RE: Written Testimony in Support of House Bill No. 2002

To whom it may concern,

Please let this letter serve as a letter of support of House Bill No. 2002. As a County Commissioner in a small county, we struggle year in, year out with Budgetary Problems. We are a dwindling population and every dollar counts. In Stafford County, this State Mandated Mailing costs us over \$6,500 Per Year. This is cumbersome not only on our budget, but on our employee's time and workload. In a small County, we do not have to additional resources to absorb this extra work and expense.

To summarize this letter, Stafford County Commissioners are of the opinion that if the State Mandates a process such as this, the State should cover the costs associated with it.

Thank you for your consideration in this matter.

Sincerely,
