

SB219 Proponent Written Only Testimony

February 16, 2023

Chairwoman Gossage and Members of the Senate Public Health & Welfare Committee,

While I don't completely comprehend SB219, I am of the understanding that without this bill, taxpayer funds will be used to subsidize abortion clinics as they would be allowed to purchase insurance through the Healthcare Stabilization Fund. I have no desire for my taxpayer dollars to fund any part of an abortion. There are many items I don't approve of that my taxpayer dollars are spent on but this funding is one I will fight against.

I encourage the members of this committee to support SB219.
