

Dear Madam Chairwoman Tyson and Members of the Senate Assessment and Taxation Committee,

I fully support SCR 1610 and urge you to do the same.

Property taxes in Miami County Kansas have gotten totally out of control! Mine has went up - \$50,000 last year and another \$60,000 this year! They have my 1973 double-wide on 7 acres valued at \$279,000!! I wish they would write me a check! The roads by my house are horrendous – potholes very little gravel. This whole county needs looked at – as for where they are spending all this money they extorting from the land and home owners of the county!!

Limiting tax increases to 3% per year should be plenty. They need to make this retroactive at least for the last two years at least!

I urge your support for SCR 1610.

Sincerely,

Mary Ann McMechan
