The Honorable William Sutton, Chairperson
House Committee on Insurance
300 SW 10th Avenue, Room 218-N
Topeka, Kansas 66612

Dear Representative Sutton:

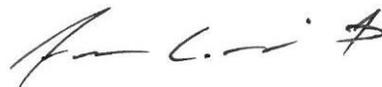

SUBJECT: Fiscal Note for HB 2099 by House Committee on Insurance

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2099 is respectfully submitted to your committee.

Currently, the Pharmacy Benefits Manager (PBMs) Licensure Act does not apply to a pharmacy benefits manager that holds a certificate of registration as a third-party administrator (TPA). HB 2099 would no longer exempt PBMs that are also a TPA.

The Kansas Insurance Department states that there are TPAs that might want to submit a PBM application if this bill were enacted. The agency estimates that three TPAs will submit a PBM application at the beginning of FY 2024 at a cost of \$2,500, which would have a renewal date of March 31, 2024, at a cost of \$2,500. Therefore, the Department would receive \$15,000 (3 X \$5,000) into its PMB Licensure Fund in FY 2024. Any fiscal effect associated with HB 2099 is not reflected in *The FY 2024 Governor's Budget Report*.

Sincerely,

Adam Proffitt
Director of the Budget
