26 (b) Pursuant to a pole attachment agreement, a public utility may
27 assess reasonable fees or charges to recover the actual costs incurred by
28 the public utility for the attachment, maintenance or removal of the law
29 enforcement equipment. A public utility shall not rent, lease or otherwise
30 assess any other fees or charges for the use of the space required for the
31 attachment of such law enforcement equipment.

32 (c) Any public utility that enters into a pole attachment agreement
33 with a law enforcement agency pursuant to this section shall be considered
34 an instrumentality of a governmental entity for the purposes of the Kansas
35 tort claims act, K.S.A. 75-6101 et seq., and amendments thereto, and

1 entitled to any limitations on liability therein with respect to any claim
2 arising pursuant to such pole attachment agreement. To the extent that a
3 law enforcement agency is found to be liable for any claim relating to law
4 enforcement activities conducted pursuant to a pole attachment agreement
5 authorized by this section, the law enforcement agency shall indemnify the
