

To the Chairman and members of the Kansas House Committee on Local Government:

My wife and I have lived right on the edge of a metropolitan planning and zoning area.

I do not want the city telling us what we can and cannot do. We can't tell people in the city what to do with their property. They should not be able to tell us what to do with our property.

I'm getting really tired of people who don't live in our jurisdiction telling us how to live in our jurisdiction.

Sincerely,
Donald R Johnson
