurer shall process the refund in the manner provided by subsection (1).

~~(b) No protest appealing the valuation or assessment of property shall be filed pertaining to any year's valuation or assessment when an appeal of such valuation or assessment was commenced pursuant to K.S.A. 79-1448, and amendments thereto, nor shall~~The second half payment of taxes shall not be protested when the first half payment of taxes has been protested. Notwithstanding the foregoing, this provision shall not prevent any subsequent owner from protesting taxes levied for the year in which such property was acquired, nor shall it prevent any taxpayer from protesting taxes when the valuation or assessment of such taxpayer's property has been changed pursuant to an order of the director of property valuation.

(c) A protest shall not be necessary to protect the right to a refund of taxes in the event a refund is required because the final resolution of an appeal commenced pursuant to K.S.A. 79-1448, and amendments thereto, occurs after the final date prescribed for the protest of taxes.

(d) If the grounds of such protest shall be that the valuation or assessment of the

property upon which the taxes so protested are levied is illegal or void, such statement shall further state the exact amount of valuation or assessment which the taxpayer admits to be valid and the exact portion of such taxes which is being protested.

(e) If the grounds of such protest shall be that any tax levy, or any part thereof, is illegal, such statement shall further state the exact portion of such tax which is being protested.

(f) Upon the filing of a written statement of protest, the grounds of which shall be that any tax levied, or any part thereof, is illegal, the county treasurer shall mail a copy of such written statement of protest to the state board of tax appeals and the governing body of the taxing district making the levy being protested.

(g) Within 30 days after notification of the results of the informal meeting with the county appraiser pursuant to subsection (a), the protesting taxpayer may, if aggrieved by the results of the informal meeting with the county appraiser, appeal such results to the state board of tax appeals.

(h) After examination of the copy of the written statement of protest and a copy of the written notification of the results of the informal meeting with the county appraiser in cases where the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the board shall conduct a hearing in accordance with the provisions of the Kansas administrative procedure act, unless waived by the interested parties in writing. If the grounds of such protest is that the valuation or assessment of the property is illegal or void the board shall notify the county appraiser thereof.

(i) In the event of a hearing, the same shall be originally set not later than 90 days after the filing of the copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the board. With regard to any matter properly submitted to the board relating to the determination of valuation of residential property or real property used for commercial and industrial purposes for taxation purposes, it shall be the duty of the county appraiser to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity and correctness of such determination except that no such duty shall accrue to the county or district appraiser with regard to leased commercial and industrial property unless the property owner has furnished to the county or district appraiser a complete income and expense statement for the property for the three years next preceding the year of appeal. No presumption shall exist in favor of the county appraiser with respect to the validity and correctness of such determination. In all instances where the board sets a request for hearing and requires the representation of the county by its attorney or counselor at such hearing, the county shall be represented by its county attorney or counselor. The board shall take into account any evidence provided by the taxpayer which relates to the amount of deferred maintenance and depreciation for the property. In any appeal from the reclassification of property that was classified as land devoted to agricultural use for the preceding year, the taxpayer's classification of the property as land devoted to agricultural use shall be presumed to be valid and correct if the taxpayer provides an executed lease agreement or other documentation demonstrating a commitment to use the property for agricultural use, if no other actual use is evident. With regard to any matter properly submitted to the board relating to the determination of valuation of property for taxation purposes, the board shall not increase the appraised valuation of the property to an amount greater

than the appraised value reflected in the notification of the results of the informal meeting with the county appraiser from which the taxpayer appealed.

(j) When a determination is made as to the merits of the tax protest, the board shall render and serve its order thereon. The county treasurer shall notify all affected taxing districts of the amount by which tax revenues will be reduced as a result of a refund.

(k) If a protesting taxpayer fails to file a copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the board within the time limit prescribed, such protest shall become null and void and of no effect whatsoever.

(l) (1) In the event the board orders that a refund be made pursuant to this section or the provisions of K.S.A. 79-1609, and amendments thereto, or a court of competent jurisdiction orders that a refund be made, and no appeal is taken from such order, or in the event a change in valuation which results in a refund pursuant to subsection (a), the county treasurer shall, as soon thereafter as reasonably practicable, refund to the taxpayer such protested taxes and, with respect to protests or appeals commenced after the effective date of this act, interest computed at the rate prescribed by K.S.A. 79-2968, and amendments thereto, minus two percentage points, per annum from the date of payment of such taxes from tax moneys collected but not distributed. Upon making such refund, the county treasurer shall charge the fund or funds having received such protested taxes, except that, with respect to that portion of any such refund attributable to interest the county treasurer shall charge the county general fund. In the event that the state board of tax appeals or a court of competent jurisdiction finds that any time delay in making its decision is unreasonable and is attributable to the taxpayer, it may order that no interest or only a portion thereof be added to such refund of taxes.

(2) No interest shall be allowed pursuant to paragraph (1) in any case where the tax paid under protest was inclusive of delinquent taxes.

(m) Whenever, by reason of the refund of taxes previously received or the reduction of taxes levied but not received as a result of decreases in assessed valuation, it will be impossible to pay for imperative functions for the current budget year, the governing body of the taxing district affected may issue no-fund warrants in the amount necessary. Such warrants shall conform to the requirements prescribed by K.S.A. 79-2940, and amendments thereto, except they shall not bear the notation required by such section and may be issued without the approval of the state board of tax appeals. The governing body of such taxing district shall make a tax levy at the time fixed for the certification of tax levies to the county clerk next following the issuance of such warrants sufficient to pay such warrants and the interest thereon. All such tax levies shall be in addition to all other levies authorized by law.

(n) Whenever a taxpayer appeals to the board of tax appeals pursuant to the provisions of K.S.A. 79-1609, and amendments thereto, or pays taxes under protest related to one property whereby the assessed valuation of such property exceeds 5% of the total county assessed valuation of all property located within such county and the taxpayer receives a refund of such taxes paid under protest or a refund made pursuant to the provisions of K.S.A. 79-1609, and amendments thereto, the county treasurer or the governing body of any taxing subdivision within a county may request the pooled money investment board to make a loan to such county or taxing subdivision as provided in this section. The pooled money investment board is authorized and directed to loan to such county or taxing subdivision sufficient funds to enable the county or

taxing subdivision to refund such taxes to the taxpayer. The pooled money investment board is authorized and directed to use any moneys in the operating accounts, investment accounts or other investments of the state of Kansas to provide the funds for such loan. Each loan shall bear interest at a rate equal to the net earnings rate of the pooled money investment portfolio at the time of the making of such loan. The total aggregate amount of loans under this program shall not exceed \$50,000,000 of unencumbered funds pursuant to article 42 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto. Such loan shall not be deemed to be an indebtedness or debt of the state of Kansas within the meaning of section 6 of article 11 of the constitution of the state of Kansas. Upon certification to the pooled money investment board by the county treasurer or governing body of the amount of each loan authorized pursuant to this subsection, the pooled money investment board shall transfer each such amount certified by the county treasurer or governing body from the state bank account or accounts prescribed in this subsection to the county treasurer who shall deposit such amount in the county treasury. Any such loan authorized pursuant to this subsection shall be repaid within four years. The county or taxing subdivision shall make not more than four equal annual tax levies at the time fixed for the certification of tax levies to the county clerk following the making of such loan sufficient to pay such loan within the time period required under such loan. All such tax levies shall be in addition to all other levies authorized by law.

(o) The county treasurer shall disburse to the proper funds all portions of taxes paid under protest and shall maintain a record of all portions of such taxes which are so protested and shall notify the governing body of the taxing district levying such taxes thereof and the director of accounts and reports if any tax protested was levied by the state.

(p) This statute shall not apply to the valuation and assessment of property assessed by the director of property valuation and it shall not be necessary for any owner of state assessed property, who has an appeal pending before the state board of tax appeals, to protest the payment of taxes under this statute solely for the purpose of protecting the right to a refund of taxes paid under protest should that owner be successful in that appeal.";

EXPLANATION OF VOTE

I would like to thank the Senate for supporting **S Sub HB 2127**. We made a big difference today in the lives of many children that are now adults. This is a meaningful and very important legislation. It’s not easy to talk about a horrific, terrifying, and heinous crime of sex abuse, but those difficult conversations led us to working on the statute of limitations. The bipartisan support for the bill shows unity. **S Sub HB 2127** gives some solace to victims/survivors who want to seek accountability and an option forward they did not have before. I appreciate Senate President Masterson, Senator Holscher, survivors and legislators work on this issue. I feel emotional and privileged to be part of a moment that I thought would never happen. Thank you for seeing and hearing survivors and holding predators accountable.—USHA REDDI

FIFTY-SIXTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Monday, April 3, 2023, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 38 senators present.
Senators O'Shea and Pyle were excused.
Invocation by Cecil T. Washington:

Running To Win
1 Corinthians 9:27, Galatians 5:7

Heavenly Father, You used the Apostle Paul to encourage those familiar with the Isthmian Olympic Games to prioritize their efforts in the same way that they would see athletes preparing themselves to make a winning run out on that track. When it comes to making an excellent run in life, You inspired Paul to use himself as an example. He said in 1 Corinthians 9:27, "I discipline my body like an athlete, training it to do what it should. Otherwise, I fear that after preaching to others I myself might be disqualified." Lord, not only were those words good for those in Corinth, but You've given them for us to hear as well.

We're running the race of life that determines the quality of our performance down here and the crown we will win in eternity. In Galatians 5:7, Your word refers to the track we're running on as the track of Truth. By Your Holy Spirit, Lord, help us to not deviate from the Truth or from moral uprightness. The race we're running is first to serve You, then our loved ones and the people You select. In our spirit then, that God conscious part of us, give us a warning signal to let us know when we begin to stray. As our Divine Coach, keep us on track to avoid disqualification. In Your Eyes we want to be winners of Life's Crown.

In Jesus' Name, I pray Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

Journal of the Senate

FIFTY-SEVENTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, April 4, 2023, 10:00 a.m.

The Senate was called to order by Vice President Rick Wilborn.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Strength For The Weary
1 Kings 19:4-7, Isaiah 40:28-31

Lord, as we run life's race, and as we encounter all the obstacles, there are times when we get tired. When we look around and don't see some that should be running with us it can be discouraging. Even after a win and enjoying the high of a victory, we can experience emotional lows.

In 1 Kings 19:4-7, after enjoying a significant win Your Prophet Elijah was so physically and emotionally drained that he said to You, "I have had enough...I have had enough, LORD" He said, "Take my life!" He was ready to leave here. Oh, but Lord, You were nowhere near being finished with using him.

Lord, I'm also reminded of the encouraging Words You gave us through Your Prophet Isaiah for times when we feel empty or worn out. In Isaiah, 40:28-31, You bless us with these Words: 30) "Though the youth grow weary and tired, And vigorous young men stumble badly," 31) "Those who wait upon the LORD shall gain new strength, They will mount up with wings like eagles ... will run and not get tired ... will walk and not faint, not lose hope."

So, Lord, thanks for the reminders that You have much more for us to do.
In Your precious Name we offer this prayer, Amen!

The Pledge of Allegiance was led by Vice President Wilborn.

By Committee on Assessment and Taxation

A PROPOSITION to amend section 1 of article 11 of the constitution of the state of Kansas; relating to property taxation; limiting valuation increases for real property.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 1 of article 11 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 1. System of taxation; classification; exemption. (a) The provisions of this subsection shall govern the assessment and taxation of property on and after January 1, ~~2013~~ 2025, and each year thereafter. Except as otherwise hereinafter specifically provided, the legislature shall provide for a uniform and equal basis of valuation and rate of taxation of all property subject to taxation. The legislature may provide for the classification and the taxation uniformly as to class of recreational vehicles and watercraft, as defined by the legislature, or may exempt such class from property taxation and impose taxes upon another basis in lieu thereof. The provisions of this subsection shall not be applicable to the taxation of motor vehicles, except as otherwise hereinafter specifically provided, mineral products, money, mortgages, notes and other evidence of debt and grain.

The valuation of any real property shall not increase by more than 4% in any taxable year except when:

- (1) The property includes new construction or improvements have been made to the property;*

- (3) the property becomes disqualified from exemption;*
- (4) the property is first listed as escaped or omitted property;*
- (5) the legal description of the land, lot or parcel changes, except that the total valuation of all property affected by a legal description change shall not exceed the total valuation of the affected property for the previous year by more than 4%; or*
- (6) title to the property is transferred, changed or conveyed to another person.*

The legislature may define new construction or improvements by law and enact such other legislation as is necessary to administer this provision.

Property shall be classified into the following classes for the purpose of assessment and assessed at the percentage of value prescribed therefor:

Class 1 shall consist of real property. Real property shall be further classified into seven subclasses. Such property shall be defined by law for the purpose of subclassification and assessed uniformly as to subclass at the following percentages of value:

residential community of mobile or manufactured homes including the real property upon which such homes are located.....11½%

(2) Land devoted to agricultural use which shall be valued upon the basis of its agricultural income or agricultural productivity pursuant to section 12 of article 11 of the constitution.....30%

(3) Vacant lots.....12%

(4) Real property which is owned and operated by a not-for-profit organization not subject to federal income taxation pursuant to section 501 of the federal internal revenue code, and which is included in this subclass by law.....12%

(1) Mobile homes used for residential purposes.....11½%

(2) Mineral leasehold interests except oil leasehold interests the average daily production from which is five barrels or less, and natural gas leasehold interests the average daily production from which is 100 mcf or less, which shall be assessed at 25%.....30%

(3) Public utility tangible personal property including inventories thereof, except railroad personal property including inventories thereof, which shall be assessed at the average rate all other commercial and industrial property is assessed.....33%

(4) All categories of motor vehicles not defined and specifically valued and taxed pursuant to law enacted prior to January 1, 1985.....30%

(5) Commercial and industrial machinery and equipment which, if its economic life is seven years or more, shall be valued at its retail cost when new less seven-year straight-line depreciation, or which, if its economic life is less than seven years, shall be valued at its retail cost when new less straight-line depreciation over its economic life, except that, the value so obtained for such property, notwithstanding its economic life and as long as such property is being used, shall not be less than 20% of the retail cost when new of such property.....25%

(6) All other tangible personal property not otherwise specifically classified.....30%

(b) All property used exclusively for state, county, municipal, literary, educational, scientific, religious, benevolent and charitable purposes, farm machinery and equipment, merchants' and manufacturers' inventories, other than public utility inventories included in subclass (3) of class 2, livestock,

and all household goods and personal effects not used for the production of income, shall be exempted from property taxation."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. This amendment would limit annual valuation increases to 4% for real property for purposes of property taxation except when the property includes new construction or improvements have been made to the property, the class or subclass of the property changes, the property becomes disqualified from exemption, the property is first listed as escaped or omitted property, the legal description of the property changes or title to the property is transferred, changed or conveyed to another person.

"A vote for this proposition would limit annual valuation increases to 4% for real property except when the property includes new construction or improvements have been made to the property, the class or subclass of the property changes, the property becomes disqualified from exemption, the property is first listed as escaped or omitted property, the legal description of the property changes or title to the property is transferred, changed or conveyed to another person. The amendment would also authorize the legislature to define new construction or improvements and to enact such other legislation as is necessary to administer the provision.

"A vote against this proposition would provide no change to the Kansas constitution."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2024, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case such proposed amendment shall be submitted to the electors of the state at the special election.

EXPLANATION OF VOTE

I vote "NO" on the motion to amend. Although I understand there may be some benefit to some residential property owners, the significant tax increase to our Kansas agriculture producers is unacceptable. We all know that the Kansas economy is heavily reliant on agriculture industry. The property tax increase to production agriculture that would result from this amendment will potentially bankrupt some producers and we all rely on farmers for food and many other products. Production agriculture is already challenging, we should not intentionally pass legislation that makes it more expensive for the industry.—VIRGIL PECK

Senator Steffen requests the record to show he concurs with the "Explanation of Vote" offered by Senator Peck on **SCR 1611**.

**MESSAGE FROM THE GOVERNOR
REGARDING VETO OF HOUSE BILL 2238**

"As I've said before, we all want a fair and safe place for our kids to play and compete.

That's why I support the Kansas State High School Activities Association, which was set up to ensure nobody has an unfair advantage on the playing field. The Legislature should let the Association do its job.

Let's be clear about what this bill is all about – politics. It won't increase any test scores. It won't help any kids read or write. It won't help any teachers prepare our kids for the real world. Here's what this bill would actually do: harm the mental health of our

students. That's exactly why Republican governors have joined me in vetoing similar bills.

This bill would also reverse the progress we've made in recruiting businesses and creating jobs. It would send a signal to prospective companies that Kansas is more focused on unnecessary and divisive legislation than becoming a place where young people want to work and raise a family.

Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2238.**"

A motion was made that **HB 2238** be passed notwithstanding the Governor's veto. By vote of 84 Yeas and 40 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the House of Representatives, voting in the affirmative, the bill passed.

ACTION ON VETO MESSAGE

A motion was made by Senator Erickson that **HB 2238** be passed notwithstanding the Governor's veto.

AN ACT concerning education; relating to student athletes; creating the fairness in women's sports act; restricting participation on women's teams to female students; providing a cause of action for violations of the act.,

Upon the showing of five hands a Call of the Senate was requested.

On roll call, the vote was: Yeas 28; Nays 12; Present and Passing 0; Absent or Not Voting 0.

Yeas: Alley, Baumgardner, Billinger, Blasi, Bowers, Claeys, Doll, Erickson, Fagg, Gossage, Kerschen, Kloos, Longbine, Masterson, McGinn, O'Shea, Olson, Peck, Petersen, Pyle, Ryckman, Shallenburger, Steffen, Straub, Thompson, Tyson, Warren, Wilborn.

Nays: Corson, Dietrich, Faust-Goudeau, Francisco, Haley, Holland, Holscher, Pettey, Pittman, Reddi, Sykes, Ware.

A two-thirds constitutional majority having voted in favor of overriding the Governor's veto, the motion prevailed and the bill passed.

The Call was lifted.

EXPLANATION OF VOTE

It is not the job of the Kansas Legislature to be deciding what kindergarteners do and don't do. Sports federations such as the NCAA are making sport-appropriate decisions about this. In competitive swimming, athletes must transition by age 12 in order to compete. They've addressed the problem. For Christians, this week is Holy Week, when Jesus was crucified. And what this body is doing is crucifying a part of our community. I vote no.—DINAH SYKES

Senator Pettey requests the record to show she concurs with the "Explanation of Vote" offered by Senator Sykes on **HB 2338**.

(3) a statement that the applicant has been furnished a copy of this act and is knowledgeable of its provisions;

(4) a conspicuous warning that the application is executed under oath and that a false answer to any question, or the submission of any false document by the applicant, subjects the applicant to criminal prosecution under K.S.A. 2022 Supp. 21-5903, and amendments thereto; and

(5) a statement that the applicant desires a concealed handgun license as a means of lawful self-defense.

(b) Except as otherwise provided in subsection (i), the applicant shall submit to the sheriff of the county where the applicant resides, during any normal business hours:

(c) If the commissioner makes written findings of fact that there is a situation involving an immediate danger to the public health, safety or welfare or the public interest will be irreparably harmed by delay in issuing an order under subsection (a)(3), the commissioner may issue an emergency temporary cease and desist order. Such order, even when not an order within the meaning of K.S.A. 77-502, and amendments thereto, shall be subject to the same procedures as an emergency order issued under K.S.A. 77-536, and amendments thereto. The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill as printed with House Committee amendments, as follows:

On page 1, in line 6, before "Section" by inserting "New";

On page 14, following line 25, by inserting:

"Sec. 2. K.S.A. 2022 Supp. 48-3406 is hereby amended to read as follows: 48-3406. (a) For the purposes of this section:

(1) "Applicant" means an individual who is a military spouse, military servicemember or an individual who has established or intends to establish residency in this state. ~~"Applicant" with respect to law enforcement certification by the Kansas commission on peace officers' standards and training means an applicant who has met the employment requirement pursuant to K.S.A. 74-5605(a), and amendments thereto.~~

(2) "Complete application" means the licensing body has received all forms, fees, documentation, a signed affidavit stating that the application information, including necessary prior employment history, is true and accurate and any other information required or requested by the licensing body for the purpose of evaluating the application, consistent with this section and the rules and regulations adopted by the licensing body pursuant to this section. If the licensing body has received all such forms, fees, documentation and any other information required or requested by the licensing body, an application shall be deemed to be a complete application even if the licensing body has not yet received a criminal background report from the Kansas bureau of investigation.

(3) "Electronic credential" or "electronic certification, license or registration" means an electronic method by which a person may display or transmit to another person information that verifies the status of a person's certification, licensure, registration or permit as authorized by a licensing body and is equivalent to a paper-based certification, license, registration or permit.

(4) "Licensing body" means an official, agency, board or other entity of the state ~~which that~~ authorizes individuals to practice a profession in this state and issues a license, registration, certificate, permit or other authorization to an individual so authorized.

(4)(5) "Military servicemember" means a current member of any branch of the United States armed services, United States military reserves or national guard of any state or a former member with an honorable discharge.

(5)(6) "Military spouse" means the spouse of a military servicemember.

(6)(7) "Person" means a natural person.

(8) "Private certification" means a voluntary program in which a private organization grants nontransferable recognition to an individual who meets personal qualifications and standards relevant to performing the occupation as determined by the private organization.

(7)(9) "Scope of practice" means the procedures, actions, processes and work that a person may perform under a government issued license, registration or certification.

(10) "Verification system" means an electronic method by which the authenticity and validity of electronic credentials are verified.

(b) Notwithstanding any other provision of law, any licensing body shall, upon submission of a complete application, issue a paper-based and verified electronic license, registration or certification to an applicant as provided by this section, so that the applicant may lawfully practice the person's occupation. Any licensing body may satisfy any requirement under this section to provide a paper-based license, registration, certification or permit in addition to an electronic license, registration, certification or permit by issuing such electronic credential to the applicant in a format that permits the applicant to print a paper copy of such electronic credential. Such paper copy shall be considered a valid license, registration, certification or permit for all purposes.

(c) An applicant who holds a valid current license, registration or certification in another state, district or territory of the United States shall receive a paper-based and verified electronic license, registration or certification:

(1) If the applicant qualifies under the applicable Kansas licensure, registration or certification by endorsement, reinstatement or reciprocity statutes, then pursuant to applicable licensure, registration or certification by endorsement, reinstatement or reciprocity statutes of the licensing body of this state for the license, registration or certification within 15 days from the date a complete application was submitted if the applicant is a military servicemember or military spouse or within 45 days from the date a complete application was submitted for all other applicants; or

(2) if the applicant does not qualify under the applicable licensure, registration or certification by endorsement, reinstatement or reciprocity statutes of the licensing body of this state, or if the Kansas professional practice act does not have licensure, registration or certification by endorsement, reinstatement or reciprocity statutes, then the applicant shall receive a license, registration or certification as provided herein if, at the time of application, the applicant:

(A) Holds a valid current license, registration or certification in another state, district or territory of the United States with licensure, registration or certification requirements that the licensing body determines authorize a similar scope of practice as those established by the licensing body of this state, or holds a certification issued by another state for practicing the occupation but this state requires an occupational

license, and the licensing body of this state determines that the certification requirements certify a similar scope of practice as the licensing requirements established by the licensing body of this state;

(B) has worked for at least one year in the occupation for which the license, certification or registration is sought;

(C) has not committed an act in any jurisdiction that would have constituted grounds for the limitation, suspension or revocation of the license, certificate or registration, or that the applicant has never been censured or had other disciplinary action taken or had an application for licensure, registration or certification denied or refused to practice an occupation for which the applicant seeks licensure, registration or certification;

(D) has not been disciplined by a licensing, registering, certifying or other credentialing entity in another jurisdiction and is not the subject of an unresolved complaint, review procedure or disciplinary proceeding conducted by a licensing, registering, certifying or other credentialing entity in another jurisdiction nor has surrendered their membership on any professional staff in any professional association or society or faculty for another state or jurisdiction while under investigation or to avoid adverse action for acts or conduct similar to acts or conduct that would constitute grounds for disciplinary action in a Kansas practice act;

(E) does not have a disqualifying criminal record as determined by the licensing body of this state under Kansas law;

(F) provides proof of solvency, financial standing, bonding or insurance if required by the licensing body of this state, but only to the same extent as required of any applicant with similar credentials or experience;

(G) pays any fees required by the licensing body of this state; and

(H) submits with the application a signed affidavit stating that the application information, including necessary prior employment history, is true and accurate.

Upon receiving a complete application and the provisions of subsection (c)(2) apply and have been met by the applicant, the licensing body shall issue the license, registration or certification within 15 days from the date a complete application was submitted by a military servicemember or military spouse, or within 45 days from the date a complete application was submitted by an applicant who is not a military servicemember or military spouse, to the applicant on a probationary basis, but may revoke the license, registration or certification at any time if the information provided in the application is found to be false. The probationary period shall not exceed six months. Upon completion of the probationary period, the license, certification or registration shall become a non-probationary license, certification or registration.

(d) Any applicant who has not been in the active practice of the occupation during the two years preceding the application for which the applicant seeks a license, registration or certification under subsection (c)(2) may be required to complete such additional testing, training, monitoring or continuing education as the Kansas licensing body may deem necessary to establish the applicant's present ability to practice in a manner that protects the health and safety of the public, as provided by subsection (j).

(e) Upon submission of a complete application, an applicant may receive an occupational license, registration or certification based on the applicant's work experience in another state, if the applicant:

(1) Worked in a state that does not use an occupational license, registration,

certification or private certification to regulate an occupation, but this state uses an occupational license, registration or certification to regulate the occupation;

(2) worked for at least three years in the occupation during the four years immediately preceding the application; and

(3) satisfies the requirements of subsection (c)(2)(C) through (H).

(f) Upon submission of a complete application, an applicant may receive an occupational license, registration or certification under subsection (b) based on the applicant's holding of a private certification and work experience in another state, if the applicant:

(1) Holds a private certification and worked in a state that does not use an occupational license or government certification to regulate an occupation, but this state uses an occupational license or government certification to regulate the occupation;

(2) worked for at least two years in the occupation;

(3) holds a current and valid private certification in the occupation;

(4) is held in good standing by the organization that issued the private certification;

and

(5) satisfies the requirements of subsection (c)(2)(C) through (H).

(g) An applicant licensed, registered or certified under this section shall be entitled to the same rights and subject to the same obligations as are provided by the licensing body for Kansas residents, except that revocation or suspension of an applicant's license, registration or certificate in the applicant's state of residence or any jurisdiction in which the applicant held a license, registration or certificate shall automatically cause the same revocation or suspension of such applicant's license, registration or certificate in Kansas. No hearing shall be granted to an applicant where such applicant's license, registration or certificate is subject to such automatic revocation or suspension, except for the purpose of establishing the fact of revocation or suspension of the applicant's license, registration or certificate by the applicant's state of residence or jurisdiction in which the applicant held a license, registration or certificate.

(h) In the event the licensing body determines that the license, registration or certificate currently held by an applicant under subsection (c)(2) or the work experience or private credential held by an applicant under subsections (e) or (f), who is a military spouse or military servicemember does not authorize a similar scope of practice as the license, registration or certification issued by the licensing body of this state, the licensing body shall issue a temporary permit for a limited period of time to allow the applicant to lawfully practice the applicant's occupation while completing any specific requirements that are required in this state for licensure, registration or certification that were not required in the state, district or territory of the United States in which the applicant was licensed, registered, certified or otherwise credentialed, unless the licensing body finds, based on specific grounds, that issuing a temporary permit would jeopardize the health and safety of the public.

(i) In the event the licensing body determines that the license, registration or certification currently held by an applicant under subsection (c)(2) or the work experience or private credential held by an applicant under subsections (e) or (f), who is not a military spouse or military servicemember, does not authorize a similar scope of practice as the license, registration or certification issued by the licensing body of this state, the licensing body may issue a temporary permit for a limited period of time to allow the applicant to lawfully practice the applicant's occupation while completing any

specific requirements that are required in this state for licensure, registration or certification that was not required in the state, district or territory of the United States in which the applicant was licensed, registered, certified or otherwise credentialed, unless the licensing body finds, based on specific grounds, that issuing a temporary permit would jeopardize the health and safety of the public.

(j) Any testing, continuing education or training requirements administered under subsection (d), (h) or (i) shall be limited to Kansas law that regulates the occupation and that are materially different from or additional to the law of another state, or shall be limited to any materially different or additional body of knowledge or skill required for the occupational license, registration or certification in Kansas.

(k) A licensing body may grant licensure, registration, certification or a temporary permit to any person who meets the requirements under this section but was separated from such military service under less than honorable conditions or with a general discharge under honorable conditions.

(l) Nothing in this section shall be construed to apply in conflict with or in a manner inconsistent with federal law or a multistate compact, or a rule or regulation or a reciprocal or other applicable statutory provision that would allow an applicant to receive a license. Nothing in this section shall be construed as prohibiting a licensing body from denying any application for licensure, registration or certification, or declining to grant a temporary or probationary license, if the licensing body determines that granting the application may jeopardize the health and safety of the public.

(m) Nothing in this section shall be construed to be in conflict with any applicable Kansas statute defining the scope of practice of an occupation. The scope of practice as provided by Kansas law shall apply to applicants under this section.

(n) Notwithstanding any other provision of law, during a state of emergency declared by the legislature, a licensing body may grant a temporary emergency license to practice any profession licensed, certified, registered or regulated by the licensing body to an applicant whose qualifications the licensing body determines to be sufficient to protect health and safety of the public and may prohibit any unlicensed person from practicing any profession licensed, certified, registered or regulated by the licensing body.

(o) Not later than January 1, 2025, licensing bodies may shall provide paper-based and verified electronic credentials to persons regulated by the licensing body. ~~For purposes of this subsection, "electronic credential" means an electronic method by which a person may display or transmit to another person information that verifies a person's certification, licensure, registration or permit.~~ A licensing body may prescribe the format or requirements of the electronic credential to be used by the licensing body. Any statutory or regulatory requirement to display, post or produce a credential issued by a licensing body may be satisfied by the proffer of an electronic credential authorized by the licensing body. A licensing body may use a third-party electronic credential system that is not maintained by the licensing body.

(p) On or before January 1, 2025, and subject to appropriations therefore, the secretary of administration shall develop and implement a uniform or singular license verification portal for the purpose of verifying or reporting license statuses such as credentials issued, renewed, revoked or suspended by licensing bodies or that have expired or otherwise changed in status. The secretary of administration may utilize the services or facilities of a third party for the central electronic record system. The central

electronic record system shall comply with the requirements adopted by the information technology executive council pursuant to K.S.A. 75-7203, and amendments thereto. Beginning January 1, 2025, each licensing body shall be able to integrate with the uniform or singular license verification portal in the manner and format required by the secretary of administration indicating any issuance, renewal, revocation, suspension, expiration or other change in status of an electronic credential that has occurred. No charge for the establishment or maintenance of the uniform or singular license verification portal shall be imposed on any licensing body or any person with a license, registration, certification or permit issued by a licensing body. ~~Such electronic credential system~~ The centralized electronic credential data management systems shall include ~~a~~ an instantaneous verification system that is operated by the licensing body or its licensing body's respective secretary, or the secretary's designee, or the secretary's third-party agent on behalf of the licensing body for the purpose of instantly verifying the authenticity and validity of electronic credentials issued by the licensing body. Centralized electronic credential data management systems shall maintain an auditable record of credentials issued by each licensing body.

(q) Nothing in this section shall be construed as prohibiting or preventing a licensing body from developing, operating, maintaining or using a separate electronic credential system of the licensing body or of a third party in addition to making the reports to the central electronic record system required by subsection (p) or participating in a multistate compact or a reciprocal licensure, registration or certification process as long as the separate electronic credential system of the licensing body integrates with the uniform or singular license verification portal.

~~(p)~~(r) Each licensing body shall adopt rules and regulations necessary to implement and carry out the provisions of this section.

~~(e)~~(s) This section shall not apply to the practice of law or the regulation of attorneys pursuant to K.S.A. 7-103, and amendments thereto, or to the certification of law enforcement officers pursuant to the Kansas law enforcement training act, K.S.A. 74-5601 et seq., and amendments thereto.

REPORTS OF STANDING COMMITTEES

Committee on **Financial Institutions and Insurance** recommends **HB 2133** be amended on page 1, by striking all in lines 8 through 36;

On page 2, by striking all in lines 1 through 37; following line 37, by inserting:

"Section 1. K.S.A. 9-2307 is hereby amended to read as follows: 9-2307. (a) A fiduciary financial institution shall make a report to the commissioner pursuant to the provisions of K.S.A. 9-1704, and amendments thereto. In making such a report, a fiduciary financial institution shall:

(1) Report the fiduciary financial institution's fidfin transactions pursuant to generally accepted accounting principles; and

(2) calculate such fiduciary financial institution's capital solvency by including the value of all tangible and intangible assets owned by the fiduciary financial institution, regardless of use.

(b) In examining a fiduciary financial institution, the state banking board and the commissioner shall:

(1) Consider that the collateral or underlying assets associated with fidfin transactions are volatile in nature and that such volatility has been accepted by the members and customers of the fiduciary financial institution;

(2) respect the form, treatment and character of fidfin transactions under the laws of this state notwithstanding the treatment or characterization of such transactions under generally accepted accounting principles or for tax purposes;

(3) evaluate whether available capital, including the agreement of a fiduciary financial institution's members to contribute capital pursuant to K.S.A. 9-2305, and amendments thereto, exceeds the fiduciary financial institution's obligations, determined in accordance with generally accepted accounting principles;

(4) evaluate the background and qualifications of a fiduciary financial institution's executive officers and directors, the internal controls and audit processes enacted by the fiduciary financial institution and adherence to its policies and procedures;

(5) evaluate the profitability of a fiduciary financial institution in accordance with subsection (c);

(6) evaluate a fiduciary financial institution's compliance with applicable state and federal laws; and

(7) evaluate a fiduciary financial institution's information technology systems, policies and practices.

(c) Profitability shall not be a consideration in evaluating a fiduciary financial institution if sufficient capital and equity exist in the business, including, without limitation, membership capital, surplus, undivided profits and commitments by members to contribute additional capital to the fiduciary financial institution pursuant to K.S.A. 9-2305, and amendments thereto, to satisfy the fiduciary financial institution's obligations.

(d) A fiduciary financial institution shall be overseen, supervised and examined by the office of the state bank commissioner as a chartered trust company as defined in K.S.A. 9-701, and amendments thereto, exercising fiduciary powers and engaging in trust business pursuant to K.S.A. 9-2310, and amendments thereto, and rules and regulations adopted pursuant to state law by such office and shall be designated, recognized and referenced as a chartered trust company as defined in K.S.A. 9-701, and amendments thereto, by the office of the state bank commissioner without exception.

Sec. 2. K.S.A. 9-2308 is hereby amended to read as follows: 9-2308. A fiduciary financial institution is a chartered trust company as defined in K.S.A. 9-701, and amendments thereto, for all purposes under federal and state law as if authorized under K.S.A. 9-804(c), and amendments thereto. While a fiduciary financial institution is a trust company for purposes of federal and state law and rules and regulations and possesses trust powers under this act, it is the intent of this section to impose restrictions on the business name of such institution to avoid confusion with other banks and trust

The naming restrictions on the business name imposed under this section shall in no way reduce or eliminate the trust powers granted to a fiduciary financial institution as a trust company under this act. Other than indicating that the fiduciary financial institution is headquartered and chartered in Kansas, no fiduciary financial institution's name or advertising shall infer or imply that such fiduciary financial institution is endorsed by, an affiliate of or otherwise connected with the government of the state of Kansas. Nothing in this section or K.S.A. 9-2011, and amendments thereto, shall restrict a fiduciary financial institution from publishing or promulgating itself as a trust company as defined in K.S.A. 9-701, and amendments thereto, in legal or regulatory filings or disclosures to existing or prospective customers or investors.

Sec. 3. K.S.A. 9-2310 is hereby amended to read as follows: 9-2310. Any fiduciary financial institution is hereby authorized to exercise by its board of directors or duly authorized officers or agents, subject to law, the following powers:

Journal of the Senate

FIFTY-NINTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, April 6, 2023, 10:00 a.m.

The Senate was called to order by President Ty Masterson.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Needing The Heart of God From The Heart Doctor
Leviticus 17:9, Ezekiel 36:26

Heavenly Father, You have called us to the service of bringing Your purposes to pass. The laws that come together here are to be a reflection of Your heart. But we do need Your help because Your Word says in Leviticus 17:9 that the human heart is the most deceitful of all things and desperately wicked.

The problem then for us is to bring our deceitful corrupt hearts...that don't think they're all that bad in line with Your perfect purposes. Lord, we need You to do for us what You did for Your people in Ezekiel 36:26. You said "I will give you a new heart and a new mind. I will take away your stubborn heart of stone and give you an obedient heart." Lord, that's what we need. But, for our hearts to reflect Your heart, we'll need You to be...and continue to be our Heart Doctor; for today and all the activities of today and then for the rest of our days. Thanks, Lord for hearing our prayers. In Jesus' Name I pray. Amen

The Pledge of Allegiance was led by President Masterson.

No state agency shall require any person or business to adopt or operate in accordance with environmental, social and governance criteria.

New Sec. 5. (a) This act or any contract subject to this act may be enforced by the attorney general.

(b) If the attorney general has reasonable cause to believe that a person has engaged in, is engaging in or is about to engage in a violation of this act, the attorney general may require:

Sec. 7. K.S.A. 2022 Supp. 74-4921 is hereby amended to read as follows: 74-4921.

(1) There is hereby created in the state treasury the Kansas public employees retirement fund. All employee and employer contributions shall be deposited in the state treasury to be credited to the Kansas public employees retirement fund. The fund is a trust fund and shall be used solely for the exclusive purpose of providing benefits to members and member beneficiaries and defraying reasonable expenses of administering the fund. Investment income of the fund shall be added or credited to the fund as provided by law. All benefits payable under the system, refund of contributions and overpayments, purchases or investments under the law and expenses in connection with the system unless otherwise provided by law shall be paid from the fund. The director of accounts and reports is authorized to draw warrants on the state treasurer and against such fund upon the filing in the director's office of proper vouchers executed by the chairperson or the executive director of the board. As an alternative, payments from the fund may be made by credits to the accounts of recipients of payments in banks, savings and loan

associations and credit unions. A payment shall be so made only upon the written authorization and direction of the recipient of payment and upon receipt of such authorization such payments shall be made in accordance therewith. Orders for payment of such claims may be contained on:

(a) A letter, memorandum, telegram, computer printout or similar writing; or

(b) any form of communication, other than voice, which is registered upon magnetic tape, disc or any other medium designed to capture and contain in durable form conventional signals used for the electronic communication of messages.

(2) The board shall have the responsibility for the management of the fund and shall discharge the board's duties with respect to the fund solely in the interests of the members and beneficiaries of the system for the exclusive purpose of providing benefits to members and such member's beneficiaries and defraying reasonable expenses of administering the fund and shall invest and reinvest moneys in the fund and acquire, retain, manage, including the exercise of any voting rights and disposal of investments of the fund within the limitations and according to the powers, duties and purposes as prescribed by this section.

(3) Moneys in the fund shall be invested and reinvested to achieve the investment objective which is preservation of the fund to provide benefits to members and member beneficiaries, as provided by law and accordingly providing that the moneys are as productive as possible, subject to the standards set forth in this act. No moneys in the fund shall be invested or reinvested if ~~the sole or primary~~ any investment objective is for economic development or social purposes or objectives.

(4) In investing and reinvesting moneys in the fund and in acquiring, retaining, managing and disposing of investments of the fund, the board shall exercise the judgment, care, skill, prudence and diligence under the circumstances then prevailing, which persons of prudence, discretion and intelligence acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims by diversifying the investments of the fund so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so, and not in regard to speculation but in regard to the permanent disposition of similar funds, considering the probable income as well as the probable safety of their capital.

(5) Notwithstanding subsection (4):

(a) Total investments in common stock may be made in the amount of up to 60% of the total book value of the fund;

(b) the board may invest or reinvest moneys of the fund in alternative investments if the following conditions are satisfied:

(i) The total of the annual net commitment to alternative investments does not exceed 5% of the total market value of investment assets of the fund as measured from the end of the preceding calendar year;

(ii) if in addition to the system, there are at least two other qualified institutional buyers, as defined by section (a)(1)(i) of rule 144A, securities act of 1933;

(iii) the system's share in any individual alternative investment is limited to an investment representing not more than 20% of any such individual alternative investment;

(iv) the system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of alternative investment;

(v) the alternative investment is consistent with the system's investment policies and objectives as provided in subsection (6);

(vi) the individual alternative investment does not exceed more than 2.5% of the total alternative investments made under this subsection. If the alternative investment is made pursuant to participation by the system in a multi-investor pool, the 2.5% limitation contained in this subsection is applied to the underlying individual assets of such pool and not to investment in the pool itself. The total of such alternative investments made pursuant to participation by the system in any one individual multi-investor pool shall not exceed more than 20% of the total of alternative investments made by the system pursuant to this subsection. Nothing in this subsection requires the board to liquidate or sell the system's holdings in any alternative investments made pursuant to participation by the system in any one individual multi-investor pool held by the system on the effective date of this act, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and be prudent under the standards contained in this section. The 20% limitation contained in this subsection shall not have been violated if the total of such investment in any one individual multi-investor pool exceeds 20% of the total alternative investments of the fund as a result of market forces acting to increase the value of such a multi-investor pool relative to the rest of the system's alternative investments; however, the board shall not invest or reinvest any moneys of the fund in any such individual multi-investor pool until the value of such individual multi-investor pool is less than 20% of the total alternative investments of the fund;

(vii) the board has received and considered the investment manager's due diligence findings submitted to the board as required by subsection ~~(6)(e)(6)~~;

(viii) prior to the time the alternative investment is made, the system has in place procedures and systems to ensure that the investment is properly monitored and investment performance is accurately measured; and

(ix) the total of alternative investments does not exceed 15% of the total investment assets of the fund. The 15% limitation contained in this subsection shall not have been violated if the total of such alternative investments exceeds 15% of the total investment assets of the fund, based on the fund total market value, as a result of market forces acting to increase the value of such alternative investments relative to the rest of the system's investments. However, the board shall not invest or reinvest any moneys of the fund in alternative investments until the total value of such alternative investments is less than 15% of the total investment assets of the fund based on the market value. If the total value of the alternative investments exceeds 15% of the total investment assets of the fund, the board shall not be required to liquidate or sell the system's holdings in any alternative investment held by the system, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and is prudent under the standards contained in this section;

(c) for purposes of this act section, "alternative investment" includes a broad group of investments that are not one of the traditional asset types of public equities, fixed income, cash or real estate. Alternative investments are generally made through limited partnership or similar structures, are not regularly traded on nationally recognized exchanges and thus are relatively illiquid, and exhibit lower correlations with more liquid asset types such as stocks and bonds. Alternative investments generally include, but are not limited to, private equity, private credit, hedge funds, infrastructure,

commodities and other investments ~~which that~~ have the characteristics described in this paragraph; and

~~(e)(d)~~ except as otherwise provided, the board may invest or reinvest moneys of the fund in real estate investments if the following conditions are satisfied:

(i) The system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of real estate investment;

(ii) the real estate investment is consistent with the system's investment policies and objectives as provided in subsection (6); and

(iii) the system has received and considered the investment manager's due diligence findings.

(6)(a) Subject to the objective set forth in subsection (3) and the standards set forth in subsections (4) and (5) the board shall formulate policies and objectives for the investment and reinvestment of moneys in the fund and the acquisition, retention, management and disposition of investments of the fund. Such policies and objectives shall include:

~~(a)(i)~~ Specific asset allocation standards and objectives;

~~(b)(ii)~~ establishment of criteria for evaluating the risk versus the potential return on a particular investment;

~~(e)(iii)~~ a requirement that all investment managers submit such manager's due diligence findings on each investment to the board or investment advisory committee for approval or rejection prior to making any alternative investment;

~~(d)(iv)~~ a requirement that all investment managers shall immediately report all instances of default on investments to the board and provide the board with recommendations and options, including, but not limited to, curing the default or withdrawal from the investment; and

~~(e)(v)~~ establishment of criteria that would be used as a guideline for determining when no additional add-on investments or reinvestments would be made and when the investment would be liquidated.

(b) The board shall review such policies and objectives, make changes considered necessary or desirable and readopt such policies and objectives on an annual basis.

(7) The board may enter into contracts with one or more persons whom the board determines to be qualified, whereby the persons undertake to perform the functions specified in subsection (2) to the extent provided in the contract. Performance of functions under contract so entered into shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts and shall be based on specific contractual fee arrangements. The system shall not pay or reimburse any expenses of persons contracted with pursuant to this subsection, except that after approval of the board, the system may pay approved investment related expenses subject to provisions of appropriation acts. The board shall require that a person contracted with to obtain commercial insurance which provides for errors and omissions coverage for such person in an amount to be specified by the board, provided that such coverage shall be at least the greater of \$500,000 or 1% of the funds entrusted to such person up to a maximum of \$10,000,000. The board shall require a person contracted with to give a fidelity bond in a penal sum as may be fixed by law or, if not so fixed, as may be fixed by the board, with corporate surety authorized to do business in this state. Such persons contracted with the board pursuant to this subsection and any persons contracted with

such persons to perform the functions specified in subsection (2) shall be deemed to be agents of the board and the system in the performance of contractual obligations.

(8) (a) In the acquisition or disposition of securities, the board may rely on the written legal opinion of a reputable bond attorney or attorneys, the written opinion of the attorney of the investment counselor or managers, or the written opinion of the attorney general certifying the legality of the securities.

(b) The board shall employ or retain qualified investment counsel or counselors or may negotiate with a trust company to assist and advise in the judicious investment of funds as herein provided.

(9) (a) Except as provided in subsection (7) and this subsection, the custody of money and securities of the fund shall remain in the custody of the state treasurer, except that the board may arrange for the custody of such money and securities as it considers advisable with one or more member banks or trust companies of the federal reserve system or with one or more banks in the state of Kansas, or both, to be held in safekeeping by the banks or trust companies for the collection of the principal and interest or other income or of the proceeds of sale. The services provided by the banks or trust companies shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts.

(b) The state treasurer and the board shall collect the principal and interest or other income of investments or the proceeds of sale of securities in the custody of the state treasurer and pay same when so collected into the fund.

(c) The principal and interest or other income or the proceeds of sale of securities as provided in ~~clause (a) of this subsection~~ (9) shall be reported to the state treasurer and the board and credited to the fund.

(10) The board shall with the advice of the director of accounts and reports establish the requirements and procedure for reporting any and all activity relating to investment functions provided for in this act in order to prepare a record monthly of the investment income and changes made during the preceding month. The record will reflect a detailed summary of investment, reinvestment, purchase, sale and exchange transactions and such other information as the board may consider advisable to reflect a true accounting of the investment activity of the fund.

(11) The board shall provide for an examination of the investment program annually. The examination shall include an evaluation of current investment policies and practices and of specific investments of the fund in relation to the objective set forth in subsection (3), the standard set forth in subsection (4) and other criteria as may be appropriate, and recommendations relating to the fund investment policies and practices and to specific investments of the fund as are considered necessary or desirable. The board shall include in its annual report to the governor as provided in K.S.A. 74-4907, and amendments thereto, a report or a summary thereof covering the investments of the fund.

~~(12) (a)~~ Any internal assessment or examination of alternative investments of the system performed by any person or entity employed or retained by the board which evaluates or monitors the performance of alternative investments shall be reported to the legislative post auditor so that such report may be reviewed in accordance with the annual financial-compliance audits conducted pursuant to K.S.A. 74-49,136, and amendments thereto.

~~(b) The board shall prepare and submit an alternative investment report to the joint~~

~~committee on pensions, investments and benefits prior to January 1, 2016. Such report shall include a review of alternative investments of the system with an emphasis on the effects of changes in law pursuant to this act and includes specific investment cost and market value information of each individual alternative investment.~~

The total of such alternative investments made pursuant to participation by the system in any one individual multi-investor pool shall not exceed more than 20% of the total of alternative investments made by the system pursuant to this subsection. Nothing in this subsection requires the board to liquidate or sell the system's holdings in any alternative investments made pursuant to participation by the system in any one individual multi-investor pool held by the system on the effective date of this act, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and be prudent under the standards contained in this section. The 20% limitation contained in this subsection shall not have been violated if the total of such investment in any one individual multi-investor pool exceeds 20% of the total alternative investments of the fund as a result of market forces acting to increase the value of such a multi-investor pool relative to the rest of the system's alternative investments; however, the board shall not invest or reinvest any moneys of the fund in any such individual multi-investor pool until the value of such individual multi-investor pool is less than 20% of the total alternative investments of the fund;

(vii) the board has received and considered the investment manager's due diligence findings submitted to the board as required by subsection ~~(6)(e)~~ (6);

(viii) prior to the time the alternative investment is made, the system has in place procedures and systems to ensure that the investment is properly monitored and investment performance is accurately measured; and

The 15% limitation contained in this subsection shall not have been violated if the total of such alternative investments exceeds 15% of the total investment assets of the fund, based on the fund total market value, as a result of market forces acting to increase the value of such alternative investments relative to the rest of the system's investments. However, the board shall not invest or reinvest any moneys of the fund in alternative investments until the total value of such alternative investments is less than 15% of the total investment assets of the fund based on the market value. If the total value of the alternative investments exceeds 15% of the total investment assets of the fund, the board shall not be required to liquidate or sell the system's holdings in any alternative investment held by the system, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and is prudent under the

standards contained in this section;

(c) for purposes of this ~~act~~ section, "alternative investment" includes a broad group of investments that are not one of the traditional asset types of public equities, fixed income, cash or real estate. Alternative investments are generally made through limited partnership or similar structures, are not regularly traded on nationally recognized exchanges and thus are relatively illiquid, and exhibit lower correlations with more liquid asset types such as stocks and bonds. Such policies and objectives shall include:

~~(a)~~(i) Specific asset allocation standards and objectives;

~~(d)~~(iv) a requirement that all investment managers shall immediately report all instances of default on investments to the board and provide the board with recommendations and options, including, but not limited to, curing the default or withdrawal from the investment; and

~~(e)~~(v) establishment of criteria that would be used as a guideline for determining when no additional add-on investments or reinvestments would be made and when the investment would be liquidated.

(b) The board shall review such policies and objectives, make changes considered necessary or desirable and readopt such policies and objectives on an annual basis.

(7) The board may enter into contracts with one or more persons whom the board determines to be qualified, whereby the persons undertake to perform the functions specified in subsection (2) to the extent provided in the contract. Such persons contracted with the board pursuant to this subsection and any persons contracted with such persons to perform the functions specified in subsection (2) shall be deemed to be agents of the board and the system in the performance of contractual obligations.

(8) (a) In the acquisition or disposition of securities, the board may rely on the written legal opinion of a reputable bond attorney or attorneys, the written opinion of the attorney of the investment counselor or managers, or the written opinion of the attorney general certifying the legality of the securities.

(b) The board shall employ or retain qualified investment counsel or counselors or may negotiate with a trust company to assist and advise in the judicious investment of funds as herein provided.

(9) (a) Except as provided in subsection (7) and this subsection, the custody of money and securities of the fund shall remain in the custody of the state treasurer, except that the board may arrange for the custody of such money and securities as it considers advisable with one or more member banks or trust companies of the federal reserve system or with one or more banks in the state of Kansas, or both, to be held in safekeeping by the banks or trust companies for the collection of the principal and interest or other income or of the proceeds of sale. The services provided by the banks or trust companies shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts.

(b) The state treasurer and the board shall collect the principal and interest or other income of investments or the proceeds of sale of securities in the custody of the state treasurer and pay same when so collected into the fund.

(c) The principal and interest or other income or the proceeds of sale of securities as provided in ~~clause (a) of this subsection (9)~~ shall be reported to the state treasurer and the board and credited to the fund.

(10) The board shall with the advice of the director of accounts and reports establish the requirements and procedure for reporting any and all activity relating to investment functions provided for in this act in order to prepare a record monthly of the investment income and changes made during the preceding month. The record will reflect a detailed summary of investment, reinvestment, purchase, sale and exchange transactions and such other information as the board may consider advisable to reflect a true accounting of the investment activity of the fund.

(11) The board shall provide for an examination of the investment program annually. The examination shall include an evaluation of current investment policies and practices and of specific investments of the fund in relation to the objective set forth in subsection (3), the standard set forth in subsection (4) and other criteria as may be appropriate, and recommendations relating to the fund investment policies and practices and to specific investments of the fund as are considered necessary or desirable. The board shall include in its annual report to the governor as provided in K.S.A. 74-4907, and amendments thereto, a report or a summary thereof covering the investments of the

fund.

(12)-(a) Any internal assessment or examination of alternative investments of the system performed by any person or entity employed or retained by the board which evaluates or monitors the performance of alternative investments shall be reported to the legislative post auditor so that such report may be reviewed in accordance with the annual financial-compliance audits conducted pursuant to K.S.A. 74-49,136, and amendments thereto.

~~(b) The board shall prepare and submit an alternative investment report to the joint committee on pensions, investments and benefits prior to January 1, 2016. Such report shall include a review of alternative investments of the system with an emphasis on the effects of changes in law pursuant to this act and includes specific investment cost and market value information of each individual alternative investment.~~
