300 SW 10th Avenue, Room 582-N
Topeka, Kansas 66612

Dear Representative Delperdang:

SUBJECT: Fiscal Note for HB 2440 by House Committee on Taxation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2440 is respectfully submitted to your committee.

HB 2440 would require public utilities to report to the Kansas Corporation Commission certain data pertaining to the number of utility customers and amounts charged to such customers, customer account delinquencies and utility service disconnections, and customer assistance programs offered by the utility. The bill would require the Kansas Corporation Commission to open a proceeding on or before July 30, 2024, regarding public utility customer assistance programs.

The Kansas Corporation Commission and the Citizens' Utility Ratepayer Board indicate that enactment of HB 2440 would not have a fiscal effect.

Sincerely,

Adam Proffitt
Director of the Budget
