The Honorable Mike Petersen, Chairperson
Senate Committee on Transportation
300 SW 10th Avenue, Room 546-S
Topeka, Kansas 66612

Dear Senator Petersen:

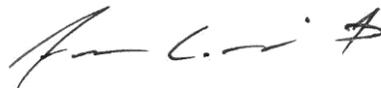

SUBJECT: Fiscal Note for SB 424 by Senate Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning SB 424 is respectfully submitted to your committee.

SB 424 would require a new datum for defining and stating the geographic positions or locations of points on, within, or above the surface of the earth within Kansas. The datum would consist of the most recent system of plane coordinates established by the National Oceanic and Atmospheric Administration's national geodetic survey, or a successor agency. The datum would be known as the Kansas Plane Coordinate System.

SB 424 would not have a fiscal effect on the operations of the Department of Transportation.

Sincerely,

Adam C. Proffitt
Director of the Budget

cc: Brendan Yorkey, Department of Transportation
