City of Ellis, Kansas  
SB248 Opponent

Please oppose SB248 as it will be extremely harmful to our City's ability to fund essential services including police and fire protection as well as quality of life projects - our pool, parks, recreational and athletic facilities.

Please vote NO on SB 248 or amend it so local sales taxes on food, food ingredients and groceries are made whole as in current law. A vote opposing SB248 is extremely important to our City's economic health and future.

Thank you for your consideration of this request.
