

STATE OF KANSAS

HOUSE OF REPRESENTATIVES

MR. CHAIRMAN:

I move to amend **Substitute for HB 2273**, on page 43, following line 17, by inserting:

"(c) On the effective date of this act, or as soon thereafter as moneys are available, the director of accounts and reports shall transfer \$155,106 from the state general fund to the cafeteria benefits fund (173-00-7720-7723) of the department of administration.";

On page 58, following line 36, by inserting:

"(v) (1) Notwithstanding the provisions of K.S.A. 75-6501 et seq., and amendments thereto, or any other statute, in addition to the other purposes for which expenditures may be made by the department of administration from moneys appropriated from the state general fund or any special revenue fund or funds for the above agency for fiscal year 2025, as authorized by this or other appropriation act of the 2024 regular session of the legislature, expenditures shall be made by the department of administration from such moneys for fiscal year 2025 to conduct a pilot project for calendar year 2025, in effect on January 1, 2025, to provide for diagnostic breast examinations and supplemental breast examinations with no cost-sharing requirement applicable to a diagnostic or supplemental breast examination for breast cancer imposed on a person qualified to participate in the program when such an examination is furnished to such qualified person through the state employee health benefits plan: *Provided*, That the secretary of administration shall coordinate with the director of the state employee health benefits plan to implement the provisions of this subsection.

(2) As used in this subsection:

(A) "Cost-sharing requirement" means a deductible, coinsurance, copayment or similar

out-of-pocket expense.

(B) "Diagnostic breast examination" means a medically necessary and appropriate, in accordance with national comprehensive cancer network guidelines, examination of the breast, including, but not limited to, such an examination using contrast-enhanced mammography, diagnostic mammography, breast magnetic resonance imaging or breast ultrasound that is used to evaluate an abnormality:

- (i) Seen or suspected from a screening examination for breast cancer; or
- (ii) detected by other means of examination.

(C) "Supplemental breast examination" means a medically necessary and appropriate, in accordance with national comprehensive cancer network guidelines, examination of the breast, including, but not limited to, such an examination using contrast-enhanced mammography, diagnostic mammography, breast magnetic resonance imaging or breast ultrasound that is used to screen for breast cancer:

- (i) When there is no abnormality seen or suspected; and
- (ii) based on personal or family medical history or additional factors that may increase the individual's risk of breast cancer.

Sec. 46.

DEPARTMENT OF ADMINISTRATION

(a) (1) Notwithstanding the provisions of K.S.A. 75-6501 et seq., and amendments thereto, or any other statute, in addition to the other purposes for which expenditures may be made by the department of administration from moneys appropriated from the state general fund or any special revenue fund or funds for the above agency for fiscal year 2026, as authorized by this or other appropriation act of the 2024 or 2025 regular session of the legislature, expenditures shall be made by the department of administration from such moneys for fiscal year 2026 to

conduct a pilot project for calendar year 2025, in effect on January 1, 2025, to provide for diagnostic breast examinations and supplemental breast examinations with no cost-sharing requirement applicable to a diagnostic or supplemental breast examination for breast cancer imposed on a person qualified to participate in the program when such an examination is furnished to such qualified person through the state employee health benefits plan: *Provided*, That the secretary of administration shall coordinate with the director of the state employee health benefits plan to implement the provisions of this subsection: *Provided further*, That on or before February 1, 2026, the secretary of administration, in coordination with the director of the state employee health benefits plan, shall submit a report to the house of representatives committee on appropriations and the senate committee on ways and means on the results of such pilot project.

(2) As used in this subsection:

(A) "Cost-sharing requirement" means a deductible, coinsurance, copayment or similar out-of-pocket expense.

(B) "Diagnostic breast examination" means a medically necessary and appropriate, in accordance with national comprehensive cancer network guidelines, examination of the breast, including, but not limited to, such an examination using contrast-enhanced mammography, diagnostic mammography, breast magnetic resonance imaging or breast ultrasound that is used to evaluate an abnormality:

(i) Seen or suspected from a screening examination for breast cancer; or

(ii) detected by other means of examination.

(C) "Supplemental breast examination" means a medically necessary and appropriate, in accordance with national comprehensive cancer network guidelines, examination of the breast, including, but not limited to, such an examination using contrast-enhanced mammography,

diagnostic mammography, breast magnetic resonance imaging or breast ultrasound that is used to screen for breast cancer:

- (i) When there is no abnormality seen or suspected; and
