

3.18.24

House Committee on Health and Human Services
Hb 2556
Opponent
Written only

Chairwoman and Committee Members,

I am Debbie Detmer and an Opponent to Hb 2556. Medicare expansion will create more dept. Medicare expansion leads to surge in spending but reduces healthcare access for the ones that are on medicaid traditionally.

Please do NOT pass Hb 2556 out of committee.

Thank you
Debbie Detmer
