

Senate Public Health and Welfare
SB 219 Proponent Testimony
Date: 2/16/2023

Dear Honorable Chairwoman Senator Gossage and Members of the Senate Health and Welfare Committee,

I strongly urge your support to SB 219. **Under no circumstance should taxpayer money be used to subsidize abortion clinics. Therefore, no abortion clinic should be allowed to purchase insurance through the Healthcare Stabilization Fund.**

It is an outrage to think that this loophole will funnel money from hardworking citizens and be used to fund the murder of Kansas children.

I would appreciate your support to SB 219.

Sincerely,
Marianne Hoffman
