

**SB 219 – Designating certain healthcare providers as being ineligible to purchase professional liability insurance from the healthcare stabilization fund.**

Honorable Chairman Gossage and Members of the Senate Health & Welfare Committee:

I am writing this letter to express my concerns with SB 219. Under no circumstance should Kansas taxpayers be paying to subsidize abortion clinics. Therefore, I would **NOT** be ok with any abortion clinic being allowed to purchase insurance through the Health Stabilization Fund.

Sincerely,
