Proponent , Written only, Hb 2036

Chairman and Members,

I am a proponent of Hb 2036.

Please pass this bill to relieve taxes for our warriors that keep America safe. They deserve to know that we care about them and if they should get hurt in the line of service while protecting us that we are there for them. My son is one of these disabled Veterans.

Many retired Veterans are moving out of state because they can not afford to live in Kansas. It is time to support our Veterans.

Please vote to pass Hb 2036.

Thank you,  
Debbie Detmer
