**MEMORANDUM**

To: Senate Committee on Ways and Means

From: Office of Revisor of Statutes

Date: February 14, 2024

Subject: **SB 272 - Increasing the transfer from the state highway fund to the public use general aviation airport development fund.**

Senate Bill No. 272 amends K.S.A. 75-5061 to increase the annual transfer from the state highway fund to the public use general aviation airport development fund from \$5,000,000 to \$18,000,000. The current \$5,000,000 transfer has been in place since July 1, 2013. Prior to such date, the amount of the transfer was \$3,000,000. SB 272 also strikes the language relating to such obsolete \$3,000,000 transfers.

Since SB 272 is a carryover bill from the 2023 Session if the committee decides to act on the bill, a technical amendment will be necessary to update the version of the statute from 2022 to 2023.
