

Senate Public Health and Welfare

SB 219

Proponent Testimony

Date 2-15-23

Dear Honorable Chairwoman Senator Gossage and Members of the Senate Health and Welfare Committee,

I strongly urge your support for SB 219.

Under no circumstance should taxpayer money be used to subsidize abortion clinics; therefore, no abortion clinic should be allowed to purchase insurance through the Healthcare Stabilization Fund.

Any and all public sources of funding for abortion procedures, abortion clinics and/or abortion supplies should be blocked!

I would appreciate your support for SB 219.

Sincerely,

Roberta Bretz
