As Recommended by House Committee on
Insurance

Brief*

HB 2285 would clarify the definition of “insurance company” and make other technical corrections and reconciling changes in the Insurance Code.

Background

The bill was introduced by the House Committee on Insurance at the request of a representative of the Kansas Insurance Department (Department). [Note: A companion bill, SB 119, has been introduced in the Senate.]

House Committee on Insurance

In the House Committee hearing, a representative of the Department provided **proponent** testimony, stating the bill provides for a statutory cleanup to Chapter 40 of the *Kansas Statutes Annotated* as references to certain statute numbers and subsections have either been moved or repealed over recent years. The Department representative indicated the bill would reconcile those differences and references.

The House Committee recommended the bill be placed on the Consent Calendar.
