Dear Representative Delperdang:

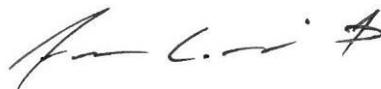

SUBJECT: Fiscal Note for HB 2226 by House Committee on Energy, Utilities and Telecommunications

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2226 is respectfully submitted to your committee.

HB 2226 would allow the Kansas Corporation Commission to adjust the number of days that an intent to excavate notice is valid and adjust the deadline for notification about a facility's tolerance zone. The bill would also permit the virtual white lining of excavation sites.

The Kansas Corporation Commission indicates that enactment of HB 2226 would not have a fiscal effect on agency operations. According to the Kansas League of Municipalities, the bill would not have a fiscal effect on cities.

Sincerely,

Adam Proffitt
Director of the Budget
