Madame Chair and Members of the Committee,

On behalf of the Wichita Regional Chamber of Commerce and our nearly 1,500 members, thank you for the opportunity to provide written support for legislation related to STAR bonds and a stadium project for the Kansas City Chiefs football franchise.

The Chamber supports legislation that would make one-time changes to the statutes governing the state's Sales Tax as Revenue Bonds program to attract the Chiefs to Kansas. The Chamber recognizes that a stadium would not be located in the Wichita region. However, we believe this project would provide incredible benefits to the entire state. Therefore, we stand in strong support.

Very truly yours,

Jason P. Watkins
