HB 2317

Kansas Association of Counties
Proponent Testimony – Written Only

Chairman Smith and members of the Committee:

Thank you for allowing the Kansas Association of Counties to offer proponent testimony on HB 2317, which would allow county treasurers to provide some tax notices and statements by electronic means if consented to by the taxpayer.

HB 2317 is a common sense way to allow county government to be more efficient, while maintaining transparency with taxpayers. It is important to note that this bill would require an opt in by the taxpayer—counties would not just send these notices to taxpayers upon a decision by the county. If taxpayers want to continue receiving notice by mail, this bill would allow them to do so.

KAC and its member counties ask for your support on HB 2317. Thank you for the opportunity to present this perspective on this legislation.
