

Senate Public Health and Welfare

SB 219

Proponent Testimony

February 16, 2023

Dear Honorable Chairwoman Senator Gossage and Members of the Senate Health and Welfare Committee,

I strongly urge your support for SB 219.

I am a taxpayer and am concerned that tax dollars are used to support life-giving legislation that supports the unborn. Taxpayer dollars should not be used to subsidize abortion clinics. This bill will not allow these clinics to purchase insurance through the Healthcare Stabilization Fund. I do not want to subsidize abortions through this Fund.

I would appreciate your support for SB 219.

Sincerely,

**Phillis Setchell**
