

SESSION OF 2024

**SUPPLEMENTAL NOTE ON HOUSE RESOLUTION NO.
6030**

As Adopted by the House

Brief*

HR 6030 makes findings concerning warfare between Hamas and the country of Israel and related security issues for Kansas Jewish communities.

The resolution states the Kansas House of Representatives condemns the unprovoked attacks on the State of Israel, demands the unconditional safe return of hostages, and that it unequivocally supports Israel's right to exist, defend itself, and protect its citizens from terrorism and harm.

The resolution also makes statements regarding the responsibility of Hamas for violence and attacks that began on October 7, 2023, and that the House of Representatives rejects all forms of antisemitism, including threats against Jewish people and institutions.

The resolution requires the Chief Clerk of the House of Representatives to send enrolled copies of the resolution to the Consul General of Israel in Miami, and leaders of the American Jewish Committee/Jewish Community Relations Bureau Kansas City, and the Jewish Federation of Greater Kansas City.
