(a) A law enforcement officer shall not take a person into custody based solely on the commission of an offense described in subsection (b) if the law enforcement officer, after making a reasonable determination and considering the facts and surrounding circumstances, reasonably believes that the person:

(1) (A) Initiated contact with a law enforcement officer, law enforcement agency or emergency medical services and requested medical assistance on the person's own behalf because the person reasonably believed they needed medical assistance as a result of the use of a controlled substance; and

(B) cooperated with law enforcement officers and emergency medical services personnel in providing such medical assistance;

(2) No person is immune from criminal prosecution as provided in paragraph (1) if the quantity of controlled substances found at the scene of the encounter with law enforcement would be sufficient to create a rebuttable presumption of an intent to distribute as described in K.S.A. 21-5705(e), and amendments thereto.

(c) The provisions of this section shall not apply to a person seeking medical assistance during the course of the execution of an arrest warrant or search warrant or a lawful search.

(e) A person shall not be allowed to initiate or maintain an action against a law enforcement officer, or the officer's employer, based on the officer's compliance or failure to

comply with this section. Except in cases of reckless or intentional misconduct, a law enforcement officer shall be immune from liability for arresting a person who is later determined to be immune from prosecution pursuant to this section.
